Agenda Item No:	7	Fenland	
Committee:	Cabinet		
Date:	14 September 2017	CAMBRIDGESHIRE	
Report Title:	Future of Designated Public Places Orders and introduction of Public Spaces Protection Orders - consultation outcome		

#### **Cover sheet:**

#### 1 Purpose / Summary

To inform Members on the outcome from the 4 week consultation relating to the replacement of (DPPO's) with the use of Public Spaces Protection Orders (PSPO) in specific locations.

#### 2 Key issues

- On the 13th July 2017, Cabinet approved to commence a formal consultation on the future of Designated Public Places Orders being replaced with specific Public Spaces Protection Orders
- Based on initial informal discussions with partners, including Cambridgeshire Police and the Wisbech Alcohol Partnership it was suggested that DPPO's were no longer required within March and Whittlesey so should cease after the 20th October 2017 and not replaced with a PSPO.
- However, initial discussions and supporting evidence which included CCTV street drinking data identified three locations within Wisbech that would benefit and meet the test to successfully implement specific PSPO's that introduce no drinking areas. The three locations are;
  - St Peters Gardens and Sensory Gardens
  - Memorial Gardens
  - Tillery Field Park
- Although the consultation process backed the proposed three locations wider feedback relating to concerns of displacing street drinking elsewhere has led to a revised proposal to replace the existing DPPO zone in Wisbech with a like for like PSPO with greater enforcement than currently.
- The consultation period relating to the new PSPO proposals was delivered over a 4 week period running from the 14th July until 11th August 2017.
- The consultation process led to 247 responses being received. The clear majority supporting a proposal for a complete restriction on drinking alcohol at these locations, rather than adopting a discretionary power similar to the previous DPPO. The full consultation response analysis is attached as Appendix A.
- A number of other locations were identified through the consultation that may also benefit from a similar PSPO and these will be investigated further.

#### 3 Recommendations

- Cabinet agree that:
  - The existing Designated Public Place Orders for March & Whittlesey will cease from 20th October 2017.
  - Public Spaces Protection Orders are introduced from 20th October 2017, to ban the consumption of alcohol at the locations set out in Appendix C to this report and to provide a controlled drinking zone within the other areas within Wisbech on the same boundary as the existing DPPO as per Appendix D.

Wards Affected	Chatteris, March, Whittlesey and Wisbech

#### 4 Background / introduction

- 4.1 The Criminal Justice and Police Act 2001 (CJPA) gave local authorities the power to designate public areas through the introduction of Designated Public Places Order (DPPO) where it is an offence to drink alcohol after being requested by a police officer not to do so.
- 4.2 Under Section 12 of the CJPA the police may require persons not to consume alcohol and to surrender containers that they reasonably believe to contain alcohol. If the person concerned fails, without reasonable excuse to comply, an offence is then committed.
- 4.3 It is not an offence to drink alcohol within a DPPO zone.
- 4.4 Section 13 of the CJPA gave local authorities the power to designate a public place if it was satisfied that nuisance or annoyance to members of the public or a section of the public or disorder has been associated with the consumption of alcohol in that place.
- 4.5 DPPO's were first introduced in Fenland in 2009 after initial consultation with the local community and Cambridgeshire Constabulary. Currently DPPO's cover the market towns of March, Whittlesey and Wisbech, with town centre locations mainly included.
- 4.6 The Anti-Social Behaviour, Crime and Policing Act 2014, hereafter known as the Act, came into effect on 20th October 2014 making a number of changes to the law on anti-social behaviour. A key change was the introduction of PSPO's to replace DPPOs, dog control orders and gating orders in addition to a range of other behaviours that local authorities can now regulate in public spaces.
- 4.7 The Act has introduced simpler, more effective powers to tackle anti-social behaviour that provide better protection for victims and communities. This includes the introduction of Public Spaces Protection Order (PSPO).
- 4.8 Public Space Protection Orders (PSPO's) are intended to deal with a particular nuisance or problem in a particular area that is detrimental to the local community's qualify of life, by imposing conditions on the use of that area which apply to everyone. They are designed to ensure the law-abiding majority can use and enjoy public spaces, safe from anti-social behaviour.
- 4.9 PSPO's can be drafted based on the specific issues being faced in a particular public space, and can include multiple restrictions and requirements in one order. Examples of restrictions might include:
  - Controlling the use of dogs;
  - Restricting access to an area;
  - Misuse of substances;
  - Tackling noise nuisance; or
  - Unreasonable behaviour having a detrimental effect on the community.
- 4.10 A PSPO can be made where the council is satisfied, after conducting the test, that the activity or activities, carried on in a public place, it proposes to restrict:
  - Have had, or are likely to have, a detrimental effect on the quality of life of those in the locality;
  - Is, or is likely to be, persistent or continuing in nature;
  - Is, or is likely to be, unreasonable; and
  - Justifies the restrictions imposed.

- 4.11 A PSPO can be used to restrict the consumption of alcohol in a public space where the test has been met. However, as with DPPO's which it replaces, there are a number of limitations on using this power for this end.
  - A PSPO cannot be used to restrict the consumption of alcohol where the premises or its curtilage is licensed for the supply of alcohol.
  - There are also limitations where either Part 5 of the Licensing Act 2003 or Section 115E of the Highways Act 1980 applies. This is because the licensing system already includes safeguards against premises becoming centres for anti-social behaviour. It would cause confusion and duplication if PSPO's were also introduced within these areas,
- 4.12 The issue of PSPO's have already been identified within the Council's Scheme of Delegation.
- 4.13 Under Section 75 of the Act, DPPOs will become PSPO's at the end of 3 years after the commencement of the Act (i.e. in October 2017). However, after initial discussions with key partners, including Cambridgeshire Constabulary, there is not a requirement to continue to cover the same geographical areas with an alcohol restricted PSPO.
- 4.14 On the 13th July 2017, a report was presented to cabinet which provided a detailed background on the future of DPPO's and the use of PSPO's to tackle alcohol related issues within specific public spaces (<a href="http://www.fenland.gov.uk/aksfenland/images/att6722.pdf">http://www.fenland.gov.uk/aksfenland/images/att6722.pdf</a>)
- 4.15 Cabinet approved to go out to consultation with the community and partners on the three locations identified for PSPO's and the discontinuation of the existing DPPO's across Fenland.
- 4.16 It was approved that consultation will take place for 4 weeks during July & August 2017. This included:
  - Consulting with Wisbech Alcohol Partnership on suggested locations for the introduction of PSPO's including feedback on restrictions and requirements.
  - Consulting with Wisbech Town Council on suggested locations for the introduction of PSPO's including feedback on restrictions and requirements.
  - Consulting with Police on suggested locations for the introduction of PSPO's including feedback on restrictions, requirements and enforcement.
  - Consulting March and Whittlesey Town Councils of the proposal to cease DPPO's within these locations and advise them, including Chatteris Town Council, of the potential future use of PSPO's to respond to areas suffering from persistent and problematic alcohol consumption including street drinking.
  - Invite the community to respond through a survey monkey questionnaire via the internet with use of the media, and social media to encourage feedback. Hard copies will be available at the Fenland @ your service shops.

#### 5 Considerations

- 5.1 A formal consultation exercise has been concluded with the use of Survey Monkey to collect and consolidate community views to allow an informed understanding in relation to the expectation of the community on tackling alcohol consumption in a public space and any areas for further consideration.
- 5.2 The consultation period was commenced over for a 4 week period from the 14th July until 11th August 2017.
- 5.3 The consultation was promoted via the Councils website as well as via the following additional communication channels;'

- Councils social media platforms
- Town Council clerks
- Statutory Partnership Groups, including Fenland Community Safety Partnership, Fenland Problem Solving Group, Relevant Authority Officer Group and the Wisbech Alcohol Partnership.
- Partnership social media channels including Cambridgeshire Police
- Hard copies of the survey within public accessed buildings
- Officer engagement at Community Contact Points
- 5.4 The consultation survey asked for a response on five questions which were as follows;
  - Do you think there is a need for restrictions on drinking alcohol in a public place?
  - If you believe there is a need for restrictions on drinking alcohol in a public place, do you think:
    - There should be a controlled drinking zone similar to the existing DPPOs (where you can drink alcohol but becomes an offence to do so if told to stop by an officer)
    - There should be a no drinking area (meaning any reports of drinking will be an offence)
  - Do you agree with the 3 suggested initial PSPO locations? (These are St Peters Gardens and Sensory Gardens, Memorial Gardens and Tillery Field Park in Wisbech)
  - Are there other issues you would like to see addressed as part of the PSPO within these locations?
  - Any other comments?
- 5.5 The consultation process has led to 247 responses being received with comments provided where available for further background analysis. Please see Appendix A for responses and comments (redacted where personal information has been given).
- 5.6 The following results have been concluded from the 4 week consultation period.
- 5.7 In response to Question 1 'Do you think there is a need for restrictions on drinking alcohol in a public place' the community feel that there is a need for restrictions on drinking alcohol in a public space.

Please see the below table for the findings for Question 1.

Q1. Do you think there is a need for restrictions on drinking alcohol in a public place				
Yes No Don't know				
95% - 235 responses	4% - 10 responses	1% - 2 responses		

In response to question 2 'If you believe there is a need for restrictions on drinking alcohol in a public place', what type of restriction should be in place?

Please see the below table for the findings for Question 2.

Q2. If you believe there is a need for restrictions on drinking alcohol in a public place			
There should be a controlled drinking zone similar to the existing DPPOs (where you can drink alcohol but becomes an offence to do so if told to stop by an officer)	There should be a no drinking area (meaning any reports of drinking will be an offence)		

16% - 39 responses	84% - 199 responses
<u> </u>	

5.9 In response to question 3 'Do you agree with the 3 suggested initial PSPO locations'? Please see the below table for the findings for Question 3 (also see 8.2 below).

Q3. Do you agree with the 3 suggested initial PSPO locations? (St Peters Gardens and Sensory Gardens, Memorial Gardens and Tillery Field Park in Wisbech)		
Yes No		
70% - 172 responses	30% - 75 responses	

5.10 In response to question 4 'Are there other issues you would like to see addressed as part of the PSPO within these locations?

Please see the below table for the findings for Question 4.

Q4. Are there other issues you would like to see addressed as part of the PSPO within these locations?				
Yes No Don't know				
45% or 112 responses 26% or 65 responses 28% or 70 responses				

A complete breakdown of comments and response for question 4 can be found at Appendix A, however, below details the key issues, in order of prevalence, highlighted for inclusion within future use of PSPO's.

- Urination and defecation
- Drugs
- Littering
- Poor behaviour
- Dogs (The Council already has PSPO's for Dog Fouling)
- 5.11 A total 72 responses were received for question 5 'other comments'. These comments along with the comments received in the other 4 questions will be looked at in the following ways:
  - Evidence reviews for the locations identified in paragraph 8.2 below.
  - Background information to help inform on going "Community Contact Point" community engagement sessions where the Police and FDC held regular community engagement events to assess local issues in local areas and capture perceptions relating to crime and ASB to help inform priorities for where resource is needed.
  - Are there reasons why a PSPO could not happen in a particular location i.e there is an alcohol license for the same area.
- 5.12 The consultation feedback also highlighted other areas for consideration which include the following locations by town;
  - Chatteris
    - Wenny Recreational Ground
    - o Furrowfields Park
  - March
    - o Shelter (known as Old Man bus shelter), Broad Street
    - Bandstand, West End Park

- Surrounding area near Library
- Whittlesey
  - o Manor Leisure
  - Market Place
- Wisbech
  - Old Market
  - o Town Park
  - Area surrounding Salvation Army
  - Children's play areas including the Spinney
  - Harecroft Road Green Space
- An evidence review will be undertaken for each of these locations to test against the
  criteria for a PSPO. Feedback on this will be given to the community and the relevant
  Town Councils. Moving forward where an area is assessed as meeting the criteria for
  a PSPO and partners believe other powers are not sufficient to tackle the issue a
  PSPO can be brought in quickly unlike the previous DPPO legislation.
- 5.13 The consultation process in relation to Question 3 and the suggested locations of need, evidenced with over 50 free text comments requesting for other nearby areas within Wisbech town centre to be included for the introduction of a PSPO. There were comments of concern on displacement of street drinking in other areas not covered by the three proposed 'no drinking' PSPO's. Here is an example of one of the comments that raises concerns of displacement
  - "Should cover the whole town area because if only applied to those 3 areas it will only move the problem on to other areas of the town".
- 5.14 As these other areas of concern are currently covered by the existing DPPO in Wisbech and there is supporting CCTV street drinking reports and alcohol related littering data it would be advisable to also introduce a wider PSPO that will provide a controlled drinking area within Wisbech and its surrounding areas. This would then help mitigate against any potential displacement of street drinking and allow relevant officers to enforce against alcohol related anti social behaviour within these other areas.
- 5.15 A full breakdown of the survey comments can be found at Appendix A.
- 5.16 When ASB and associated issues relating to alcohol regularly take place in a location it can have a significant detrimental impact on all members of the community wanting to enjoy using those same public spaces. Introduction of PSPO's where appropriate can support ensuring this can happen. A Community Impact Assessment for PSPO's was developed during the consultation period and is attached at Appendix B.

#### 6 Next steps

- 6.1 As a result of the consultation it is proposed to:
  - End the existing DPPO's for March and Whittlesey from October 20th 2017.
  - Replace the existing DPPO in Wisbech with a like for like PSPO. This will in effect create a controlled drinking zone written to allow a fine to be given by authorised officers where individuals or groups have been asked to stop drinking and/or also surrender any open alcohol containers.
  - To introduce three specific PSPO's to ban alcohol consumption at three locations, (St Peters Gardens and Sensory Gardens, Memorial Gardens and Tillery Field Park in Wisbech - as shown on the location plan attached as Appendix C).

- To introduce enforcement powers to tackle issues such as spitting, urination and defecation within these areas based on community feedback from the consultation process. This will be linked to the review of enforcement pilot in November.
- 6.2 That further exploration and investigations are made on the additional areas set out in 5.12 to determine if they are suitable for similar PSPO's.

# Appendix A

#### PSPO (alcohol restrictions) Consultation

# Q1 Do you think there is a need for restrictions on drinking alcohol in a public place?

Answered: 247 Skipped: 0

ANSWER CHOICES	RESPONSES	
Yes	95.14%	235
No	4.05%	10
Don't know	0.81%	2
TOTAL		247

#	PLEASE GIVE COMMENTS	DATE
1	It makes the town look dreadful I am fed up of looking at them drinking early in the morning and urinating in the gardens and up the church in St Peters gardens. If they wish to drink it should be in their own homes or pubs.	8/11/2017 <b>12:57</b> PM
2	Those who drink excessively- renowned street drinkers drinking anti socially	8/11/2017 12:46 PM
3	It's the litter and unsocial behaviour that goes along with it	8/11/2017 7:55 AM
4	We have plenty of public bars , problem is selling single cans of beer etc to known drinkers	8/11/2017 7:25 AM
5	Because its not fair on kids to see drunk people	8/10/2017 11:41 PM
6	Too much alcohol being drunk in public social areas all times of day and night, not a good advert for visitors to the area.	8/10/2017 10:11 PM
7	Difficult issue ,eastern European community enjoy meeting in groups and street drinking rather than pubs.It is the litter and the defecating and drunkenness with a few individuals that cause the problem.	8/10/2017 9:09 PM
8	I live down the through road onto Tillery field and we have alot of "drunks" walking up and down the road at all hours. Using our passage ways as toilets and I also found one sleeping down there one day at 8.30am when I was taking my child to school! The park is supposed to be a nice place for people go go for a walk and kids to play but it's littered with drunks!	8/10/2017 4:50 PM
9	People feel intimidated by it.	8/10/2017 4:06 PM
10	People do not know their limitations big difference between having an enjoyable drink vs getting totally drunk.	8/10/2017 3:53 PM
11	Just visit the town centre or Wisbech park on any day of the week and you will witness people drinking and often urinating in the open. A walk behind a large number of the shops in the town centre reveals more drinking and the whole of Wisbech is blighted by empty drink cans being thrown on the ground, sadly Wisbech is becoming a very dirty unloved town, and nothing is done.	8/10/2017 3:46 PM
12	Every street in Wisbech there are people consuming alcohol and in Wisbech park	8/10/2017 3:06 PM

13	Consumption of alcohol leads to anti-social behavior including litter, urinating in public	8/10/2017 3:04 PM
14	Definitely !	8/10/2017 1:46 PM
15	They are going to the toilet in broad daylight in doorways don't care who sees them it's vile who want to see men peeing in eye view	8/10/2017 1:17 PM
16	Not pleasing on the eye seeing drunks	8/10/2017 1:11 PM
17	The people who drink in public places leave behind dangerous tin and bottles which are a danger to others especially children	8/10/2017 11:32 AM
18	More often than not adults of all ages and nationalities are drinking alcohol around areas designed for children. Walking through wisbech park and seeing grown men drinking cider from a 4lt bottle or cans of lager around a child's play area is wrong.	8/10/2017 11:24 AM
19	Just not suitable	8/10/2017 11:05 AM
20	Wherever you go in Wisbech you come across alcohol consumption and disposed can littered around	8/10/2017 10:41 AM
21	don't need to see people drinking in public areas	8/10/2017 10:29 AM
22	Wisbech is a beautiful town spoilt by drunk behaviour anti social behaviour and urinating.	8/10/2017 10:13 AM
23	Too much of it seen by a younger generation. Plus the drunk people then urinate and defecate in front of people	8/10/2017 10:12 AM
24	Drinking in public places is out of control and giving our town a bad name	8/10/2017 9:57 AM
25	Yes to many people drinking/drunk on the streets of Wisbech.	8/10/2017 9:49 AM
26	It is very intimidating walking near to crowds of intoxicated people and the reading tree in town seems to be a sleeping place for drunk people sleeping it off. My grandchildren were very frightened on Monday when two inebriated people were laying there with carts of drink and a bottle of strong cider next to them. One of them got up staggering as we were walking past them.	8/10/2017 9:49 AM
27	It's illegal and causes litter, unsightly behaviour and generally degrades the look of our town	8/10/2017 9:36 AM
28	But I don't believe you are going far enough. The small area by the old bridge is just as bad. Twice in the last week I have witnessed foreigners pissing in the corner.	8/10/2017 9:28 AM
29	All of these places are in areas where children are encouraged to go with there parents for safe enjoyment	8/10/2017 9:01 AM
30	because this problem has gotten out of hand .Urinating in full view of public and young children ,fighting and swearing and being comatosed in a public place are degrading and wrong and should be stopped .	8/10/2017 8:29 AM
31	It's a growing problem in all the said areas people are afraid to walk now. The drinkers go to the toilet everywhere and just throw tins downs . Not nice particularly for children and elderly	8/10/2017 7:34 AM
32	There should be no drinking in public spaces at all unless a special event for which a license has been obtained.	8/9/2017 8:57 PM
33	There are sufficient pubs in Wisbech, or stay home	8/9/2017 8:49 PM
34	Average people who work do not expect to see grown men drinking in the gardens during the day	8/9/2017 8:44 PM
35	Sets a bad example. Likely to lead to violence. leads to litter and mess. I have witnessed people urinating in public while drinking beer. Seen men carrying carrier bags of beer to the gardens at 10 am	8/9/2017 8:28 PM
36	Total ban on street drinking with enforcement and restricted number of outlets and times for alcohol to be served	8/9/2017 4:09 AM
37	There should be a complete ban on drinking in public places, there are enough pubs in town	8/7/2017 8:55 AM
38	it is a terrible sight walking past these drinkers there foul language, Urinating in public I told them off and I was told to Foxtrot Oscar.	8/7/2017 8:14 AM
39	Loud disturbing behaviour, not suitable language while drinking.	8/6/2017 11:03 PM
40	Sadly groups of men of varying ages can be found drinking alcohol as early as 7.30am through to late at night. This is v disconcerting and makes passersby v uncomfortable. And the beer and are then left behind.	8/6/2017 8:09 PM
	with the state of	

41	Multiple times daily i have wifneaaed street drinking and anti social behaviour in all three locations. This includes litter. I know many people who talk about bot feeling safe because of this. I am unable to sit and tead a book or paper in any of these locations because of the drinking. What i would say is that i know many people sit in these locations because they are living in shared accomodation without communal space so don't really have a choice.	8/6/2017 7:59 PM
42	Its damaging to the town seeing so many dossers drinking at all times of the day.	8/5/2017 8:05 PM
43	It makes you feel vulnerable when people are staggering around and urinating in public, especially during daylight hours.	8/5/2017 8:02 PM
44	Drinking in public spaces does not set good example to visitors and also encourages children to start drinking early	8/5/2017 3:57 PM
45	The ^ regular^ drinkers are intimidating in their numbers and attitudes and put off members of the public from using certain areas which they should be able to enjoy.	8/5/2017 3:33 PM
46	This issue is made worse because of the debris left behind, if people have picnics etc & tidy up & behave correctly then there is no problem!	8/5/2017 12:39 PM
47	I believe that in all public areas/places drinking any form of alcoholic drink should be banned unless permission has been given for specific events. All and any permissions expire at the end of the event and a repeat permission must be applied for. Permits will be approved by the local council and local police as a joint approval process. Permits will include all necessary requirements that will prevent unwelcome and unwanted behaviour due to excessive alcoholic consumption. Failure to comply will mean an automatic rejection of permit applications for three years.	8/4/2017 11:13 PM
48	March is getting overrun with drunks and drug users in town centre	8/4/2017 8:39 PM
49	There is no need for drinking in front of children! People shouldn't feel uncomfortable walking any where public!	8/4/2017 2:44 PM
50	They leave a mess, vile language even in front of children	8/4/2017 1:30 PM
51	People I have seen are loud and intimidating and doesn't look good for visitors to the town	8/4/2017 10:25 AM
52	It's not just drinking in Wisbech its also the sale of alcohol. Every shop sells alcohol.	8/4/2017 9:23 AM
53	The public are sick and tired of seeing their parks and public areas being ruined by alcohol induced vandalism.	8/4/2017 7:54 AM
54	Drinking of beer and spirits should only be allowed in licensed premises	8/4/2017 7:45 AM
55	because people are drinking all hourrs of the day then coming into places askinng ffor money	8/4/2017 6:53 AM
56	As well as the areas already stated I believe that the Wisbech rugby and sports fields should be included.	8/4/2017 6:50 AM
57	When behavior is affected by alcohol and this impacts other members of the community in a negative way, on a regular (weekly or daily) basis - this is unacceptable and not in the interest of that community.	8/3/2017 11:26 PM
58	Its a big problem for many areas of wisbech for example I see the play workers at the spinney picking up glass bottles most days	8/3/2017 11:05 PM
59	There's a very bad issue at the moment in the town and in the parks. I personally drink in a pub, restaurant or at home. I don't need to see, or my children see, people drinking on park benches	8/3/2017 10:20 PM
60	only if it becomes a nuisance to others	8/3/2017 10:15 PM
61	I can't take my child anywhere in town without seeing people drinking it's awful. Especially now my 5 year old will point them out saying look naughty drink again mummy.	8/3/2017 9:49 PM
62	Leads to anti social behaviour.	8/3/2017 9:49 PM
63	Should be banned within the town centre problem areas listed and the parks which are another problem area	8/3/2017 9:44 PM
64	All public areas should have have a no drinking policy. Closeing some areas only causes the offenders to move to other areas.	8/3/2017 9:01 PM
65	The majority of those drinking are foreign nationals where in their own countries is generally accepted. As well as the PSPO there needs to be engagement with those that drink to educate them that it is not permitted.	8/3/2017 6:50 PM
66	notably at central parks-near St Peters Gardens, when walking or driving with bicycle it looks very damnably	8/3/2017 6:31 PM
67	I don't like walking past groups of drunk men and they don't seem to care where they urinate.	8/3/2017 6:19 PM

	, , , , , , , , , , , , , , , , , , , ,	
68	There should be a complete ban in public places	8/3/2017 6:18 PM
69	There are pubs and bars to drink in so street drinking should not be allowed	8/3/2017 6:07 PM
70	Where vulnerable people and children might be present or drinking is causing anti social behavior.	8/3/2017 5:35 PM
71	Alcohol can impaire judgement and could be dangerous if consumed near rivers and other locations with hazards.	8/3/2017 5:12 PM
72	Certain areas of the town including the Market Square and Harecroft playing fields should also be included	8/3/2017 4:58 PM
73	People seen drinking in public places is intimidating and is often the pre-cursor of anti social behavior. i.e rowdiness, urinating in public etc.	8/3/2017 4:48 PM
74	Drinking in the correct place, Pub, or home, you shouldn't cause anyone any bother, if you don't do it to excess.	8/3/2017 4:26 PM
75	Makes the area untidy, seedy, drags it down.	8/3/2017 4:17 PM
76	The manor field in Whittlesey if rife with drinkers and drug smokers. This is totally unacceptable when children play in the parks and skate park.	8/3/2017 3:46 PM
77	Plenty of public houses with out door space or persons home to consume alcohol in with out intimidating others or preserve intimidation by others. Behaviours are not suitable for public areas.	8/3/2017 3:36 PM
78	Due to the litter, the behaviour and the feeling of intimidation that the public are subject to	8/3/2017 3:32 PM
79	It's being done all over the town centre at all hours of the day.	8/3/2017 3:31 PM
80	I think that having a ban on drinking is unnecessary; however, more needs to be done to tackle anti social behaviour.	8/3/2017 3:14 PM
81	There are many drinkers in the memorial garden in somers road on a daily basis.	8/3/2017 3:10 PM
82	Please also consider the Buttercross and Manor areas of Whittlesey.	8/3/2017 2:51 PM
83	most important of all is wisbech park during all hours	8/3/2017 2:28 PM
84	I would be happy with a total ban rather than just restrictions.	8/3/2017 1:49 PM
85	Yes it causes antisocial behaviour and community division	8/3/2017 1:43 PM
86	All Recreation grounds in Fenland, unless an Authorised Event is taking place	8/3/2017 1:37 PM
87	The problem is all of the Town not just the area adjacent to the mayors home	8/3/2017 1:32 PM
88	Too many persons abusing alchohol.	8/3/2017 12:38 PM
89	When taking my grandchildren to parks there are frequently drinkers some rowdy and empty cans and bottles	8/3/2017 12:34 PM
90	No exceptions, all towns and villages should have existing DPPO's replaced with PSPO's. Why encourage drinking etc. in these places and then try to stop it after it has become a problem.	8/3/2017 12:32 PM
91	An over all ban	8/3/2017 12:21 PM
92	There is a link between alcohol consumption and violent anti social behaviour.	8/3/2017 12:05 PM
93	Yes because a lot of the ASB is caused when drink is also involved	8/3/2017 11:59 AM
94	I don't think this is an issue in Whittlesey or at least not a priority.	8/3/2017 11:47 AM
95	Wisbech town, crescent church gardens - disgrace. I do not agree that there should be any controlled drinking areas.	8/3/2017 11:24 AM
96	No drinking in public areas should be allowed.	8/3/2017 10:44 AM
97	Saves trouble in the streets,	8/3/2017 10:41 AM
98	Drinking alcohol in ANY public place should be banned. The only exceptions should be where the alcohol is purchased ie, pubs and cafes with gardens or pavement seating.	7/31/2017 11:51 AM
99	Misuse of alcohol is spoiling other people's enjoyment of our lovely town. A complete ban on drinking alcohol in public, apart from pub and restaurant premises would be the best option.	7/31/2017 11:50 AM
100	people become more loud and intimidating for young/old people making it a bad experience for visiting/shopping in the town	7/31/2017 11:38 AM

101	The gardens etc are places for All the public to enjoy, not to to be ruined by the unsocial behaviour of drinkers and drunks, particularly sleeping it off on the benches and grass - also urinating in the gardens.	7/28/2017 9:48 PM
102	Drinking is clearly a problem in some areas. I visit most towns and think that there is a need for restrictions on drinking alcohol especially in Wisbech.	7/25/2017 8:20 AM
103	Drinking should be kept to Licenced Houses. Outside of these area is totally unsociable, and reflects badly on the towns' persona	7/20/2017 12:38 PM
104	Worried about how drinking in public has an adverse effect on the judgement and behaviour or those drinking and the subsequent urinating that can accompany this. It changes the nature of how the rest of the community can use the public space this affects and encourages other unwanted behaviours such as loud arguing/shouting and not be aware of how this impacts on residents around them as they are under the influence.	7/20/2017 9:09 AM
105	Spend the money on supporting drinkers to recover, housing, jobs, counselling etc instead of wasting it and wasting police time on this.	7/19/2017 7:17 PM
106	Fed up with walking past several people sat on benches or groups sitting on the grass in St Peters gardens at all times of the day from early in the morning drinking alcohol. Find it intimidating and uncomfortable.	7/17/2017 9:39 PM
107	We have all seen drunken immigrants (mostly) in Wisbech, making a nuisance of themselves. Why can they not just drink in pubs and in private homes?	7/16/2017 8:52 PM
108	Was taking round visitors from Arles and partially 'spoiled' by loud and I think drunken voices in St Peter's Gardens (although don't know if their English was good enough to understand what was going on).	7/16/2017 5:38 PM
109	There is far too much alcohol drinking in areas where the average resident are reluctant to go, even though they are areas they would like to relax in.	7/15/2017 8:37 PM
110	All areas except licensed premises	7/14/2017 12:38 PM
111	It is not the drinking in a public place that is the problem, it is the behaviour of people with drinking problems	7/14/2017 11:19 AM

# Q2 If you believe there is a need for restrictions on drinking alcohol in a public place, do you think:

ANSWER CHOICES	RESPON	1SES
There should be a controlled drinking zone similar to the existing DPPOs (where you can drink alcohol but becomes an offence to do so if told to stop by an officer)	16.39%	39
There should be a no drinking area (meaning any reports of drinking will be an offence)	83.61%	199
TOTAL		238

# Q3 Do you agree with the 3 suggested initial PSPO locations?(These are St Peters Gardens and Sensory Gardens, Memorial Gardens and Tillery Field Park in Wisbech)

RESPONSES

**ANSWER CHOICES** 

711011	CHOICES RESIDENCE	
Yes	69.64%	17.
No	30.36%	7
TOTAL		24
#	IF YOU'VE SAID NO, PLEASE EXPLAIN WHY AND SUGGEST OTHER AREAS THA HIGHER NEED.	AT ARE A DATE
1	March town needs an area also	8/11/2017 3:26 PM
2	I ageee with the above places but worry they will just find other areas. I think the local should be included too	park 8/11/2017 12:57 PM
3	I think the main park on Lynn road should be included in the scheme.	8/11/2017 11:15 AM
4	The whole town should be a no drinking zone unless on licensed premises ( no drinkin streets)	ng on 8/11/2017 7:25 AM
5	It should be all over Wisbech especially the town center and surrounding areas	8/10/2017 10:19 PM
6	Plus market place , high st , hill st , church terr,	8/10/2017 8:55 PM
7	And Wisbech park	8/10/2017 5:50 PM
8	Also the market place	8/10/2017 3:47 PM
9	But there needs to be more areas covered including the other parks and all around the regularly witness anti social behaviour and drinking in these areas even on a Sunday a the car boot sale in the centre of town!.	
10	Wisbech park	8/10/2017 3:06 PM
11	Wisbech park and town centre should be included	8/10/2017 3:04 PM
12	Why not include the pedestrian zone between the police station and the boathouse, bir always overflowing with beer cans. This area is part of the regeneration project but policouncil don't seem to care.	
13	BUT also Wisbech Town Park and residential streets such as Norwich Road and Lynn their entirety).	Road (in 8/10/2017 11:59 AM
14	There are more areas in wisbech these people drink . Rugby field ,garden next too Barbank	rclays 8/10/2017 11:36 AM
15	Yes with the above however there are daily drinkers near the Boat House opposite the Police Satation.	Wisbech 8/10/2017 11:36 AM

16	Should cover the whole of Wisbech	8/10/2017 11:35 AM
17	I would add the Peckover House playing fields an cricket grounds to the list suggested. As it a breeding ground for alcohol and drug misuse creating a danger to other park users.	8/10/2017 11:32 AM
18	However I do believe that the main wisbech park should be on this list due to the large number of children that use it on a daily basis.	8/10/2017 11:24 AM
19	Old Market gardens beside river near bridge, gardens top of Somers Rd, Scrimshaws Passage off Hill Street. All drinking places.	8/10/2017 10:41 AM
20	The Crescent, Park, Town centre and Old Market and the Octavia Gardens should also be included	8/10/2017 10:38 AM
21	Wisbech Park should also be included	8/10/2017 10:23 AM
22	Drinking areas should be away from where public/children walk, and especially the sensory garden as this is disrespectful to why it was built in the first place. And public drinking should only be in places where it will be known to be policed correctly and monitored regularly.	8/10/2017 10:17 AM
23	I do, but there are other areas like the Octavia hill Garden, 'ghost passage' etc This needs to be across the town as stopping it in one area will push the problem somewhere else.	8/10/2017 9:49 AM
24	I think Wisbech park should be included and all of the town centre. Visitors must be disgusted by some of the sights they see and the disgraceful behaviour.	8/10/2017 9:49 AM
25	I think the whole town should be covered.	8/10/2017 9:28 AM
26	Wisbech town park is also a problem area	8/10/2017 8:04 AM
27	This would be a start but I believe in no alcohol in public spaces.	8/9/2017 8:57 PM
28	Also Centenary Green and Wisbech General Cemetery should be included	8/9/2017 12:35 PM
29	Needs to be a blanket ban across the whole of Wisbech	8/9/2017 4:09 AM
30	Thar should not be any places in wisbech for people to drink do your drinking at home	8/8/2017 7:53 PM
31	All public areas and street drinking	8/7/2017 8:55 AM
32	Salvation Army and surrounding carpark John Thompson Road. They go to Krupa shop in West Street and on way hope sit on carpark wall and open there cans and just leave empty can 3 cans there at present.	8/7/2017 8:14 AM
33	Personally especially near the crescent .	8/6/2017 11:03 PM
34	Wisbech General Cemetery also needs such an order	8/6/2017 4:46 PM
35	Wisbech park is also vital	8/5/2017 8:05 PM
36	I agree with the locations mentioned & would like to add the Manor Fields in Whittlesey as an area where controls are required, especially with the under aged drinkers.	8/5/2017 12:39 PM
37	Whittlesey has an anti social drinking problem which still needs addressing. Taking away this resource will only make the situation worse.	8/5/2017 12:22 AM
38	All public areas	8/4/2017 11:13 PM
39	Neglects march. We pay our taxes too	8/4/2017 8:39 PM
40	memorial gardens somers road wisbech there is an increase of anti social behaviour who are nothing to do with ferry project	8/4/2017 7:23 PM
41	Wisbech park.	8/4/2017 3:07 PM
42	Seated area on the old market next to the river should be included.	8/4/2017 12:54 PM
43	The Peckover land by the cricket pitches is a problem too	8/4/2017 10:45 AM
44	All of the above and the Park	8/4/2017 10:25 AM
45	The area down the side of franks chip shop/chase st - public urination, its intimidating not do mention dangerous when they stagger out onto the road	8/4/2017 8:44 AM
46	Don't know those areas as I am in march	8/4/2017 7:27 AM
47	in March there also need to be one at the Old Man Shelter in town	8/4/2017 6:53 AM
48	All the town centre should be included. Drink in the pubs or go home and drink.	8/4/2017 6:50 AM
49	more areas should be covered	8/4/2017 1:18 AM

Should be in all residential areas particularly near and around shops selling alcohol particularly cape alcohol until atte at hight. Modils in shop ay where people buys on much attooth they cannot or struggle to get their car boots and doors closed open until 10om from early hours each day including chistmas day. People unitant in street and people gardens throw constant rubbile including chistmas day. People unitant in street and people gardens frow constant rubbile including chistmas day. People unitant in street and people gardens frow constant rubbile including chistmas day. People unitant in street and people sparked the rearby that the carp, buying selling drugs and leaving syrings nabber gloves about including drug packets with the carp, buying selling drugs and leaving syrings nabber gloves about including drug packets with the people included and selling the people included in the people included in the people in the selling se			
1 think there should be more especially around children's play areas like the park or the spinney 8/3/2017 11:05 PM 8/3/2017 10:03 PM Wisbach Park just to name one but all what you need to do is walk around any public space and 8/3/2017 9:49 PM you will see scenneed chinking alcohol.  All recreational areas. Licences can be given for Town events. 8/3/2017 9:49 PM 9/3/2017 9:49	50	cheap alcohol until late at night. Mcolls shop eg where people buy so much alcohol they cannot or struggle to get their car boots and doors closed open until 10pm from early hours each day including christmas day. People urinate in street and peoples gardens throw constant rubbish including bottle and cans, empty rubbish out of cars onto street going into peoples gardens, loud, swearing, fighting, arguing with each other, buying more alcohol when drunk and driving their cars, buying selling drugs and leaving syringe rubber gloves about including drug packets empty inour garden bushes. It is find having these PSPO in certain areas but this just moves the problem on eg people been served at Mcolls have been banned from two other local shops no one polices these problems when they are moved on and around. It does not solve the	8/3/2017 11:40 PM
Ghost passage should also be included  Wilsboch Park just to name one but all what you need to do is walk around any public space and you will see someone drinking alcohol.  All recreational areas. Licences can be given for Town events.  8/3/2017 9:49 PM  All recreational areas. Licences can be given for Town events.  8/3/2017 9:49 PM  I do agree with listed areas but also believe there should be town centre bans outside of licenced premises and the local parks  Wisbech park is practically a no go area night times. Drinking alcohol all ages. Teens and upwards. Then fights.  A full appraisal of other market towns should also be included not only Wisbech  A full appraisal of other market towns should also be included not only Wisbech  Wateriess also needs to be included. I no longer take my children there as I deem it unsuitable for them. sad when it is a play area.  It should be widespread as they will only move on to the next location  It should be the whole of Wisbech as they will just move elsewhere to drink  3/3/2017 6:07 PM  What about chatteris  Need some outside. NatWest Bank too & Rugby Field & The Park !!!  Please see comments made earlier  Other areas need to be included. e.g. Market Square, Wisbech Park.  It should control a much wider area, specifically Medworth Ward (ALL), the rugby fields, the town parks, and CWAIt needs to be much more than a "public space" that uses, "hotspots" as the advantage, and CWAIt needs to be much more than a "public space" that uses, "hotspots" as the advantage drinking and sand the swinting will cause uses, "hotspots" as the advantage drinking and smoking their drugs at the manor field in Whittiseey.  I agree with the suggestion of the three but please add the Town Park, between Lynn Road and Park Road. Also the Rugby Ground at Harccroft Road.  Because I have seen the leenagers with their bables drinking and smoking their drugs at the manor field in Whittiseey.  Beaning from a particular area only moves the problem to another area  Beaning from a particular area only mo	51	They shouldn't be allowed to spoil these areas, by drinking.	8/3/2017 11:34 PM
Wisbech Park just to name one but all what you need to do is walk around any public space and you will see someone drinking alcohol.  All recreational areas. Licences can be given for Town events.  8/3/2017 9:49 PM  1 do agree with listed areas but also believe there should be town centre bans outside of licenced premises and the local parks  Wisbech park is practically a no go area night times. Drinking alcohol all ages. Teens and upwards. Then fights.  A full appraisal of other market towns should also be included not only Wisbech  8/3/2017 9:42 PM  Waterloss also needs to be included. 	78		8/3/2017 1:16 PM

79	Should include millenjum Green (Octavia hill). Wisbech Park. Leverington Rd cemetery and other cemeteries.	8/3/2017 12:47 PM
80	I live in Whittlesey which wasn't mentioned in question 3	8/3/2017 12:34 PM
81	an overall ban in all public places to where the public have access	8/3/2017 12:21 PM
82	I would like to add the Wisbech park where groups gather to drink excessive amounts of alcohol. This leads to violent behaviour and substantial amounts of litter.	8/3/2017 12:05 PM
33	You should also look at the Park along Lynn Road because there is a lot of street drinking going on their	8/3/2017 11:59 AM
34	I'm not a Wisbech resident and I don't have a valid opinion.	8/3/2017 11:47 AM
<b>3</b> 5	I do not think there should be restrictions on drinking alcohol in public places	8/3/2017 11:44 AM
86	I feel that some residential areas should be included, namely West Street, John Thompson Road, and John F Kennedy Court, and the small garage area behind 74 -78 Elizabeth Terrace bungalows. All these areas have had drinking, urination, and human excrement at one time or another. I hope that having the designated areas, will not push it out further.	7/31/2017 3:05 PM
37	Yes, but they're not enough. See answer to question 1	7/31/2017 11:51 AM
38	Really agree with these areas suggested. These locations are special to Wisbech and have been no go areas unless you want to be confronted by drunks. Well done FDC this is spot on!	7/25/2017 8:20 AM
39	I agree with the suggested areas but also would include Wisbech Town park.	7/20/2017 9:09 AM
90	Wherever you put them, they will just move to another area, it's not going to solve any problems.	7/19/2017 7:17 PM
<del>)</del> 1	The Park should also be included, along with public streets such as Norfolk Street, The Crescent, high Street etc.	7/16/2017 8:52 PM
92	Parts of March broad street/West end	7/14/2017 6:34 PM
93	Area next to Barclays Bank also causes problems	7/14/2017 4:18 PM
4	Should cover the whole town area because if only applied to those 3 areas it will only move the problem on to other areas of the town.	7/14/2017 12:38 PM
15	I am assuming if these places are picked out the problem drinkers will move elsewhere where there is seating or an area they can congregate	7/14/2017 11:19 AM

# Q4 Are there other issues you would like to see addressed as part of the PSPO within these locations?

ANSWER CHOICES	RESPONSES	
Yes	45.34%	112
No	26.32%	65
Don't know	28.34%	70

45	Littering.It makes our town look uncared for and sets a poor standard for visitors and children	8/5/2017 8:02 PM
46	Ongoing review to establish other issues that need addressing	8/5/2017 3:57 PM
47	Litter. Obstruction. Offensive language.	8/5/2017 3:33 PM
48	Start the project with small targets to allow small successes, then build upon the results.	8/5/2017 12:39 PM
49	Littering, loose dogs and fouling.	8/4/2017 11:13 PM
50	drugs	8/4/2017 7:59 PM
51	I do not go into Wisbech often as feel unsafe	8/4/2017 1:30 PM
52	Public urination. Have seen this happen on many occasion. Absolutely disgusting and needs to be dealt with as well	8/4/2017 10:25 AM
53	Litter and parking,	8/4/2017 9:23 AM
54	Drugs	8/4/2017 9:19 AM
55	The constant public Urination/deification	8/4/2017 8:44 AM
56	I'm not sure if there is proof that this is directly linked to alcohol drinking in public places, but on the Wisbech Discussion Forum, there are many reports on defecation in public places. This is not acceptable on any level and should be dealt with severely.	8/4/2017 7:54 AM

57	the anti social behaviour, noise ie arguing fighting threats etc litter, urinating and toilet in public, the drugs issues the drink driving etc The anti social parking and driving which goes with this ie speeding, hooting horns, unroadworthy vehicles anti social parking on pavements, gardens double yellows blocking driveways screeching breaking etc.	8/3/2017 11:40 PM
58	Drugs	8/3/2017 11:34 PM
59	Public urination.	8/3/2017 11:26 PM
60	General antisocial behaviour. There needs to be a more visible authority in these areas	8/3/2017 11:25 PM
61	Teenagers smoking drugs in the park last week I had to explain what the funny smell was to my 5!! year old this is something a 5 year shouldn't come in touch with we where in the park by the leisure centre and their was a very strong smell and she asked what the smell was	8/3/2017 10:38 PM
62	Who do we contact if we see these issues? I saw people drinking alcohol by the reading tree last week and this is so not great for the town - I can't see that ringing 999 would be right and 101 isn't consistent	8/3/2017 10:20 PM
63	People should also be stopped from doing drugs in these places and stopped from using them as personal toilets.	8/3/2017 10:03 PM
64	Drugs! The needles are disgusting.	8/3/2017 9:49 PM
65	Spitting, & urinating in public places by drunken males.	8/3/2017 9:49 PM
66	I believe there should be more awareness of the drug misuse issues with increasing numbers of hypodermic needles and syringes being found in public places and people being found near the nursery using drugs in the car park I've witnessed collecting my child	8/3/2017 9:44 PM
67	Littering, Spitting.	8/3/2017 7:13 PM
68	There is an abundance of prostitution along Norfolk Street and drugs in all the areas mentioned.	8/3/2017 6:50 PM
69	Urinating and defecation around town. Although banning alcohol in certain areas may improve the problem.	8/3/2017 6:26 PM
70	Urinating and other toilet issues not in a public toilet.	8/3/2017 5:50 PM
71	litegal parking	8/3/2017 5:07 PM
72	Acts of indecency (eg defecating)	8/3/2017 5:03 PM
73	People defecating and urinating in public areas.	8/3/2017 4:58 PM
74	Drug usage., using our streets as public toilets.	8/3/2017 4:48 PM
75	Whittlesey buttercross always smells of urine and adults and children drink there most days	8/3/2017 4:40 PM
76	The dreadful drug problem in Wisbech, I've picked up several needles, just left lying around. The Cannabis problem. And lastly, the little thugs' in The Horsefair shopping Parade, my neighbour, who is a 63 year old lady, is intimidated and called fat slag, whore and other disgusting, disrespectful things. They say "we don't care if you call the Police, as they have been arrested loads of times, charming!!! They are about 14 years old!!! They should stay away if they can't behave in a normal fashion!!!!!!	8/3/2017 4:26 PM
77	Begging around Wisbech and intimidation. The drinkers need stopping, they need arresting if possible and fining/detaining, they are smelly and disgusting, loud, aggressiveyou may need Police backup, I doubt they will go quietly and they are in group whereas you travel in pairs. We need to see you in force if necessary, enforcing the PSPO where offences take place and not letting people off (perish the thought).	8/3/2017 4:17 PM
78	Urination and other gross behaviour in public areas, alleys and doorways.	8/3/2017 3:36 PM
79	Yes, out of control dogs. Dog mess in the grass of these areas when the grass has not been cut for a while. It is not so bad now, the grass, but it was long in the early part of the year at Tillery Park.	8/3/2017 3:32 PM
80	Spitting and using public areas as a tol let often inot front of people	8/3/2017 3:31 PM
81	Drugs and drink related litter	8/3/2017 3:14 PM
82	Drug use.	8/3/2017 3:10 PM
83	Urinating in public	8/3/2017 2:59 PM
84	Smoking cannabis and other illegal drug use. Also criminal damage and repeated acts of abusive or intimidating behaviour.	8/3/2017 2:51 PM

	,	
85	First and foremost High Priority on SPITTING in all areas together with dog fouling, and stopping people training their dogs to hang on tree branches that they have pulled down then let go with the dogs still hanging trying to rip the branches off	8/3/2017 2:28 PM
86	On the spot fines for people caught urinating in these locations.	8/3/2017 1:49 PM
87	Norfolk street	8/3/2017 1:43 PM
88	Playing of loud music via any electronic device	8/3/2017 1:37 PM
89	More control of dogs	8/3/2017 1:16 PM
90	Youths and others in St Peter's Church	8/3/2017 12:38 PM
91	I would like something done about anti social behaviour in Whittlesey things are getting out of control	8/3/2017 12:34 PM
92	Dog fouling not being cleaned up by owners Any excessive noise pollution	8/3/2017 12:32 PM
93	urinating and spitting	8/3/2017 12:26 PM
94	Anti social behaviour such as littering, urination in public, and threating behaviour and vandalism. Gangs of drunken youths (some pre teens) seem to delight in causing damage and leaving rubbish. Park wall that are decades old have been broken. Trees and bushes have been damaged for no reason. Fires have been lit on tables and in waste bins.	8/3/2017 12:05 PM
95	The increased use of drugs within Wisbech	8/3/2017 11:59 AM
96	The town centre in Wisbech!, I now do not go unless I really have to or arrange to go in with another person.	8/3/2017 11:24 AM
97	all anti-social behaviour.	8/3/2017 10:43 AM
98	Littering	8/1/2017 4:48 AM
99	Public urinating and defecating, Loitering, Litter, Verbal abuse.	7/31/2017 11:51 AM
100	Littering, loitering and urinating in public should be addressed.	7/31/2017 11:50 AM
101	Wisbech has a problem of lots of young men in particular hanging around in groups and it is a intimidating atmosphere FOR PEOPLE	7/31/2017 11:38 AM
102	Men urinating in the gardens etc	7/28/2017 9:48 PM
103	I have seen people spitting can we have something along 'no spitting' within these areas as well?	7/25/2017 8:20 AM
104	People urinating everywhere they like. Rough sleeping, particular to St Peters Church gardens.	7/20/2017 12:38 PM
105	The areas mentioned are exactly as described, memorial garden and sensory garden, areas where members of the public can visit for quiet reflection. I find it impossible to be able to visit these area when surrounded by groups of mainly men, sitting on benches all drinking alcohol and either shouting or arguing loudly. A new fountain has only just been installed and it is a shame it cannot be enjoyed by everyone, I am sure many families with young children would feel less intimidated if a visit did not entail having to run the gauntlet or encounter with several men openly displaying the signs of drunkenness particularly early in the day.	7/17/2017 9:39 PM
106	Interfering with fish pond/fountain in St Peter's Gardens	7/16/2017 5:38 PM
107	Litter and noise	7/16/2017 3:01 PM
108	The issue could move to other areas of the town. What about the park? Could everything migrate there?	7/15/2017 8:37 PM
109	Littering Anti social behaviour urinating and spitting	7/14/2017 4:18 PM

## Q5 Any other comments:

#	DESDUNGES	DATE
	RESPONSES	DATE
i.	I go to town regularly to take my daughter to dance at the Angles theatre. They are always drinking and urinating in public places which is unacceptable and I shouldn't have to explain to my children why they are doing. I have also been personally affected with this behaviour in the last 6 weeks. My 102 year old Grandmother has been forced out of her home which she has lived in for the past 70+ years. A very drunk neighbor walked into her house and climbed into her bed (which is downstairs) whilst she was in the bathroom. He would not move and had to be removed by his house mates. 3 days later he was seen to be urinating in the front garden. She has also told us of other incidents. This latest incident has totally knocked her to the point that she will not go back home. Something needs to be done to stop this.	8/11/2017 12:57 PM
2	Kingdom Enforcement Officers have feedback that they regularly see spitting and urination while out on patrol in these areas of Wisbech, As well as surrounding alleyways. We can tackle spitting as litter through proven case law. We need to look into how we define urination and defecation as too as part of this enforcement.	8/11/2017 12:46 PM
3	Could Wisbech Town Park be added to the list. With the PSPO removed for special events like Wisbech Rock Festival.	8/11/2017 12:05 PM
ļ	It's ok to move these drinkers on but they go somewhere else Surely licenced premises can be banned from selling only single cans	8/11/2017 7:25 AM
5	There is currently a lack of police presence and the offenders are just moved around to appease the residents. It is part of a larger problem where the authorities have failed to facilitate their ideas of integration. Thank goodness the local charities and churches have stepped in and done their job for them.	8/10/2017 9:09 PM
5	There might be less public drinking if the council issued fewer alcohol licences.	8/10/2017 4:06 PM
	I've lived in Wisbech for nearly 30 years but sadly it is no longer a nice place to walk around or visit, it's time action was actually taken to stop this ridiculous situation. This is no longer the time for political correctness enough is enough just ask around.	8/10/2017 3:46 PM
i	There are too many outlets selling alcohol within the town centre	8/10/2017 3:04 PM
	shops shouldn't self booze after 11pm or before 5pm.	8/10/2017 1:44 PM
0	I walk near St. Peter's gardens every Monday morning about 10/10.30 there is always men on the benches with there cans of alcohol spitting I find this very scared as I'm on my own they stare at people and I find it very threatening I wId never walk by them	8/10/2017 1:17 PM
1	Wisbech has the potential to be a beautiful town. Banning alcohol in public places needs to be supported by an action plan to deal with the homeless and vagrants who use the public parks as their homes and toilets.	8/10/2017 11:32 AM
2	There should be a restriction on the times on which alcohol should be able to be purchased. I feel that alcohol should not be allowed to be purchased before 12pm on any day!	8/10/2017 11:24 AM
3	Too many booze licenses previously granted by FDC. Now the town has to pick up the pieces.	8/10/2017 10:45 AM
4	It is not nice going about our daily business in wisbech, I have numerous times gone to walk down Scrimshaws Passage and turned around because of people halfway down drinking.	8/10/2017 10:41 AM
5	I would rather see a total ban on street drinking, going to be interesting how you will police this one though.	8/10/2017 10:38 AM
6	Stop the drinking outside all over the town unless it's a licensed event or premises.	8/10/2017 10:13 AM
7	Think public drinking as a whole should be banned unless there is a public event on l.e Wisbech Rick festival etc.	8/10/2017 10:12 AM
	Surely there should be a controlled area within the wisbech park as well.	8/10/2017 9:01 AM
3	Caroly allow should be a contacted and main allo wisbodi parked work.	0/10/2017 9.01 AIV

20	I am not against people drinking alcohol in public, it is the needless littering from any sort of drinking or eating that annoys me. Why do people just drop their cans, bottles,take away cartons etc. on the floor instead of using the bins not just in these areas but throughout the town?	8/10/2017 1:58 AM
21	We really need more policing on foot in the town centre .i appreciate that funds are tight but this needs to be addressed. Only when zero tolerance is taken on small matters can we hope to address the bigger issues.	8/9/2017 8:57 PM
22	This seems obvious, why do you need to ask, simply the difference between right and wrong	8/9/2017 8:28 PM
23	PSPO's and previous DPPO's do not go far enough!	8/9/2017 4:09 AM
24	I moved to Wisbech about 3 months ago and was impressed with the presentation of the various parks and gardens spoilt by the groups of men who sit drinking alcohol in them all day long.	8/6/2017 8:09 PM
25	Concerned that the antisocial behaviour will just spread out to other areas that are more built up, as in the green at baxters close to name but a few.	8/5/2017 8:02 PM
26	Having such specific areas for the order, is it going to move the problem else where ?	8/5/2017 3:33 PM
27	I believe that periodic checks with large! numbers of officers in targeted areas with the proportional punishments handed out would have an immediate effect, this coupled with education on the topics at an early school age would have benefits.	8/5/2017 12:39 PM
28	There must be sufficient people employed to monitor and enforce the requirements of the PSPO's	8/4/2017 11:13 PM
29	How about town centre? What's happening there?im there at 6am and there are people drinking in the streets then!	8/4/2017 2:44 PM
30	They're making people not wanting to go to these areas as they are abusive and intimidating to public. There is no need to drink alcohol in public	8/4/2017 1:30 PM
31	Harassment asking for money or cigarettes - needs to be stopped.	8/4/2017 10:25 AM
32	Parking in Wisbech is a joke when there is so much free parking. Need to remove cars from town centre. Litter and fly tipping has not improved needs more action not just volunteer litter picks.	8/4/2017 9:23 AM
33	Town needs looking at as a whole, let's get everyone involved to make a town a much better place, I for one would love to get Wisbech back on the map as a good place to visit, not a place to stay away from.	8/4/2017 7:45 AM
34	Has Centenary Garden on Somers Rd been considered as part of the scheme. Currently an issue and possibly people will simply move to this area and increase the problem there.	8/3/2017 11:26 PM
35	Stopping drinking in "pretty areas" is all well and good but there are so many areas where children play that are a real danger from glass bottles the spinney play workers are doing an amazing job at there place but what about the park or the doggey park near the angles, or the spider park in walsoken	8/3/2017 11:05 PM
36	We don't have the policing to deal with these issues, budgets have been cut so much, and people know pcso's don't have the authority as a proper copper	8/3/2017 10:20 PM
37	This simply moves a problem to a different area and doesn't deal with the source of the problem. Punishing people who have problems does not make the problem disappear. I totally disagree with the proposal and c it as a lazy and inhumane way of dealing with a situation.	8/3/2017 10:17 PM
38	Some better interaction from Police officers with regard to dangerous drivers.	8/3/2017 9:49 PM
39	Other areas need a no-drinking policy, like around the old market place car park	8/3/2017 9:01 PM
40	Wisbech is not the only place that has problems here in march their is a big problem with a group sitting in the shelter in Broad Street drinking alcohol and swearing all day this area and west end park also needs PSPO urgently - I hope this is given urgent attention	8/3/2017 7:59 PM
41	Wisbech is failing. The Police do what they can with limited resources and shrinking budgets. More powers would help them. With rates going up and businesses leaving Wisbech is on the back foot.	8/3/2017 6:50 PM
42	Sorry if wrong written, not good english, im from Latvia and its very damnably seen how peples drinking and peeif you aloow any place to drink, need toilets, and cctv,because if people drink they stay agressive thanks.	8/3/2017 6:31 PM
43	PSPO Should cover Wisbech Park	8/3/2017 6:22 PM
44	None	8/3/2017 5:35 PM

45	People should not feel intimidated by drunks or drug users or subjected to any form of anti social behavior.	8/3/2017 4:48 PM
46	Yes, all the drug dealers, that openly deal and sell their drugs, narcotics' at silly o clock at night and get away with it. Plus the grubby, mucky persons' who urinate and empty their bowels' in our lovely Park.	8/3/2017 4:26 PM
47	It is a good start but as the drinkers move to areas uncontrolled by the PSPO, it will simply push them out of their usual haunts (yes, the word is appropriate) into surrounding roads which could affect vulnerable people and change lives of residents who don't need street drinkers near them due to the intimidation and sometimes violence they get! When (hopefully if) the drunks move elsewhere, how will they be removed from where they camp up? There are residents living in many roads around the town who could be affected who aren't now. Public spaces are a good start but you need to watch where they go and push them away from decent people, which they are not! Go in force, you may need to and make sure Police are nearby, make sure your teams don't, "let them off" but actually stick the PSPO punishment(s) on them, you need to be harsh and uncompromising, it's how they learn! What you will encounter I fear may surprise yougood luck, let's hope you don't need it.	8/3/2017 4:17 PM
48	If a person is moved on or stopped once, information given there should be no second or third warning. Fines don't work as person invades this. Start the community payback tidying graffiti in toilets for instances. Could there be a designated meeting / place for chatting and drinks like some places aboard. Where it is pleasant to sit and watch the world. I'm interested Why is it different here than aboard, I see designated person bars don't have this problem aboard, guess its more acceptable for groups to meet up and pass the time of day. At the moment people use benches to meet / drink, that are sited on public footpaths so there people passing feel intimidated. Restrict licences for selling alcohol	8/3/2017 3:36 PM
49	These are problems that are on going all day and night. Not just when shops are open.	8/3/2017 3:31 PM
50	This can only be enforced if there are actually police available to patrol, which there doesn't seem to be. This makes it a pretty paperwork exercise that commanders can hold up and boast about all the good work they are doing, when actually drinking is still happening as there is no enforcement.	8/3/2017 3:14 PM
51	Not a wide enough coverage, the three areas will lead to an increase in the problem on the Old Market.	8/3/2017 3:12 PM
52	There are just as many people smoking illegal substances in public as there are drinkers. I understand that many of them are homeless and I work in an organisation trying to help many of these people so perhaps 1 designated area would be easier to manage.	8/3/2017 3:10 PM
53	More Police and PCSO at all times	8/3/2017 2:28 PM
54	High Fines for Litter in these locations	8/3/2017 1:37 PM
55	We should be liberal with sensible consumption and use the weight of law to prosecute those that cause annoyance, damage or injury because of intoxication	8/3/2017 1:02 PM
56	Why no restrictions in March and other towns and villages. These have the same potential for drink related Anti Sociał Behaviour as anywhere else so why wait until there is a problem before trying to stop it. Closing the stable door after the horse has bolted comes to mind.	8/3/2017 12:32 PM
57	I think adults should be able to drink in public spaces and behave like adults. If behaviour becomes anti-social with or without alcohol, then police should have the powers to restrain offending adults and remove them from the locality. Families (including children) should have the right to enjoy public spaces in a free way. Adults should have rights of including the consumption of alcoholic beverages, unless and until they disrespect that freedom. On the question of dogs, they need to be able to use public places for socialisation, toileting and exercise (again, as long as they are under control of a responsible owner who will collect and dispose of any excrement produced). Don't ban them!	8/3/2017 12:19 PM
58	The problem with these orders is that they are not enforced. The hedges are filled with considerable amounts of rubbish and drug taking paraphernalia.	8/3/2017 12:05 PM
59	Need to reduce the number of off-licences, which will help reduce the drinking problems within Wisbech	8/3/2017 11:59 AM
60	I'd much rather we had kept a Police station and officers based in Whittlesey. I rarely see Police and when I do they are breezing past in vans and cars. I think we deserve a better return on our council tax contribution.	8/3/2017 11:47 AM
61	more police presence to stop drinking in the market place and gardens in the old market	8/1/2017 1:49 PM

62	Make public toilets FREE again, to encourage responsible behaviour. The three areas suggested are the most in need of regulation but has sufficient time been spent ensuring the problem is not just moved elsewhere?	7/31/2017 11:51 AM
63	OPEN PUBLIC TOILETSWITHOUT CHARGING FOR USE	7/31/2017 11:50 AM
64	Well done FDC on taking action against this difficult problem we have in our towns. Hopefully this will be used in other areas as well? I have also seen noisy drinkers in March town mainly in the bus shelter in the centre. Can something be done about them?	7/25/2017 8:20 AM
35	Extend the PSPO to cover Octavia Hill Birth place gardens and Harecroft Road sports grounds areas.	7/20/2017 12:38 PM
66	This will not solve the problem, just move it to another area and waste police time enforcing it. A complete waste!!	7/19/2017 7:17 PM
67	there also needs to be similar enforcement in the ChurchTerrace and Church Hall Car Parks in Wisbech otherwise the drinkers will simply move there. There should also be noise restrictions (especially related to cars: music and revving engines and also shouting late at night all of which cause disturbance to residents around the car parks)	7/16/2017 3:01 PM
88	It is uncomfortable for many to see the result of drinking. This is not just the evening and night but also earlier in the day.	7/15/2017 8:37 PM
69	Just having police saying 'you can't do that here' does not seem to address the problems - what about more advice, guidance, help - pro-active help from local-drug, drinking clinics. A designated site, outdoor meeting place.	7/14/2017 11:19 AM
70	good locations	7/14/2017 11:03 AM
71	These are the areas I proposed as the local Ward Councillor and I support them.	7/14/2017 10:33 AM
72	Wisbech Park should be included.	7/14/2017 9:36 AM

#### **Customer Impact Assessment – Public Spaces Protection Orders (PSPO's)**

#### Name and brief description of policy being analysed

Briefly summarise the policy including any key information such as aims, context etc; note timescales and milestones for new policies; use plain language – NO JARGON; refer to other documents if required

The Anti-Social Behaviour, Crime and Policing Act 2014, hereafter known as the Act, came into effect on 20th October 2014 making a number of changes to the law on anti-social behaviour. A key change was the introduction of PSPO's to replace Designated Public Places Orders (DPPO's), dog control orders and gating orders in addition to a range of other behaviours that local authorities can now regulate in public spaces.

The Act has introduced simpler, more effective powers to tackle anti-social behaviour that provide better protection for victims and communities. This includes the introduction of Public Spaces Protection Order (PSPO).

Councils will be responsible for making the new PSPO although enforcement powers will be much broader.

Public Space Protection Orders (PSPO's) are intended to deal with a particular nuisance or problem in a particular area that is detrimental to the local community's qualify of life, by imposing conditions on the use of that area which apply to everyone. They are designed to ensure the law-abiding majority can use and enjoy public spaces, safe from anti-social behaviour.

PSPO's are drafted based on the specific issues being faced in a particular public space, and can include multiple restrictions and requirements in one order. Examples of restrictions might include:

- Controlling the use of dogs;
- Restricting access to an area;
- Misuse of substances;
- Tackling noise nuisance; or
- Unreasonable behaviour having a detrimental effect on the community.

A PSPO can be made where the council is satisfied, after conducting the test, that the activity or activities, carried on in a public place, it proposes to restrict:

- Have had, or are likely to have, a detrimental effect on the quality of life of those in the locality;
- Is, or is likely to be, persistent or continuing in nature;
- Is, or is likely to be, unreasonable; and
- Justifies the restrictions imposed.

A PSPO can be used to restrict the consumption of alcohol in a public space where the test has been met. However, as with DPPO's which it replaces, there are a number of limitations on using this power for this end.

A PSPO cannot be used to restrict the consumption of alcohol where the premises or its curtilage is licensed for the supply of alcohol. There are also limitations where either Part 5 of the Licensing Act 2003 or Section 115E of the Highways Act 1980 applies. This is because the licensing system already includes safeguards against premises becoming centres for anti-social behaviour. It would cause confusion and duplication if PSPO's were also introduced within these areas.

A PSPO for the need of this assessment is in relation to restricting and removing the act of consuming alcohol within specific locations covered by the PSPO where the test

has been met.

#### Information used for customer analysis

Note relevant consultation; who took part and key findings; refer to, or attach other documents if needed; include dates where possible

The implementation of PSPO's is following the legislation from the Anti-social Behaviour, Crime and Policing Act 2014 and the Home Office 'statutory frontline officer' guidance.

As part of this assessment and for the need and use of PSPO's a number of partner groups, organisations and community have been consulted via an number of means. On reviewing and analysing street drinking data that is used on behalf of the Wisbech Alcohol Partnership (WAP) which is provided by the councils CCTV team there are specific areas within the camera zones and within the current DPPO area which is suffering at the detriment to the local community from persistent street drinking activity.

On discussion with the Wisbech Alcohol Partnership, Cambridgeshire Police and supported by the CCTV data detailed above on street drinking activity, it is recommended that the areas covering St Peter's Gardens including the sensory garden area, Tilery Field Park and the Memorial Gardens within the Crescent be considered for the introduction of a PSPO that restricts the consumption of alcohol within these areas at all times by all persons.

Partners and relevant bodies felt that the formal consultation could also ask if the use of PSPO's should also address other issues aside from the consumption of alcohol in a public place.

The consultation period was commenced over for a 4 week period from the 14th July until 11th August 2017.

The future of DPPO's and the introduction of PSPO's consultation has been delivered via Survey Monkey and placed on the Councils website as well as promoted via the following channels;

- Councils social media platforms
- Town Council clerks
- Statutory Partnership Groups, including Fenland Community Safety Partnership, Fenland Problem Solving Group, Relevant Authority Officer Group and the Wisbech Alcohol Partnership.
- Partnership social media channels including Cambridgeshire Police
- Hard copies of the survey within public accessed buildings
- Officer engagement at Community Contact Points
