

Agenda Item No:	13	
Committee:	COUNCIL	
Date:	15 DECEMBER 2016	
Report Title:	POLLING DISTRICTS AND POLLING PLACES REVIEW	

1 Purpose / Summary

To consider the outcome of the recent review of polling districts and places, resulting from the Local Government Boundary Commission for England review of the Cambridgeshire County Council.

2 Key issues

- The LGBCE has reviewed the electoral arrangement for Cambridgeshire County Council, which reduces the number of County Council Divisions from 11 to 8 and the number of County Councillors from 11 to 9 within Fenland District Council's area;
- The last review was undertaken in November 2014, which was the compulsory review as per the Electoral Registration and Administration Act 2013;
- The definitions of polling district, polling place and polling station are:
 - A **polling district** is the area created by separation of a ward, division or constituency into smaller parts, within which a polling place can be determined which is convenient to the electors
 - A **polling place** is the building or area in which polling stations will be selected by the Returning Officer
 - A **polling station** is the actual area where the process of voting takes place. This must be located within the polling place and designated for the particular polling district. This function is the responsibility of the Returning Officer.
- As defined by legislation, the Council is responsible for designating polling places, whereas the Returning Officer is responsible for determining where the polling stations are situated.
- The Council has undertaken a consultation exercise on the proposals within the report and received a number of comments which have been taken into account in the final recommendations. All comments and responses are detailed in Appendix B.

3 Recommendations

That the Council

- notes the outcome of the review and the consultation undertaken;
- agrees the changes recommended to polling districts and polling places, as detailed in the report at Appendix C;
- notes that the next review is the compulsory review to be undertaken during 2018/2019 and delegates authority to the Returning Officer/Electoral Registration Officer to determine any changes necessary to polling districts or polling places within a ward, in the intervening period between formal reviews.

Wards Affected	All

Portfolio Holder(s)	Councillor John Clark, Leader of the Council
Report Originator(s)	Elaine Cooper, Elections and Land Charges Supervisor Anna Goodall, Head of Legal and Governance
Contact Officer(s)	Paul Medd, Chief Executive Anna Goodall, Head of Legal and Governance Elaine Cooper, Elections and Land Charges Supervisor
Background Paper(s)	Electoral Registration and Administration Act 2013 Schedule A1, Representation of the People Act 1983 Consultation responses

4 Background / introduction

- 4.1 The LGBCE has reviewed the electoral arrangements for Cambridgeshire County Council to provide improved levels of electoral equality across this authority. The recommendations to be put in place for the election to be held in May 2017 are a reduction of County Council Divisions from 11 to 8 and in County Councillors from 11 to 9.
- 4.2 The review has also made changes to parish electoral arrangements in March, Whittlesey and Wisbech St Mary, which will come into force at the next scheduled Town and Parish Council elections in 2019. If a by-election is necessary in the interim period, it will take place based on the existing ward boundaries.
- 4.3 As a result of the LGBCE review it has been necessary to undertake an interim review of Fenland District Council's polling districts and polling places.
- 4.4 In undertaking a review, the Council must:
- publish a notice indicating the holding of a review
 - consult the Returning Officer for every Parliamentary constituency which is wholly or partly in its area
 - enable any such Returning Officer to make representations to the authority and publish them in a prescribed manner
 - seek representations from such persons that it thinks has particular expertise in relation to access to premises or facilities for persons who have different forms of disability
 - allow any elector in the authority's area to make representations which could include proposals for alternative polling places.
- 4.5 On completion of the review, details of the new polling districts and polling places must be made available to the public.
- 4.6 The definitions of polling district, polling place and polling station are:
- A **polling district** is the area created by separation of a ward, division or constituency into smaller parts, within which a polling place can be determined which is convenient to the electors
 - A **polling place** is the building or area in which polling stations will be selected by the Returning Officer
 - A **polling station** is the actual area where the process of voting takes place. This must be located within the polling place and designated for the particular polling district. This function is the responsibility of the Returning Officer.

The Council is responsible for designating polling places, whereas the Returning Officer is responsible for determining where the polling stations are situated.

5 Considerations

- 5.1 When undertaking a review the Council is required to give due regard to the following considerations:
- It must seek to ensure that all electors in the area have reasonable facilities for voting as are practicable in the circumstances;
 - It must seek to ensure that, so far as is reasonable and practicable, every polling place is accessible to all electors.
- 5.2 A schedule of existing polling districts and polling places is set out in Appendix A.

6 Effect on corporate objectives

6.1 Quality Organisation:

- this review fulfils the Council's legal obligations under The Electoral Registration and Administration Act 2013
- the review ensures voter engagement is maximised in the democratic process by establishing polling stations that electors deem suitable and accessible.

7 Community impact

7.1 The Council undertook a formal consultation period from 10 October to 4 November 2016. A public notice of the holding of the review was placed in a local newspaper, displayed on the Council's website, Fenland@YourService shops/community hubs and business reception. In addition, the following specific consultations were undertaken with:

- all members of Fenland District Council
- the Returning Officer(s) for East Cambs District Council & Cambridgeshire County Council
- the Member of Parliament and the Members of European Parliament for the Eastern Region
- Members of Cambridgeshire County Council representing the Fenland area
- all the Clerks for Town / Parish Councils in Fenland area
- organisation which have particular expertise regarding access to premises or facilities for persons who have different forms of disability including Camsight, The Varrier-Jones Foundation, Age UK, Fenland Association for Community Transport Ltd, Fenland Area Community Enterprise Trust, Papworth Trust, Wisbech St Raphael Club, Cambridgeshire and Peterborough NHS Foundation Trust & East Cambs Access Group
- Candidates and Election Agents who acted at the 2015 District and 2013 County Council elections
- Polling places within the Fenland area.

7.2 In addition, polling station inspectors at the Police and Crime Commissioner Election and European Union Referendum held in 2016 were asked to provide feedback regarding each of the current polling places.

7.3 38 interested parties responded to the consultation and the comments and responses are reported at Appendix B.

7.4 Election officers have visited the potential new polling station venues and consider them to be suitable.

7.5 The Member Working Group met on 21 November 2016 and endorsed the changes that had been made as a result of the consultation. In addition, it was suggested that a slight revision be made between the boundaries of DF (Eastrea), DG (Pondersbridge) and DH (Turves) to move a few properties from DG and DH to DF to make it easier for those electors to attend a more accessible polling station. This revision has been made affecting seven properties.

7.6 The proposed changes to the current polling districts and polling places are detailed in Appendix C.

8 Conclusions

- 8.1 Council is asked to agree the recommended Polling Districts and Polling places outlined in the report, subject to members agreement details of the new polling districts and polling places must be made available to the public. Specified interested parties may make representations to the Electoral Commission to reconsider any polling districts and polling places.
- 8.2 The new electoral register containing revised arrangements for polling districts will be published on 17 February 2016. New polling districts and polling places will become effective at elections held after this date.
- 8.3 The next review is the compulsory review to be undertaken during 2018/2019. This review will also take into account the Boundary Commission for England proposals for the new Parliamentary Constituency boundaries to come into force in 2020.

Appendix A
SCHEDULE OF CURRENT POLLING DISTRICTS AND POLLING PLACES
FENLAND DISTRICT COUNCIL

COUNTY COUNCIL ELECTORAL DIVISION	POLLING DISTRICT LETTER	DISTRICT WARD	POLLING PLACE
CHATTERIS	AA1	Birch	Chatteris Library, Furrowfields Road Or any within the polling districts
	AB2	Slade Lode	Quaker Way Residents Community Room Or any within the polling districts
	AC1	The Mills	The Masonic Hall, Huntingdon Road Or any within the polling district
	AD1	Wenneye	Emmanuel Church Hall, East Park Street Or any within the polling district
	HA2	Manea	Manea Village Hall, School Lane Or any within the polling district
FORTY FOOT	AA2	Birch	Chatteris Library, Furrowfields Road Or any within the polling districts
	AB1	Slade Lode	Quaker Way Residents Community Room Or any within the polling districts

	PA	Parson Drove & Wisbech St Mary	Parson Drove Village Hall, Main Road Or any within the polling district
	PB		Wisbech St Mary Sports and Community Centre, Beechings Close Or any within the polling district
	PC		Murrow Village Hall, Murrow Bank Or any within the polling district
	PD		Guyhirn Village Hall, High Road Or any within the polling district
	PE		Thorney Toll Village Hall, Main Road Or any within the polling district

Consultation Comments and Responses

Consultee	Division/Ward	Comment	Response
Alderman Jacobs School	Whittlesey North Electoral Division/Bassenhally District and Town Ward	DA1 – Alderman Jacobs School Find the location unsuitable as hosting the polling station causes a disruption to the children’s learning and problems where to place them for the day. The school site is open to the general public throughout the day and the gates have to be unlocked posing a possible safeguarding concern. Provided funding is provided school can accommodate polling despite these concerns. If another site were available it would be preferable.	The comments are noted and it is acknowledged that the use of schools as polling station does constitute difficulties in terms of safeguarding issues. However, there is no other known suitable premises within DA1 and, therefore, it is recommended that Alderman Jacobs School remains the polling station for DA1.
Benwick Parish Council	Whittlesey South Electoral Division/Benwick, Coates and Eastrea District Ward/Benwick Parish Council	CA - Benwick Village Hall. Find location suitable, is easy to locate and access, and suitable for use as a polling station.	None required
Chapel Cottage	March North & Waldersey Electoral Division/Elm and Christchurch District Ward/Elm Parish Council	GC - Chapel Cottage. Find location suitable, is easy to locate and access, and is suitable for use as a polling station as has been used as a polling station for about 40 years with no problems. No public building in the village since the school and public house closed years ago.	None required
Chatteris Town Council	Chatteris Electoral Division/Birch, Slade Lode, The Mills and Weneeye District and Town Wards	The following venues are considered to be suitable to be used as polling stations: The Emmanuel Church, East Park Street The Masonic Hall, Huntingdon Road The Library, Furrowfields Road The Community Room at Quaker Way The King Edward Centre, King Edwards Road	All polling stations identified by the Town Council as suitable polling stations are being used in Chatteris, with the exception of The King Edward Centre, King Edward Road. This centre would be used as a polling station for AD if the current polling station was unavailable.

Consultee	Division/Ward	Comment	Response
		<p>The following venues (which have been used in the past) are not considered to be suitable: The Council Chambers, Church Lane All schools in the town (Glebelands, Kingsfield and Cromwell).</p>	
<p>Councillor Chris Boden</p>	<p>March South & Rural Electoral Division/March East District and Town Wards (to become Eastwood for March Town Council)</p>	<p>BA3A: May I ask that proposed polling district BA3A be renamed polling district BA5? Having electors with polling cards for the BA3 and the BA3A polling districts all going to vote at Cavalry Drive will be a cause of confusion for the political parties at that polling station, if not for voters and elections staff. We have no other polling district (with electors) in it there is a 4 digit identifier, so BA5 would be consistent with our numbering systems elsewhere and would significantly reduce confusion on polling day.</p>	<p>BA3A will be renamed BA4 so that the link with BA3 still remains and the current BA4 will be renamed BA5.</p>
		<p>On the subject of the identifying letters and numbers for polling districts, is it not time for us to be consistent in our use of numbers? The main parish or district council polling district identifier is given by two letters throughout the District. Where there is more than one polling district we use a numerical suffix to distinguish between the different polling districts. However, we also, anomalously and quite unnecessarily, give the polling districts for Chatteris, Manea, Wimblington, Stonald, Lattersey and the Wisbech Wards (other than Waterlees Village and Octavia Hill) the suffix 1 even though there is only one polling district in those areas. May I suggest renaming these polling districts to AA, AB, AC and AD in Chatteris; to HA in Manea; to KA in Wimblington; to DD and DB in Whittlesey and to EA, EC, ED, EE and EF in Wisbech?</p>	<p>The polling districts codes will be changed as suggested to remove the numerical suffix 1 where there is only one polling district in those areas.</p>

Consultee	Division/Ward	Comment	Response
	Whittlesey South Electoral Division/ Benwick, Coates and Eastrea District Ward/ Coates and Eastrea Town Ward	On the Appendix A map for Whittlesey South there appears to be an error in the boundary between polling districts DG and DH. Just in case it causes confusion may I ask that that be looked at, please, to check if any adjustment is needed?	No adjustment required. Whilst the area referred to does look like a separate area, it is part of Eastrea DF and has been highlighted as DF on the map. This is no change to the previous position. However, a slight revision has been made to the boundaries of DF, DG and DH to make it easier for those electors to attend a more accessible polling station.
	DC2- Whittlesey North Electoral Division/St Marys District and Town Ward (to become St Marys North for Whittlesey Town Council) DC3 -Whittlesey South Electoral Division/St Marys District and Town Ward (to become St Marys South for Whittlesey Town Council)	The proposal to nominate Whittlesey Library for polling districts DC2 and DC3 raises concerns about parking, for the less than fully abled and for those who live beyond easy walking distance in DC3. May I suggest that DC2 and DC3 continue to vote at St Andrews Church? If there is insufficient room for three polling stations at St Andrews Church, then may I suggest that the Library is only used for DC2 (since the Library is in DC2 and most people will be able to walk there) but that DC3 (from which many people will choose to use cars to drive to the polling station wherever it is located) continues to use St Andrews Church?	There is not sufficient room for three polling stations at St Andrews Parish Hall. Following consultation comments and a meeting of the Member Working Group, it is now recommended that DC1 and DC3 continue to use St Andrews Parish Hall, Parkinsons Lane as their polling station and DC2 will use Whittlesey Library as its polling station.
		I note there is no reference in the consultation document to polling district DA2C. I fully appreciate (having made the original request myself) why this polling district exists despite having no electors within it. It seems strange, however, that in the consultation document (and, presumably, in the final paper) no mention is made of DA2C.	Whilst DA2C exists in principle, it contains no residential properties or electors, which is why no reference has been made to it. This polling district was created merely so that Alderman Jacobs School does not lie within any of the Bassenhally polling districts containing properties and electors, which allowed Ivy Leaf Club to be used as a dual station for DA2 and DA3.
		I'm very pleased with the way that Octavia Hill Ward has been sensibly divided to improve access to polling stations in that ward. I'm also pleased that arrangements in Bassenhally Town Ward and in Staithe Ward remain unchanged, as any alternatives in either case would significantly impact on the convenience and willingness of many people who are entitled to vote.	Comments noted.

Consultee	Division/Ward	Comment	Response
Councillor David Mason	DC1 -Whittlesey North Electoral Division/St Andrews District and Town Ward DC3 -Whittlesey South Electoral Division/St Marys District and Town Ward (to become St Marys South for Whittlesey Town Council)	DC1/DC3 – St Andrews Hall. Find location suitable as central to district and wards, is easy to locate and access, and suitable for use as a polling station. St Andrews Hall can accommodate up to 80 persons, has a car park adjacent and toilet (including disabled) facilities. It is in a central position within the district. It is a permanent building that has improved its facilities of late and has plans for extension in the future.	None required.
Councillor Julie Windle	DC2 -Whittlesey North Electoral Division/St Marys District and Town Ward (to become St Marys North for Whittlesey Town Council) DC3 -Whittlesey South Electoral Division/St Marys District and Town Ward (to become St Marys South for Whittlesey Town Council)	As the sitting Town Councillor for St Mary's Ward on Whittlesey Town Council strongly requests that the following proposals are considered in the current Polling Station Review in Whittlesey: 1. The electors of the new St. Mary's North Town Council Ward should poll at Whittlesey Library, Market Street, Whittlesey. (This Polling Station would be within the new Town Council Ward) 2. The electors of the new St. Mary's South Town Council Ward should poll at St. Andrew's Parish Hall, Parkinson Lane, Whittlesey, along with all the electors of St. Andrew's Town Council Ward. (This constitutes no change as the electors in these two Town Council Wards already vote at this Polling Station).	There is not sufficient room for three polling stations at St Andrews Parish Hall. Following consultation comments and a meeting of the Member Working Group, it is now recommended that DC1 and DC3 continue to use St Andrews Parish Hall, Parkinsons Lane as their polling station and DC2 will use Whittlesey Library as its polling station.
Councillor Kit Owen	March South & Rural Electoral Division/March West District and Town Ward (to become South Ward for March Town Council)	BC2 - Burrowmoor School/Cricket Club. Finds location suitable, easy to locate, park and access. Burrowmoor School has been suitable for many years and meets the required needs. If you have to go to the Cricket Club, it is less central to the ward but again meets all the needs for voting on the day.	Burrowmoor School no longer wishes us to use it and as there is a suitable alternative within the area, March Cricket Club, it is recommended that this venue be used for the new BC2.

Consultee	Division/Ward	Comment	Response
Councillor Maureen Davis	March South & Rural Electoral Division/ Doddington and Wimblington District Ward/Wimblington Parish Council	KA – Wimblington Village Hall. Find location suitable as has parking and wheelchair access, is in centre of village and does not involve closing the local school, and is suitable for use as a polling station.	None required
Councillor Michael Humphrey	Roman Bank & Peckover Electoral Division/Roman Bank District Ward/ Gorefield Parish Council	RA1 – Gorefield Community Centre. Find location suitable as good access, parking and location, it is easy to locate, and suitable for use as a polling station. The present polling station meets all the criteria with the exception of location. The hall is on the edge of the village built area, but midway and near the main road. It has good vehicle and pedestrian access.	None required
Councillor Peter Murphy	Chatteris Electoral Division/Slade Lode District and Town Wards	AB – Quaker Way. Find location suitable as just around the corner, is easy to locate and access, and suitable for use as a polling station.	None required
Councillor Sam Hoy	Wisbech East Electoral Division EC – Kirkgate District and Town Wards EF – Staithe District and Town Wards	Supports leaving EF at Meadowgate School and EC at Walsoken Village Hall.	
	Wisbech East Electoral Division/Octavia Hill District and Town Wards	Thinks it would be easier to combine EB1 and EB2 into one polling station of the College of West Anglia since the locations are right next to each other, but if this is not possible then supports having one at Awdry House and one at COWA.	It is not possible to combine the polling station for EB1 and EB2 as there is not a room that would accommodate a dual station at either Awdry House or the College of West Anglia. Suitable rooms have been identified at both Awdry House and the College of West Anglia to act as individual polling stations for EB1 and EB2 and the wards have been re-drawn to enable these polling stations to lie within the relevant polling districts.

Consultee	Division/Ward	Comment	Response
Councillor Steve Count	March North & Waldersey Electoral Division/March North District and Town Wards	<p>BB2</p> <p>In response to the consultation I wish to point out that Marwick Road is unsuitable. It is not visible nor known to the vast majority of the public. Its out of the way destination means it is only really accessible to the most determined of individuals unless they have a car. Last but by no means least the individuals being cared for in the immediate vicinity should not have their day to day lives disrupted by a significant change in the number of people coming or going.</p> <p>The Chinese on Norwood Road has held polling in the past and appears completely acceptable. Failing that St. Johns on Station Road is more than acceptable, the lack of adequate parking is more than offset by the ease of access for pedestrians. Additionally I have been there on polling days and never noticed the parking to be an issue.</p>	The Marwick Centre has also indicated that the venue is unsuitable for a polling station due to the difficult pedestrian access to it. The Chinese on Norwood Road has been sold and it is unknown what the intentions are for this premises, whilst it has been used as a polling station in the past issues were encountered with its use. It is recommended that St Johns Church Hall remains as the polling station for BB2.
Doddington Parish Council	Whittlesey South Electoral Division/ Doddington and Wimblington District Ward/ Doddington Parish Council	<p>FA – Doddington Village Hall.</p> <p>Find location suitable as regularly used as a polling station, is easy to locate and access, and suitable for use as a polling station.</p>	None required
Doddington Village Hall	Whittlesey South Electoral Division/ Doddington and Wimblington District Ward/ Doddington Parish Council	<p>FA – Doddington Village Hall.</p> <p>Find location suitable as used as a polling station, is easy to locate and access, and suitable for use as a polling station.</p>	None required
Frederick Gerstner	Whittlesey North Electoral Division/St Andrews District and Town Wards	<p>St Andrews Hall.</p> <p>Find location suitable as it is historically known place, it is easy to locate and access, and suitable for use as polling station. An alternative polling station could be Salvation Army, Church Street, Whittlesey.</p>	It is recommended that DC2 uses Whittlesey Library as its polling station and DC1 and the new DC3 continue to use St Andrews Parish Hall, Parkinsons Lane.

Consultee	Division/Ward	Comment	Response
Guyhirn Village Hall	March North and Waldersey Electoral Division GD – Elm and Christchurch District Ward/Elm Parish Council PD – Parson Drove and Wisbech St Mary District Ward/Wisbech St Mary Parish Council (to become Wisbech St Mary Ward of Wisbech St Mary Parish)	GD & PD – Guyhirn Village Hall. Find location suitable as central, is easy to locate and access, and suitable for use as a polling station. It has been agreed that this hall be sold – no further information at this time as trustees currently seeking legal advice.	Comments noted. Contact has been made with the Oliver Twist as a potential alternative polling station should the village hall close. It has indicated that it would be available and investigations will be made into its suitability.
Leverington Parish Council	Roman Bank & Peckover Electoral Division/Roman Bank District Ward/ Leverington Parish Council	RB1 and RB2 – Leverington Village Hall and Leverington Sports and Social Club. Find locations suitable, are easy to locate and access, and suitable for use as polling stations. Premises are big enough, central, long term and accessible.	None required
Leverington Sports and Social Club	Roman Bank & Peckover Electoral Division/Roman Bank District Ward/ Leverington Parish Council	RB2 – Leverington Sports and Social Club. Happy with the use of the premises as a polling station and feels that it has all suitable amenities for this use.	None required
Leverington Village Hall	Roman Bank & Peckover Electoral Division/Roman Bank District Ward/ Leverington Parish Council	RB1 – Leverington Village Hall. Find location suitable, is easy to locate and access, and suitable for use as a polling station. Leverington Sports and Social Club is also used as well as the village hall.	None required
Lisa Moore	March North & Waldersey Electoral Division/March East District and Town Wards	BA1 - Roman Catholic Church Hall. Find location suitable as local, is easy to locate and access and is suitable for use as polling station.	None required

Consultee	Division/Ward	Comment	Response
Manea Village Hall	March South & Rural Electoral Division/Manea District and Parish Wards	HA1 – Manea Village Hall. Find location suitable as has been used in past, is easy to locate and access, and suitable for use as a polling place. There have been no problems in the past, is accessible to disabled and central to the village.	None required
March & District Childrens Centre	BA3 - March North & Waldersey Electoral Division/March East District and Town Wards BA4 – March South & Rural Electoral Division/ March East District and Town Wards (to become March Eastwood Ward of March Town Council)	BA3 – March and District Childrens Centre. Find location suitable as clean and accessible, is easy to locate, and suitable for use as a polling station.	None required
March Town Cricket Club	March South & Rural Electoral Division/March West District and Town Wards (to become March South Ward of March Town Council)	BC2 – March Town Cricket Club. Find location suitable as close to town and houses, is easy to locate as sign posted at top of drive, it suitable for use as a polling station and easily accessible.	None required
Murrow Village Hall	Roman Bank & Peckover Electoral Division/Parson Drove & Wisbech St Mary District Ward/Wisbech St Mary Parish Council (to become Murrow Ward of Wisbech St Mary Parish)	PC – Murrow Village Hall. Find location suitable as available without disruption to the local area, is easy to locate and access, and suitable for use as a polling station. Murrow School is the nearest available facility should the village hall be forced to close due to lack of use/income.	None required. Should the village hall close then an alternative premises would need to be sought.
Newton Parish Council	Roman Bank & Peckover Electoral Division/Roman Bank District Ward/ Newton Parish Council	RC – Newton Village Hall. Find location suitable as within village centre, is easy to locate and access, and suitable for use as a polling station.	None required

Consultee	Division/Ward	Comment	Response
North East Cambridgeshire Conservative Association	Wisbech East Electoral Division/Staithe District and Town Wards	<p>In most of the District no changes are proposed, and where changes are proposed the reason is the division of existing polling districts by the new County division boundaries. We are therefore happy to support the majority of the proposed changes but would ask that the following matters be considered before a final version of the plan is put before Full Council for their consideration:</p> <ol style="list-style-type: none"> <li data-bbox="801 437 1456 751">1. In polling district EF1 it would dramatically reduce the convenience of most electors if the polling station were to be located outside the polling district. Within the polling district only Meadowgate School and its associated buildings have the potential to host a polling station, so it is important that Meadowgate School continues to be the polling place for that polling district. 	It is recommended that the Meadowgate School continues to be the polling station for EF
	March South & Rural Electoral Division/March East District and Town Wards (to become March Eastwood Ward for March Town Council)	<ol style="list-style-type: none"> <li data-bbox="801 794 1456 1070">2. Within March Town may we suggest that proposed polling district BA3A be renamed (possibly to polling district BA5?) as it will cause significant confusion for party workers from all parties who will be seeking at the polling station to differentiate between electors whose electoral numbers start with BA3A and with BA3. 	BA3A will be renamed BA4 so that the link with BA3 still remains and the current BA4 will be renamed BA5.
	<p>DC1 – Whittlesey North Electoral Division/St Andrews District and Town Wards</p> <p>DC2 – Whittlesey South Electoral Division/St Marys District and Town Wards (to become St Marys South Ward for Whittlesey Town Council)</p>	<ol style="list-style-type: none"> <li data-bbox="801 1117 1456 1490">3. Within Whittlesey we appreciate that St Andrews Parish Hall may be unable to host three polling stations, so we welcome the identification of the Library as an additional polling place within St Andrews District Council ward. However, in accordance with Electoral Commission guidance, we would suggest that the new polling place is used for St Marys North town ward, wherein it is located. St Marys South and St Andrews town ward electors should continue as at 	There is not sufficient room for three polling stations at St Andrews Parish Hall. Following consultation comments and a meeting of the Member Working Group, it is now recommended that DC1 and DC3 continue to use St Andrews Parish Hall, Parkinsons Lane as their polling station and DC2 will use Whittlesey Library as its polling station.

Consultee	Division/Ward	Comment	Response
	DC3 – Whittlesey North Electoral Division/St Marys District and Town Wards (to become St Marys North Ward of Whittlesey Town Council)	<p>present to use St Andrews Parish Hall. For electors in St Marys North town ward the library would provide a more convenient polling place, easily accessible by foot, thus avoiding the parking problems outside the Library. For the remainder of St Andrews district ward there would be no change, and parking at St Andrews Parish Hall is adequate to service the need there. If DC3 were to vote at the Library as well as DC2, there would be serious parking problems at the Library which would be a disincentive to voting.</p> <p>In all other respects we are pleased to support the proposed revision to polling districts and polling places.</p>	
Parson Drove Village Hall	Roman Bank & Peckover Electoral Division/Parson Drove & Wisbech St Mary District Ward/Parson Drove Parish Council	PA – Parson Drove Village Hall. Find location suitable as central, is easy to locate and access, and suitable for use as a polling station.	None required
Robert Hall Centre	Wisbech West Electoral Division/Clarkson District and Town Wards	EA – Robert Hall Centre. Find location suitable as has all required facilities, is easy to locate and access, and is suitable for use as a polling station. The building is a perfect venue, it complies with the DDA, has cooking facilities etc. There is secure parking for the polling officers. See no need to change this venue.	None required
St John Ambulance	Whittlesey North Electoral Division/Stonald District and Town Wards	DD – St John Ambulance. Find location suitable as has been used as a polling station for several years, is easy to locate and access.	None required

Consultee	Division/Ward	Comment	Response
St Marys Parish Hall	Whittlesey South Electoral Division BB4 – March North District and Town Wards (to become March Rural North Ward for March Town Council) BC4 – March West District and Town Wards (to become March Rural South Ward for March Town Council)	BB4 & BC4 – St Marys Parish Hall. Find location suitable, is easy to locate and access, and is suitable for use as a polling station. This will be a new venue.	None required
The Eastrea Centre	Whittlesey South Electoral Division/ Benwick, Coates & Eastrea District Ward/ Coates and Eastrea Town Ward	DF – The Eastrea Centre. Find location suitable, is easy to locate and access, and suitable for use as a polling station.	None required
Thorney Toll Village Hall	March North & Waldersey Electoral Division/Parson Drove & Wisbech St Mary District Ward/Wisbech St Mary Parish Council (to become Wisbech St Mary Ward of Wisbech St Mary Parish)	PE – Thorney Toll Village Hall. Find location suitable as it is in middle of the polling area, is easy to locate and access, and suitable for use as a polling station. This building is the only one in the area that is suitable, it has easy access and there are suitable disabled facilities.	None required
Tydd St Giles Community Centre	Roman Bank & Peckover Electoral Division/Roman Bank District Ward/Tydd St Giles Parish Council	RD – Tydd St Giles Community Centre. Find location suitable, is easy to locate and access, and suitable for use as a polling station.	None required
Walsoken Village Hall	Wisbech East Electoral Division/Kirkgate District and Town Ward	EC1 – Walsoken Village Hall. Find location suitable as has been a polling station for many years without problems, is easy to locate and access.	None required

Consultee	Division/Ward	Comment	Response
Westwood Primary School	March North & Waldersey Electoral Division/March North District and Town Wards	BB3 – Westwood Primary School. Find location unsuitable due to safeguarding considerations opening the school to public puts children at risk. Gates need to remain locked at all times, office staff need to let public in and at times office unmanned. Access to school kitchen is through the hall which is polling station.	Comments are noted and it is the intention that the Westwood will not be used as a polling station in the future. It is recommended that the polling station for BB3 will be GER Sports and Social Club, with the March Town Football Clubhouse as an alternative.
Wimblington Parish Council	March South & Rural Electoral Division/ Doddington & Wimblington District Ward/Wimblington Parish Council	KA – Wimblington Village Hall. Find location suitable as central in the village, has good parking and accessible by all. It is easy to locate and access, and suitable for use as a polling station. Whilst an alternative venue is not necessary, the local school – The Thomas Eaton – could be an alternative, but this would probably mean disruption for teachers and pupils alike.	None required
Wisbech Rugby Club	Roman Bank & Peckover Electoral Division/ Peckover District and Town Wards	EE – Wisbech Rugby Club. The club offers its facilities for hire and have a weekly booking from Slimming World on Thursday from 9am-1.30pm. The club does not allow for the Slimming World activity and a polling station to happen at the same time.	None required
