1 Background / introduction

- 1.1 In accordance with the Cambridgeshire and Peterborough Combined Authority Order 2017, each Constituent Council must appoint one of its elected members and a substitute member to the Combined Authority. Each Council made these appointments at its respective Council meeting in November 2016 for the 2016/17 municipal year. The Council is now asked to appoint a member and substitute member for the municipal year 2017/18.

2 Non-Executive Committees

- 2.1 The Combined Authorities (Overview and Scrutiny Committees, Access to Information and Audit Committees) Order 2016 requires the Combined Authority to establish an Overview and Scrutiny Committee and an Audit Committee. The Order sets out the rules for membership. The membership of the Overview and Scrutiny and the Audit Committees as a whole should reflect so far as reasonably practicable the balance of political parties of the constituent councils when taken together. The balance is based on membership of political parties, not political groups, on constituent councils across Cambridgeshire and Peterborough.
- 2.2 On 4 May 2017, there were local elections for the County Council, a number of by-elections in other councils, and some independent groups have formed political parties. The Combined Authority has reviewed the political balance on constituent councils and has requested constituent councils to make the following appointments to these committees.

3 Overview & Scrutiny Committee

- 3.1 The Combined Authority agreed that to ensure an equitable representation across each constituent authority, two members from each council should be appointed to the Overview and Scrutiny Committee representing a total membership of fourteen members. In February 2017, the Council nominated two members to the Committee for the remainder of the municipal year 2016/17.
- 3.2 The implications of applying political proportionality to a fourteen member Overview and Scrutiny Committee are detailed in Appendix 1.
- 3.3 The Council is required to nominate two members (from the Conservative party) to the Overview and Scrutiny Committee for the municipal year 2017/18 based on the political balance set out in Appendix 1.

4 Audit & Governance Committee

- 4.1 The Combined Authority agreed to establish an Audit and Governance Committee consisting of seven constituent members: one member from each constituent council.
- 4.2 The implications of applying political proportionality to a seven member Audit and Governance Committee are detailed in Appendix 2. The Council is required to nominate one member from the Conservative party to sit on the Audit and Governance Committee for the municipal year 2017/18 based on the political balance set out in Appendix 2.

5 Substitute Members

- 5.1 The Combined Authority has agreed that substitute members should be appointed for each position on the Audit and Governance Committee and the Overview and Scrutiny Committee. Any substitute members should come from the same party as the Member they are substituting for to maintain political balance.
- 5.2 For the Overview and Scrutiny Committee, if constituent councils have appointed members from the same political parties, ie East Cambs and Fenland, those Councils

might only wish to appoint one substitute rather than two. The quorum set down in legislation is two thirds of the total membership. Therefore, it is preferable to appoint two members in case both members are absent from a meeting and need to substitute.

6 Conclusion

- 6.1 All appointments and nominations made by constituent councils will be reported to the Combined Authority's annual meeting on 31 May.
- 6.2 The political balance calculations in the Appendices are based on up to date statistics given by constituent councils and take account of the outcome of Cambridgeshire County Council and any by elections of other councils. However, there may be last minute changes in the lead up to constituent councils' annual meetings and Combined Authority's annual meeting on 31 May.
- 6.3 If there are consequential changes to the overall political balance, the Combined Authority may need to review the membership and the allocation of seats to political parties on the above committees. The Monitoring Officer will advise constituent councils if any subsequent changes have been necessary, and whether any changes need to be made to their nominations.
- 6.4 If there is no provision in constituent council's standing orders, the Council may wish to consider giving delegated powers for the Chief Executive to approve any consequential changes to these appointments in consultation with the relevant Party Group leaders.

7 Financial Implications/Equality Impact Assessment

- 7.1 In accordance with the Cambridgeshire and Peterborough Combined Authority Order 2017, no remuneration is to be payable by the Combined Authority to its members.

8 Legal Implications

- 8.1 These are set out in the report. The Combined Authorities (Overview and Scrutiny Committees, Access to Information and Audit Committees) Order 2016 requires a combined authority to ensure that the members of the committee taken as a whole reflect so far as reasonably practicable the balance of political parties for the time being prevailing among members of the constituent councils when taken together.
