

Agenda Item No:	4	
Committee:	Licensing Committee	
Date:	14 October 2014	
Report Title:	Street Trading Policy - Response From Town & Parish Councils	

## 1 Purpose / Summary

- To present the Licensing Committee with the responses from Town and Parish Councils on the draft street trading policy and the streets identified within their boundary areas. .

## 2 Key issues

- Response from 4 Town and Parish Councils for the initial consultation on identified streets/roads.
- Adoption of Schedule 4, Local Government (Miscellaneous Provisions) Act 1982 still to be addressed.
- Decision required for the consultation period and dates for a draft Street Trading Policy and public consultation.
- Committee members to discuss and agree designated street areas across the district.

## 3 Recommendations

- The Committee is recommended to:
  - Review the responses from the Town and Parish Councils.
  - Adopt Schedule 4 of the Local Government (Miscellaneous Provisions) Act 1982 which governs Street Trading.
  - Agree the draft street trading policy for public consultation
  - Confirm the streets/roads to be designated across the district; and
  - Determine the length of public consultation and agree start and finish dates of the consultation period.

<b>Background Paper(s)</b>	None

## **4 Background / introduction**

- 4.1 Local Authorities may regulate street trading in their area when they have adopted Schedule 4 of the Local Government (Miscellaneous Provisions) Act 1982. A Local Authority may then exercise their discretion by applying controls across the whole of their administrative boundary or just parts of it.
- 4.2 The draft Street Trading Policy is intended to create a street trading environment which is sensitive to the needs of residents, provides diversity and consumer choice, and seeks to enhance the character, ambience and safety of the environment.
- 4.3 The draft policy is intended to provide a framework for the Council's approach to the licensing of street trading throughout the district.
- 4.4 The policy aims to regulate the location and number of street traders, with a view to prevent obstruction of the public highway by regulating Street Trading activities.
- 4.5 Street trading is defined as the selling, exposing or offering for sale of any article in the street. This includes food items, vehicles or other things such as household items.
- 4.6 Named streets within the district may be designated as 'Consent Streets'. This means that any person who wishes to sell items in a street must first obtain a Street Trading Consent from the Council. To trade without consent would be a criminal offence.
- 4.7 The policy includes legally exempt activities however it also takes into consideration activities that are non-commercial, community and charitable events.

## **5 Town and Parish Council Responses**

- 5.1 March Town Council have responded to the consultation. Appendix A1 is a copy of the response comment. Appendix A2 shows the relevant area mapped with a list of the named roads/streets.
- 5.2 Parson Drove Parish Council have responded to the consultation. Appendix B1 is a copy of the response comment. Appendix B2 shows the relevant area mapped with a list of the named roads/streets.
- 5.3 Wisbech Town Council have responded to the consultation. Appendix C1 is a copy of the response comment. Appendix C2 shows the relevant area mapped with a list of the named roads/streets.
- 5.4 Chatteris Town Council have responded to the consultation. Appendix D1 is a copy of the response comment. Appendix D2 shows the relevant area mapped with a list of the named roads/streets.

## **6 Considerations**

- 6.1 In accordance with best practice, the council will consult for a set period of time to ensure that all interested parties have the opportunity to engage with and respond to the draft policy. The consultation papers will be posted on the council website. Comments will be sought from:
  - Cambridgeshire Constabulary
  - Cambridge Fire and Rescue Service
  - Cambridgeshire County Council Highways
  - Cambridgeshire County Council Trading Standards
  - Parish and Town Councils

- Current street traders
- Local business organisations
- 

6.2 In addition the council's regulatory and enforcement services will be consulted and will include:

- Planning
- Environmental Health
- Economic Development
- Leisure and Open Spaces

6.3 After the consultation period, officers will report all comments received back to a further meeting of the Licensing Committee, for a recommendation to the Council on a final policy.

6.4 The policy has been drafted to reflect current legislative requirements. All applications for consents under the Local Government (Miscellaneous Provisions) Act 1982, Schedule 4, would have to be made and determined in accordance with the council's Street Trading Policy.

6.5 Failure to reflect the requirements of the Local Government (Miscellaneous Provisions) Act 1982, Schedule 4, in a policy for street trading could result in the council not complying with the legislation. Having a clear policy helps to ensure that decisions comply with the legislation and are made fairly and consistently.

## **7 Conclusions**

7.1 The committee is recommended to:

- Review the responses from the Town and Parish Councils.
- Adopt Schedule 4 of the Local Government (Miscellaneous Provisions) Act 1982 which governs Street Trading.
- Agree the draft street trading policy for public consultation
- Confirm the streets/roads to be designated across the district; and
- Determine the length of public consultation and agree start and finish dates of the consultation period.

**To:** Jane Webb  
**Subject:** RE: Street Trading Policy consultation - Town & Parish Councils

Dear Jane,

At last night's March Town Council Meeting, the following response was agreed:

The FDC Draft Street Trading Policy should cover any main street or road within the town's 30mph curtilage.

It was also agreed that any Councillor who wished to respond as an individual should be allowed so to do.

Kind regards,

Clive Lemmon.

Town Clerk.

Town and Parish Councils

I have been asked to forward the attached to yourselves by our Licensing Team due to the licensing committee's decision to consult town and parish councils on designated streets for the street trading policy, please see the attached letter and draft policy.

I have been informed that you all have until the 5 September 2014 to respond.

Kind regards

*Jane Webb*

23<sup>rd</sup> August 2014

Dear Ms Winterton

## Re Fenland Street Trading Policy Consultation - Designated Streets.

Thank you for your letter dated 4<sup>th</sup> July regarding the public consultation on the proposed Street Trading Policy.

The Parish Council wish to make the following comments and requests:

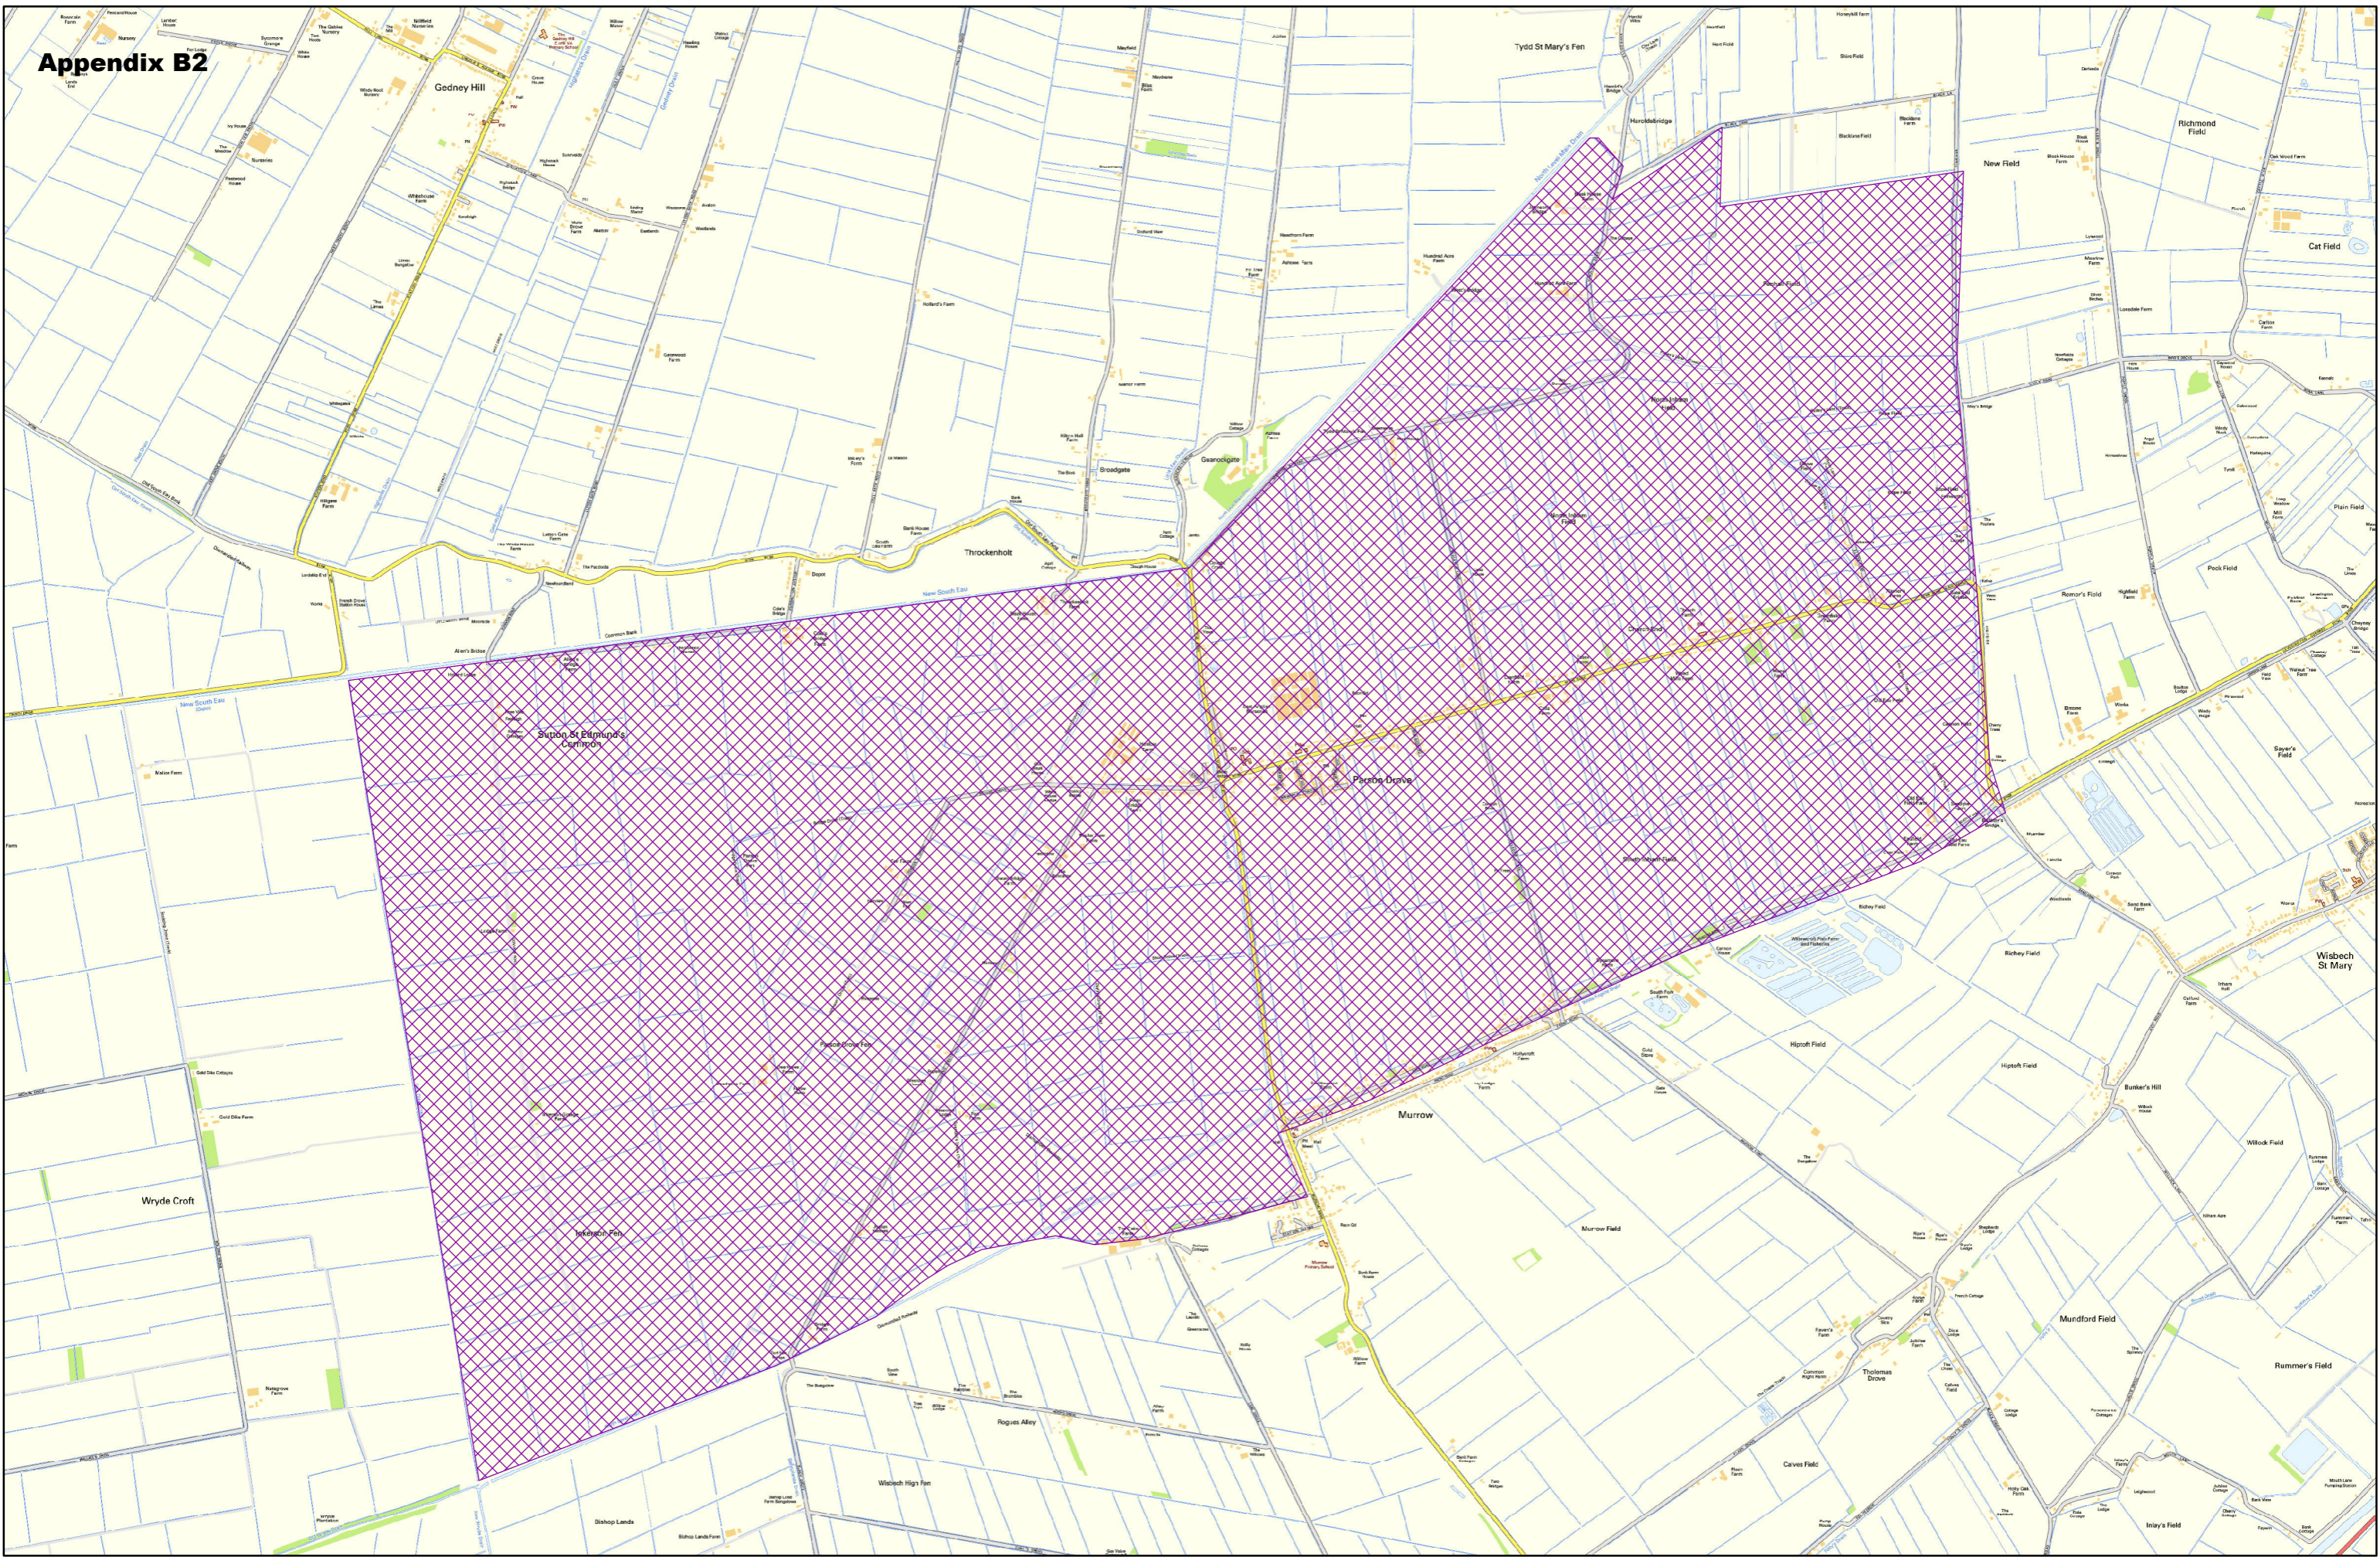

1. We would like all of the roads/streets in our Parish to be included in the Policy.
2. We wish to have people selling their own excess produce excluded from the Policy.
3. We consider that a motorised ice-cream van that keeps moving from street to street should be required to obtain consent under the Fenland District Council Street Trading Policy. The reason for this request is that we receive several complaints about ice-cream vans trading late at night which is a nuisance. If ice-cream vans had to obtain consent to trade from the District Council then a time restriction could be included in the permission granted to overcome this problem.

Yours sincerely

  
Mrs Yvonne Reader,  
Council Clerk

Hi Kim.

Hope you are well.

This policy was considered at the last meeting of Wisbech Town Council; set out below is a copy of the resultant minute.

Regards.

Terry Jordan  
Clerk to Wisbech Town Council

### **59/14 Street Trading Consent Policy**

Members considered a draft version a Street Trading Consent Policy, which has been prepared by Fenland District Council with the aim of addressing problems with issues such as the sale of vehicles from the side of the road to food retailing from a van parked on a much loved monument with a noisy generator leaking oil. The regulatory partners have found it difficult to address those problems to the satisfaction of the community through the use of existing enforcement options available.

The view of Fenland District Council is that there is a need for a common set of rules to apply to street trading and the draft policy for street trading describes what is expected in terms of responsible management, the disposal of waste, not obstructing the highway etc. In this way, a street trading policy does no more than ensure that traders operate within the same general constraints that apply to other businesses, requiring that they comply with the law of the land and meet the same minimum standards that any responsible business should observe. The policy aims to give clarity and transparency to traders in explaining how the rules would be applied.

As part its consultation process, Fenland District Council (FDC) has decided that Town and Parish Councils in the district be consulted on which streets they feel should be designated within their town and parish as part of the Street Trading Policy before FDC makes a decision on 'Designated Streets' for the policy document, prior to the formal twelve weeks public consultation period.

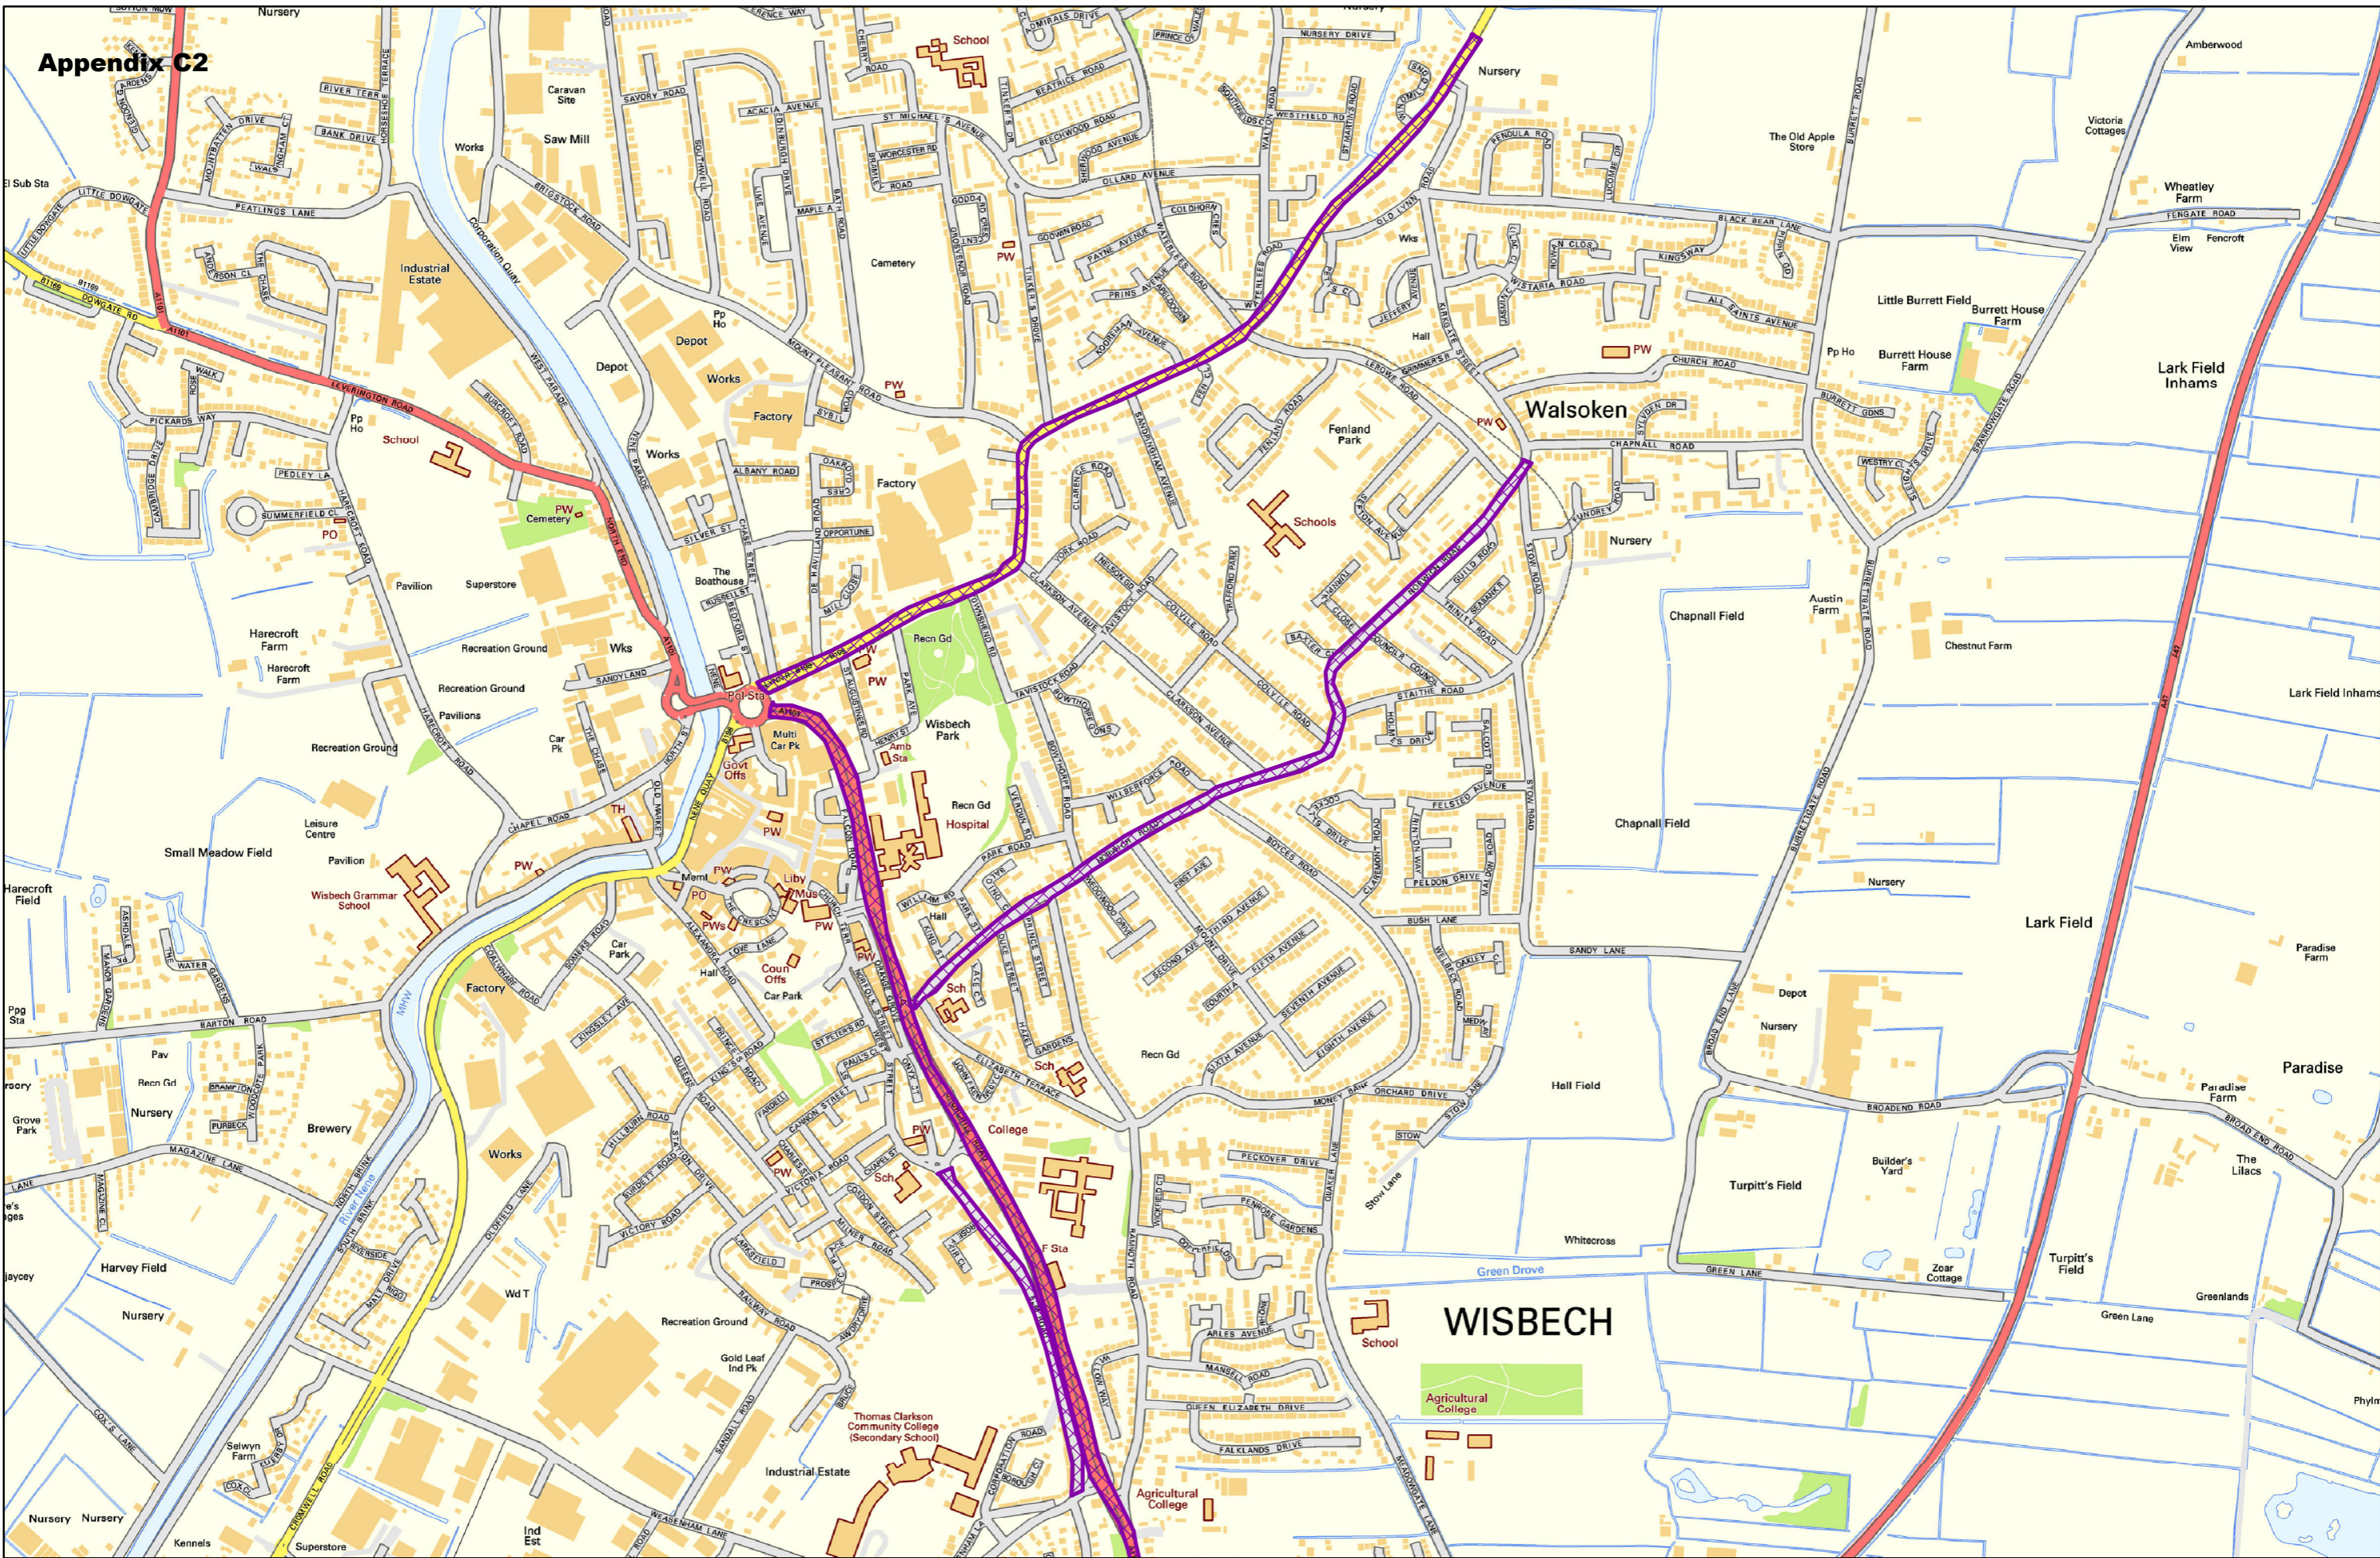

Town and Parish Councils are being asked by Fenland District Council if they consider there to be roads/streets in their parish areas that would add value to the policy and to submit those details to FDC by 5 September 2014.

Some members expressed the opinion that the policy is not well written, there appear to be some areas of contradiction across various sections and the approach suggested by the policy in terms of addressing the issue of street trading across Fenland, which Wisbech Town Council considers to be no more than a small number of incidents of car sales from the public highway; is one of a "using a sledgehammer to crack a nut".

Members decided to inform Fenland District Council that Wisbech Town Council notes the content of the draft policy and

- suggests that Fenland District Council should consider whether such a policy is actually needed;

- Appendix C1** Forward District Council to check the accuracy the wording of the section of the policy which mentions selling of items within 10 metres of a highway, as well as reviewing the content of the document to ensure that none of the sections are contradictory;
- considers that the Designated Streets under the Street Trading Consent Policy in Wisbech – in the event of the policy being introduced - should be: Lynn Road; the grassed area of highway verge which runs alongside Churchill Road and Elm Road; Norwich Road.

**Kim Winterton**

---

**From:** Joanna Melton/Ivan Cooper <chatteriscouncil@btconnect.com>  
**Sent:** 04 September 2014 10:25  
**To:** Kim Winterton  
**Subject:** Fenland Street Trading Policy Consultation

Dear Ms Winterton

As requested I raised this matter with Chatteris Town Council and gave Councillors time to decide upon their answer as to which streets they felt should be designated in Chatteris.

At Tuesday's meeting Councillors agreed that "all streets in Chatteris with a recognised retail use" should be designated.

Regards  
Joanna Melton  
Town Clerk
