

Agenda Item No:	6	
Committee:	Overview & Scrutiny Panel	
Date:	20 February 2017	
Report Title:	Overview – Community Safety Partnership (CSP)	

Cover sheet:

1 Purpose / Summary

To give an overview to the Panel with regard to the process with which the Community Safety Partnership prioritises its activities.

2 Key issues

- The Community Safety Partnership is an alliance of organisations which generate strategies and policies, implement actions and interventions concerning crime and disorder within their partnership area
- The work receives a funding contribution from the Police and Crime Commissioner
- The partnership receives evidence on a range of topics (called a strategic assessment) from which priority actions are agreed and performance managed.
- A presentation will give an overview around the process the CSP follows, the evidence that led to the actions that are being progressed on a rolling action plan (attached) and pose some questions to the panel to capture their feedback which will be reported back to the CSP for consideration at the April 2017 meeting.

3 Recommendations

- Members are asked to note the process that the CSP operates
- Members are asked to provide an overview of the CSP direction of travel for the CSP to consider at the April 2017 meeting.

Fenland Community Safety Partnership
Partnership rolling delivery plan
Updated February 2017

Strategic Themes

Priority – Supporting children & young people

Priority – Domestic Abuse & Healthy Relationships

Priority – Exploitation

Priority – Empower residents to deliver safer communities

Priority – Partnership projects to address local crime & disorder issues

The Community Safety Partnership plan – Is developed to identify and tackle behaviours, locations and trends which have a detrimental effect on the quality of life for Fenland residents the plan is designed to react to new emerging issues and address long term problems

Identification – Development of profiles which identifies areas of concerns for the partnership to focus on and develop relevant actions to reduce threat, risk or harm

Partnership delivery will continue whilst these profiles are being developed allowing the profiles to identify gaps and steer the partnership in relation to further prevention, awareness and training.

Training – Identify relevant training for front line staff to improve identification, referral and improve reactions time to highlighted community issues

Awareness & Prevention – Development and delivery of community projects to improve self awareness of risk taking behaviours or improve community reaction to identified local issues

Intervention – Projects developed and delivered in partnership to reduce identified community issues or reduce risk taking behaviours

ACTION PLAN PERFORMANCE
Key

	Progressing well and on target: minimum risk of failure
	Requires intervention to ensure target is met: small-medium risk
	Needs urgent intervention to ensure project progresses: medium-high risk

Supporting children & young people						Theme Lead	Jon Butler
Priority	Action	Outcome	Target	Milestone	Lead Officer	Progress narrative / Risk	RAG

Priority	Action	Outcome	Target	Milestone	Lead Officer	Progress narrative / Risk	RAG
Empower residents to deliver safer communities AWARENESS & PREVENTION – Key messages for the community as identified in problem profiles or prevent identified issues	Develop and deliver a Cyber Crime project to targeted age groups highlighted in the profile	Key messages delivered using relevant tools to key community groups	Awareness Project delivered Yes	May 2016	Rob Mitchell Sophie Wilkinson P&CC Outreach	<ul style="list-style-type: none"> Awareness sessions delivered in rural locations and market towns Support from Police, CCC Community protection & Neighbourhood watch Visits to senior citizens groups Police cadets supporting CSP projects and engagement events 	
Empower residents to deliver safer communities AWARENESS & PREVENTION – Key messages for the community as identified in problem profiles or prevent identified issues	Improve awareness & reporting of rouge trading	Key messages delivered using relevant tools to identified community groups and residents	Increase in reporting in Fenland Yes	Nov 2015	Elaine Matthews	<p>Raising awareness in the community, activities include visiting residents in Wimblington, Doddington and March with Sophie from the CSP. Attendance at Golden Age Fairs in Eastrea, Walsoken & Wisbech St Mary. We are working with Neighbourhood Watch across Cambridgeshire and gave a talk to March NHW in July, as well as working with two Age UK Day centres in Wisbech with more to follow later in the year in Chatteris.</p> <p>An existing 'No Cold Callers' Zone in March has now been handed over to a local volunteer community coordinator to run, who is able to reinvigorate their NCCzone, remind residents of the need to avoid buying from cold callers, issue new door stickers and updated leaflets and most importantly to be on hand locally to discuss any concerns from residents. Discussions are underway to similarly hand over other NCCZ's to local coordinators in Leverington, Chatteris, Wisbech and March.</p> <p>We have worked with a community volunteer in Whittlesey to set up their own 'Good Neighbours stop Rogue Traders' scheme as a locally preferred and very effective approach to preventing Rogue Traders in their area.</p> <p>We have delivered training on how to spot and stop Scams and Rogue Traders to the Wisbech Police Cadets so that they can advise the most vulnerable residents, and their neighbours, in those areas. Library staff across Fenland are being trained to give advice to residents and stocks of available resources are in libraries including 'Don't Buy at the Door' door stickers, leaflets, Scam/Rogue Trader Aware bookmarks, cheque book stickers to warn of Rogue Traders, 'easy read' leaflets on reducing unwanted telephone calls.</p> <p>We have worked with a former scam victim in March, who has now taken on the role of 'Mail Marshall' where they monitor all the incoming scam mail, make a note of the sender contact details and type of scam, then send that off to the National Scams Team who carry out large scale investigations. This is a highly valuable contribution to large scale fraud and gives the former victim a positive role in tackling this type of crime.</p> <p>As part of Scams Awareness month we included Rogue Trader prevention advice and distributed posters and leaflets to all Fenland libraries and a large number of Fenland community and care workers and their partners including Dementia Friends.</p>	
Partnership projects to address local crime & disorder issues Ghost Passage community and environmental impact concerns	Implement a CCTV solution to cover the area of Ghost Passage to support enforcement partners to identify and take action against observed perpetrators.	Reduction in alcohol related incidents, including street littering, defecation and urination. Increased use by local community as a walk through within the area.	CCTV installed Yes Community Action Area delivered Yes Improved environment Yes	June 16 – CCTV survey and bid application August 16 – CCTV installation	Aarron Locks Wisbech Alcohol Group	<p>CCTV installation completed 5th October 2016</p> <p>24/7 monitoring of location commenced with live reporting to Police and other partners on identified concerns and ASB</p> <p>Wisbech Alcohol Partnership awaiting profile data from interventions by front line officers to establish health and lifestyle needs.</p> <p>Recorded incidents have almost disappeared since the work</p>
