 - The product labelling was in Russian and was deemed to be non-duty paid.

 - After access was gained to the locked room area, a carrier bag was identified containing 15 x 50g pouches of amber Leaf hand rolling tobacco. This tobacco was not labelled in English.

3 CONSULTATION/AWARENESS

- 3.1 The Licensing Act 2003 encourages discussion between persons serving applications for the review of a premises licence and the premises licence holder with the aim of resolving issues of concern, to strike the balance between enabling the applicant to operate his/her premises in a manner that meets his/her business needs/aspirations and the necessary protection of the community. However, this does depend on why the application is being brought for review. Officers are unaware of any discussion between the parties involved in the review application.
- 3.2 In accordance with the provisions of the Licensing Act 2003, applicants for the review served copies of the application for the review of a premises licence under the Licensing Act 2003 to the premises licence holder and responsible authorities.
- 3.3 In accordance with Section 51 of the Licensing Act 2003, a notice of a review was drawn up by Licensing Officers and placed in a local newspaper, displayed on light blue paper at the premises, displayed at Fenland Hall in the business reception area, and made available at any of our Customer Service Centres. The documents were also placed on the Council Website. The notice informs Responsible Authorities and Other Persons of the procedure for the inspection of the review application and for making representations concerning the review.

4 POLICY IMPLICATIONS

- 4.1 The Council's Statement of Licensing Policy expects applicants to demonstrate in their Operating Schedule that suitable and sufficient measures have been identified and will be maintained to:
- (1) reduce or prevent crime and disorder on, and in the vicinity of, their premises, relevant to the individual style and characteristics of their premises and events;
 - (2) ensure public safety, relevant to the individual style and characteristics of their premises and events;
 - (3) prevent public nuisance, relevant to the individual style and characteristics of their premises and events;
 - (4) protect children from harm, relevant to the individual style and characteristics of their premises and events.

5 COMMUNITY IMPACT

- 5.1 The Act gives greater freedom to operators and users of premises, which is balanced by greater responsibilities for licensees and tempered by strengthened protection for the community.
- 5.2 The Licensing Act 2003 seeks to provide public protection by way of the four licensing objectives.

6 DETERMINATION OF THE APPLICATION

- 6.1 In undertaking its statutory function, the Licensing Authority must promote the licensing objectives as defined in the Licensing Act 2003:

- the prevention of crime and disorder
- public safety
- the prevention of public nuisance
- the protection of children from harm.

- 6.2 When determining an application for the review of a premises licence, due regard should be given to the Council's Licensing Policy and the Secretary of State's Guidance.

- 6.3 The committee in its determination can take one or more of the following steps as it considers appropriate for the promotion of the licensing objectives :

- to modify the conditions of the licence;
- to exclude a licensable activity from the scope of the licence;
- to remove the designated premises supervisor;
- to suspend the licence for a period not exceeding three months;
- to revoke the licence.

and for this purpose the conditions of the licence are modified if any of them is altered or omitted or any new condition is added.

- 6.4 The hearing will be conducted in accordance with the approved Procedure and can be seen at **APPENDIX A** to this report.

PROCEDURE FOR DETERMINATION OF APPLICATIONS MADE UNDER THE PROVISIONS OF THE LICENSING ACT 2003 FOR THE REVIEW APPLICATION OF A PREMISES LICENCE

INTRODUCTION

- Meetings of the Licensing Committee, whether the full committee of 12 members or panels of 3 members drawn from the full committee, shall be held in public unless the Licensing Authority deems that it is not in the public interest to do so. Reasons for exclusion of the public must be given at the hearing by the Chairman of the committee. Determinations will be made in private at conclusion of the hearing but announced in public thereafter.
- All hearings convened will be heard by a panel known as the Sub-Committee (but still referred to as the Licensing Committee) of 3 members drawn from the full committee of 12. The quorum of the committee/panel is 3 members. Therefore, 4 members of the Licensing Committee will usually be invited to attend each hearing (i.e. one as a reserve), in case of one of those invited subsequently needing to tender an apology for absence or, on being informed of the details of the application or meeting the applicant or objector (or for some other reason), deciding that s/he possesses a personal and prejudicial interest in the matter that prevents him/her participating in the hearing. At the beginning of each committee/hearing a Chairman will be appointed by those members present unless the Chairman of the whole committee is present.
- Members of the committee shall endeavor to be present throughout an individual hearing. If a member of the committee is required to leave a hearing temporarily, the Chairman shall adjourn the hearing for the duration of the member's absence. If a member is not present for the whole of an item of business they will not be able to debate or vote on that item of business.
- Where a committee undertakes a site visit prior to a hearing, a member shall be precluded from taking part in the hearing if he/she has not attended the site visit.
 - (a) To avoid taking into account "local" factors that could influence improperly his/her judgement, a member cannot serve on the committee undertaking a hearing at which a matter is being discussed that relates to a Premises Licence, Club Premises Certificate, Temporary Events Notice or Personal Licence where either the premises are or the person is resident in the ward which that member represents on Fenland District Council.,

When selecting members to participate in a hearing, the Member Services team will ensure there is compliance with this requirement.

NOTE: All questions and statements will be directed through the Chairman.

Please state the ground(s) for review (please read guidance note 1)

This application for a review of the premises licence for Haran's, 10 Norfolk Street, Wisbech PE13 3LD is being submitted as Trading Standards state there have been clear breaches of the prevention of crime and disorder and the public safety licensing objectives at the premises by virtue of the storage and sale of illicit tobacco.

On the 17th January 2018 a test purchase of illicit tobacco was made from Haran's. The product test purchased was a packet of NZ cigarettes for £7. The labelling was in Russian and therefore did not comply with the Tobacco and Related Products Regulations 2016 and the Standardised Packaging of Tobacco Products Regulations 2015. This means that the product was not intended for the UK market and non duty paid. Manufacturing standards cannot therefore be verified.

The tobacco test purchase was non duty paid and therefore infringes Customs and Excise Legislation.

On the 19th June 2019 a multi agency enforcement day was organised by colleagues from Fenland District Council. As part of this enforcement day Haran's was visited. There was a locked office in the upstairs store room. Cigarettes and tobacco could be seen when looking over the top but unfortunately the office was so full of rubbish it was difficult to ascertain whether the cigarettes and tobacco were illicit or not. The owner of the shop Mr Kanapathipillai Kumaravel Thivakaran was contacted and asked to attend the shop. Once he arrived he unlocked the office door. In the office a carrier bag containing 15 x 50g pouches of Amber Leaf hand rolling tobacco was found. The tobacco was not labelled in English. Mr Thivakaran claimed they were for his personal use and were nothing to do with the shop. He said he used to smoke but he now vapes.

APPENDIX B

Based on a figure of £10 per pack of illicit hand rolling tobacco the total amount seized would have made the shop approx £150.

We understand that shop owners are only keeping small amounts of illicit tobacco in the shop in order to avoid large amounts being seized by enforcement authorities (Trading Standards, HMRC & Police Officers). Supplies are being kept in vehicles and topped up throughout the day.

The manufacturer of the Amber Leaf has confirmed that the packets that were seized from Haran were labelled for the Belgium & Luxembourg domestic markets and were not intended for sale in the UK. The tobacco therefore did not comply with the Tobacco and Related Products Regulation 2016 and the standardised Packaging of Tobacco Products Regulations 2015.

APPENDIX B

Please provide as much information as possible to support the application
(please read guidance note 2)

The product test purchased was NZ cigarettes sold for £7, cheaper than comparable genuine cigarettes.

Illicit cigarettes are often found to fail the RIP test. This is reduced ignition propensity which means that these illicit cigarettes will continue to stay alight even when not being smoked unlike genuine UK cigarettes which self-extinguish when not being smoked. Illicit tobacco is therefore more of a fire risk.

APPENDIX C

Please state the ground(s) for review (please read guidance note 2)

This application for a review of the premises licence for Haran's, 10 Norfolk Street, Wisbech. PE13 3LD is being submitted by the Director of Public Health at Cambridgeshire County Council. This is following two test purchases of tobacco being undertaken by Cambridgeshire Trading Standards on the 17th of January 2018 and then again on the 19th of June 2019 (part of a multi-agency enforcement day).

The Licensing committee needs to be aware that there are consequences of selling illicit tobacco as set out below:

- Maintaining higher prices of tobacco (making tobacco less affordable) is a key component of the UK's comprehensive strategy of tobacco control, and is one of the six internationally recognised cross-cutting strands that the current government supports in [Health Lives, Healthy People: A Tobacco Control Plan for England](#).
- The availability of illicit tobacco trade, which makes cheap tobacco readily available in local communities, undermines licit tobacco prices and this fundamental component of the UK's comprehensive tobacco control strategy.
- Often illicit tobacco trade is seen as a victimless crime; however, this is not the case, illicit tobacco trade makes it easier for children to start smoking, takes advantage of cash-strapped families, and helps fund organised crime. Additionally, if the cigarettes or tobacco is counterfeit they will not necessarily meet industry safety standards, such as fire safety standards (e.g. RIP – Reduced Ignition Propensity standards), which can cause greater safety risks to local communities, particularly through increased residential fires.
- The problems linked with illicit tobacco are wider than the loss of revenue to the exchequer, although this in itself is substantial. Illicit tobacco fuels teen smoking by being sold at pocket money prices often packets are sold for £2 or £3, and are frequently sold in individual sticks (a practice that has been illegal in the UK since 1991 (The Children's and Young Persons (Protection from Tobacco) Act, 1991) with each cigarette stick being sold for pennies.
- Illicit tobacco worsens health inequalities as the sellers often target areas of high deprivation and low income, and it harms local businesses by removing their customers, as well as undermining wider tobacco control measures.
- Removing illicit tobacco supplies in local areas will strengthen and re-enforce the Governments' policies on tobacco tax and pricing which is known to promote smoking cessation among current users, deterring young people from starting to smoke, and reducing how much continuing users consume.

APPENDIX C

Please provide as much information as possible to support the application (please read guidance note 3)

Haran's has been granted a licence to sell alcohol. This comes with the following responsibilities:

- To not sell alcohol to people under the age of 18 and to ensure that age verification is in place
- To not sell alcohol to people who present drunk
- Not to sell alcohol when there is no designated place supervisor present
- To ensure appropriate training is in place

Haran's has now been found to be selling illicit tobacco on two separate occasions with an 18 month gap. If the owner does not pay attention to the laws around control of tobacco then owner is acting illegally and is therefore in breach of the licensing objective to "prevent crime and disorder". The owner is also selling products which cannot be guaranteed to meet safety controls/standards which are in force in respect of the sale of tobacco. The owner is therefore in breach of the licensing objective to maintain "public safety".

This evidence calls into question how suitable the owner is to hold a licence to sell alcohol and in the opinion of the Director of Public Health Licensing committee should consider removing the alcohol licence for Haran's.

Please state the ground(s) for review (please read guidance note 2)

I would like to raise an objection at the forthcoming licensing hearing for Haran's at 11/10 Norfolk Street Wisbech for the reason of public safety due to lack of cleanliness and out of date food and drink for sale. In addition there was evidence that the business is operating without a legal trade waste agreement.

APPENDIX D

Please provide as much information as possible to support the application (please read guidance note 3)

On 19th June 2019 a number of regulatory officers carried out a number of adhoc inspections at various business premises in Norfolk St. The purpose of the action day was to provide support and assistance to business owners in relation to regulatory compliance, obtain up to date information relating to business activities and conduct health & safety inspections of the residential accommodation attached to the businesses.

There were 5 groups of officers including members from the council's Licensing, Streetscene, Environmental Health, Housing and ASB teams, together with staff from partner agencies such as Trading Standards, Fire Service and Police.

The report below has been submitted on behalf of the officers who attended the shop known as Harans at 10/11 Norfolk St.

Starts

I would like to raise an objection for the up and coming licensing hearing for Haran's at 11/10 Norfolk Street Wisbech for the reason of public safety, there is also an unlawful element in that the business is operating without a legal trade waste agreement so there is an element of crime and disorder. My reasons are below:

At the recent multi agency action day which took place on the 19th June there was evidence that the business is operating without adequate trade waste provisions. The shop floor and upstairs storage area was full of trade waste. The lady on the counter, Sarah Roe, advised that the manager Mr Thivakaran has told her that all rubbish should be bagged up and took up stairs. This was evident from what was observed and the shop store room was very smelly and there was evidence of an insect problem due to the sheer number of flies. The shop assistant advised that since at least January they have not had a trade waste collection. There were bags of rubbish all over the premises. The rear of the shop has a small rear access but I was not able to gain access to this at the time of the visit.

When an officer spoke to Mr Thivakarn he advised he had a contract arrangement with Booker whereby he takes his waste to them as and when required. For this he pays an annual fee. When asked when was the last time he had disposed of trade waste there, he advised '3 weeks ago' but he couldn't really recall the type of waste or produce any evidence of this. He advised he had all the paperwork for trade waste at his home.

On this day he was served with a formal Section 34 Notice which is a producer for trade waste. It was agreed that an officer would revisit to see his paperwork on the 19th July. He advised he was going to have a tidy up in the meantime.

On 9th July 2 other officers revisited the shop and enquired about the trade waste agreement at Harans and established that nothing had changed/improved since the day of action. At this stage a further revisit was arranged for the 23rd July so that the Streetscene Manager, Layna Warren could also be present. On returning on 23rd July the officers returned to the shop to find it was closed, despite having made the pre-booked appointment.

On the 1st August a further visit was attempted but officers were told the business was yet again closed for business. It is therefore the officer's decision to serve a fixed penalty notice in due course.

Hi Michelle

On the day he was served with a formal Section 34 Notice which is a producer for trade waste. I agreed to go back and re visit to see his paperwork on the 19th July. He advised he was going to have a tidy up in the meantime.

I was made aware that 2 colleagues had been to re visit the shop on the 9th July. They had asked about his trade waste, knowing I would be interested, and found this exactly as they had been before. At this time they agreed to revisit on the 23rd July so I agreed to go along with them on this date to see evidence of his trade waste. On this day we found the shop to be closed despite having a pre-arranged appointment to meet him.

The photos I took are attached in a ZIP folder

On the 1st August I was going to re visit but was advised that the shop was closed. We aim to return with the outcome of issuing a FPN for failing to provide trade waste provisions.

I have attached the photos taken on the day in an attached ZIP file.

To Whom it may concern.

I am writing this letter in connection with
your Review of Harans, 10 Norfolk St,
Wisbech - PE13 2LD - Licensing Review.

My name is Ema Metcalfe, I have known
(Pepsi -) Mr Thivakaran for Seven Years.

I Once worked for him for Three of those,
And in all this time I have NEVER seen or
hear of Mr Thivakaran giving or selling Contraband
Tobacco or Cigarettes.

I do know that sometimes his wife would bring
small Personal amounts for her husband when
traveling; But this stopped when he quit smoking
for his children.

I know he feels very strongly about shops selling
unpaid duty free as this has affected his cigarettes
& Tobacco sales.

Whilst working for Mr Thivakaran I know of one
occasion where he assisted Police in a search
of Contraband Tobacco in Norfolk street.

If you require any information or assistance please
do not hesitate in contacting me.

With Kind Regards

MISS EMA METCALFE

Dear Sir/Maddam

My name is Patrick Halton, I have known Mr K. Thivakaran, known to me as Pepsi for many years now. I was shocked & outraged that Pepsi is having his Licence reviewed over what I have been led to believe is due to suspicions of selling dutyfree Tobacco.

Pepsi is well known in the Norfolk st Area & anyone who knows him will react in the same way as myself; "Laughable."

Pepsi is an upstanding guy who is always annoyingly straight-laced.

I have never & will never hear of Pepsi selling any Duty free items.

I have shopped @ Pepsi's for over 10 years due to my health Harans is the only one closest who sells my brand. (its blooming expensive) And I hope to continue shopping there.

With Regards

Re: HARANS Shop
10 Norfolk Street, Wisbech, PE13 2LD

In regard to this shop, being a customer and a past employee, I can swear I have never known 'Reps.' to sell any non duty paid cigarettes or tobacco in the 5 and a half years I have been associated with this shop. The selling of non duty paid cigarettes at 2 other known shops on this street alone is harming this shop that sells genuine products. All the tobacco products in this shop come from a benafide supplier who also supplies 90% of the food items and all items here can be checked via invoices and till history. I would suggest you get the unlawful businesses closed first before you continue to investigate genuine traders!!

Yours sincerely

PE15 8NQ,

Dear Sir/Madam,

I am writing as I have heard of Haran's All in One Store (10 Norfolk Street, PE13 2LD, WISBECH) Licensing Review. Therefore, I strongly disagree on this case.

My name is Rasa Balaseviciute, I am currently working at Haran's All in One Store as a Sale assistant, since 2016. However, during this 3 years at this store, I have never sold or been told to sell any cigarettes or tobacco products that was not UK duty paid, by Mr Thivakaran.

I am sure there are no illegal products sold within these premises by Mr Thivakaran or any other staff! As Mr Thivakaran is really strict and is against this kind of business!!!

During these years at Mr Thirakaran's Store, I can see how this store has lost its regular customers, who used to come regularly to buy some UK Duty paid Cigarettes and Tobacco products, unfortunately has stopped, as they been offered with the 'Cheaper' tobacco products which they are able to buy in other stores for less than a normal price! There are atleast 2 stores down Norfolk street which are selling illegal tobacco products. It's also have made huge affect on Mr Thirakaran's business, as he lost lots of customers!

I believe you are after wrong Shop! . I can count so many stores in Wisbech who sells illegal tobacco products from under the counter, but haven't been caught yet?! I believe you should investigate on the businesses who sells hundreds of pounds worth of illegal stuff, than chasing after a honest business who follows the law. I am guaranteed this Store has never sold any non UK duty paid products and also wont sell any in the future.

if you would like to speak to me do not hesitate to contact me on [REDACTED] or email me: [REDACTED]

Yours Faithfully,

To Whom It May Concern

I am writing in support of Mr Thivakaran Kumaravel known to everyone as PEPSI who owns and manages "HARANS BEST PRICE STORE" at number 10, Norfolk Street, Wisbech.

I have known him since the early 2000,s, when I was both President of Wisbech Chamber of Commerce and Wisbech Norfolk Street Traders Association. Pepsi became my tenant in 2010 at the aforementioned premises. He has always to me been an honest hard working individual paying his dues and demands where and when necessary, keeping on the correct side of the law and always ready to uphold the law when necessary as an Off Licence holder. In our many conversations he has always condemned anyone trading in any type of contraband goods and this is why I am so surprised to learn of his licence being under review.

Pepsi has suffered a very challenging time these past few months, having to travel very long distances for family purposes, culminating in his Father,s death in the past month. This has resulted in his "EYE BEING TAKEN OFF THE BALL" as to say, carrying out his family duties as a loving and caring person that he is.

I hope this places him and his situation in a position for you to understand what,s happened and you can find a way to work with him and help him move forward to being a good and honest trader that I know he is

Yours

Ray Johnson

Dear sir/madam,

I am writing to express my extreme dismay upon hearing that Pepsi's trading license is under review due to something I know for sure he has never done, and to support this good, respectable, hard-working man.

I have been a happy patron of his shop for five years now, and I will continue to be for as long as I live. He and his staff are polite, welcoming people who have gone out of their way to help me out on multiple occasions in the past. Just a couple of examples: twice he has kept the shop open five minutes after closing time while I was waiting for money to clear in my bank account so I could get some food; and once he allowed me to take a few items on credit even though it is store policy to not extend credit to customers. I hated asking but he couldn't have been kinder to me.

I have had long chats with Pepsi on many occasions and find him to be a thoughtful, intelligent person. The subject of ordering his stock has come up a few times as he understandably has worries about Brexit and how it will affect his customers, prices and profits; and he has NEVER offered me cheap cigarettes or tobacco products of any kind. Never. If he was selling illegal products of any kind, surely those conversations would have been great opportunities to bring it up. But he didn't. Ever. This gentleman is someone who follows the rules, and I believe he would not be caught dead doing something as underhanded as selling illegal, cheap cigarettes. He would see it

APPENDIX E

as a blight on his character and business. You might as well accuse Santa Claus of selling drugs. Of course, I'm being slightly facetious, but honestly, it is THAT ridiculous.

There are, so I've heard, a couple of shops in Wisbech that do sell illegal tobacco products, but you're barking up the wrong tree accusing Haran's and Pepsi of being one of them. And I'd be willing to bet that no matter who you ask, they'd all say the same thing: he doesn't and he wouldn't.

I have included my contact details above and would be more than happy to discuss this issue further, so please, do not hesitate to contact me if there is anything else I can assist your review with.

Yours sincerely,

Craig Rea
