What is a Key Decision?

A Key Decision means an Executive decision (i.e. one taken by the Cabinet or an individual member of the Cabinet) which is likely to

- result in the authority incurring expenditure which is, or the making of savings which are, in excess of £100,000 either on its own or in partnership with other organisations; or
- be significant in terms of its effects on communities living or working in an area of the District comprising two or more wards.

The full definition of a Key Decision can be found in the Council's Constitution, which can be found on the Council's website.

Part 2 – Notice of Intention to take Decisions in Private

Whilst the majority of the business listed in this Plan will be open to the public to attend, there will be some business to be considered that contains, for example, confidential, commercially sensitive or personal information. In these circumstances, the meeting may be held in private and on the rare occasion this applies, notice will be given within Part 2 of this document.
