Committee:	AUDIT AND RISK MANAGEMENT	
Date:	4 JULY 2022	
Report Title:	AUDIT AND RISK MANAGEMENT COMMITTEE ANNUAL REPORT	

1 Purpose / Summary

To report to Full Council the commitment and effectiveness of the Audit and Risk Management Committee's work from April 2021 to March 2022.

2 Key issues

- 2.1 The Corporate Governance Committee was decommissioned during the year 2020/21 and a new Audit and Risk Management Committee was formed in December 2020.
- 2.2 The new committee also has a Sub-Committee – the Audit and Risk Management Determination Sub-Committee, which has decision-making powers in relation to specific delegated functions that were previously undertaken by the Staff Committee.
- 2.3 This annual report does not provide a review of the effectiveness of the Sub-Committee's work as this falls outside of the remit of the self-assessment review.
- 2.4 A good Corporate Governance framework helps the Council to deliver its Corporate Priorities.

The role of the Audit and Risk Management Committee includes:

- providing independent assurance of the adequacy of the risk management framework and the control environment, plus
 - independently scrutinising the Authority's financial and non-financial performance, and overseeing the financial reporting process.
- 2.5 The Committee has taken action to ensure that its members are adequately informed on key themes of the Governance Framework via regular reports including:
 - Governance;
 - Internal control;
 - Risk management;
 - Anti-fraud & corruption;
 - Accounts and policies;
 - Treasury management;
 - 2.6 Reports from the External Auditors affirmed continued maintenance of high financial management and control standards. The Annual Audit letter explained that in all significant respects the Council made proper arrangements to secure economy, efficiency and effectiveness in its use of resources and an unqualified

value for money conclusion was given. The Committee supported a press release to reflect this achievement.

- 2.7 The Committee has been fundamental in the review and maintenance of the Council's Governance Framework.
- 2.8 In addition to the report attached the Internal Audit Manager has completed a review of the committee's effectiveness using a checklist compiled by CIPFA. This was a recommendation made by the external quality assessment and endorsed by Corporate Governance Committee in February 2018. The completed checklist is attached as Appendix A

3 Recommendations

It is recommended that Committee agree the Audit and Risk Management Committee Annual Report for 2021/22 to be forwarded to Full Council.
