

Agenda Item No:	10	
Committee:	COUNCIL	
Date:	26th February 2024	
Report Title:	FINAL BUSINESS PLAN 2024-25	

Cover sheet:

1 Purpose / Summary

For Council to consider and approve of the Final Business Plan 2024-2025.

2 Key Issues

- Our Business Plan 2024-25 identifies the key challenges and opportunities for Fenland. Its structure outlines our key Corporate Priorities (Communities, Environment, Economy and Quality Organisation), and an additional cross cutting 'Transformation Agenda - Council for the Future' section. This section encompasses our ongoing transformation work to improve efficiency and customer experience, drive positive change and ensure the Council is fit for the future.
- Despite global challenges of the last few years and an ever-evolving landscape of public service, no other principal council in the country has a better record for keeping council tax down for its residents than Fenland.
- Almost every other principal council has raised its council tax over the past six years, and of the few which haven't raised their council tax, none can match Fenland's 2% reduction in that period. Fulfilling the mandate on council tax on which the ruling group had been elected, councillors believe that the burden of providing cost-efficient services should fall on the Council itself, a long way before it falls on our residents.
- A Task and Finish group set up from members of the O&S panel have reviewed the current performance indicators. The purpose of the review was to ensure the performance indicators enhanced the Council's corporate priorities and are both measurable and achievable.
- The recommendations from the Task and Finish group were approved at Cabinet on 18 December 2023 to be included in the Business Plan 2024-25.
- The Draft Business Plan was presented to the Overview and Scrutiny Panel on 15 January 2024. The Panel recommended a change to the wording on one of the Communities Performance Indicators 'Create healthier communities through activities developed and delivered by Active Fenland', which has been updated.

Report:

1 BACKGROUND AND INTENDED OUTCOMES

- 1.1 The Business Plan 2024-25 sets out the priorities we aim to deliver over the next 12 months. These priorities have been developed to address the most important needs of our communities and set a framework for how we will work towards our ambitions for the area and achieve our goal of creating a thriving place to live and visit.
- 1.2 Our core priorities focus on three areas: Communities, Environment and Economy. These priorities primarily focus on the statutory and wide variety of services that we provide day-to-day. In a typical year we empty 3 million bins, clean 210 square miles of town centres and open spaces, answer 78,000 telephone enquiries and determine 1,300 planning applications – and more! A fourth priority, Quality Organisation, sits alongside everything we do. It aims to ensure that the Council runs effectively, transparently and sustainably. We invest in and support our workforce to ensure they have the skills and resources they need to work to the best of their ability.
- 1.3 Each priority is underpinned by a series of performance indicators, which are used to track progress, measure success, and identify areas for improvement. All performance indicators are reported to all elected Members at our Council meetings. These public reports are summarised to provide end of year

performance updates against our priorities in our Annual Report, which is available to download on our website.

- 1.4 We also have a fifth cross cutting priority: Transformation Agenda. This priority encompasses our ongoing transformation work to improve efficiency and customer experience, drive positive change and ensure the Council is fit for the future.

2 REASONS FOR RECOMMENDATIONS

- 2.1 Council is being asked to approve the Business Plan 2024-25 because it will provide a structure of proposed aspirations and outcomes which will guide delivery of the council's core priorities. It will also aim to ensure that the Council runs effectively, transparently, and sustainably.

3 CONSULTATION

- 3.1 We ran an online public consultation about our Draft Business Plan and Budget 2024-25 between 2 January and 4 February 2024. It was publicised on the front page of our website, our news web page and FDC social media accounts, via press releases and circulated to our news distribution list. It was also circulated to our business contacts, community groups and hard to reach groups. It was also available in paper format at the South Fens Business Centre, Chatteris, the Boathouse Business Centre, Wisbech, and Fenland Hall, March.
- 3.2 36 people responded to our survey. 72% supported our community ambitions, 86% supported our environment ambitions, 72% supported our economy ambitions, 75% supported our quality organisation ambitions, and 69% supported our transformation agenda ambitions. All responses were from Fenland residents.

4 ALTERNATIVE OPTIONS CONSIDERED

- 4.1 No alternative options were considered as the Council has made an ongoing commitment to produce an annual Business Plan.

Introduction by the Leader and Chief Executive

Welcome to Fenland District Council's Business Plan for 2024/25.

We are pleased to present Fenland District Council's Business Plan for 2024/25, which sets out our ambitions and priorities for the year ahead.

As you read through the plan, you'll see it is not merely a document, but a testament to our commitment of putting the people we serve at the heart of everything we do.

Despite global challenges of the last few years and an ever-evolving landscape of public service, no other principal council in the country has a better record for keeping council tax down for its residents than Fenland.

Almost every other principal council has raised its council tax over the past six years, and of the few which haven't raised their council tax, none can match Fenland's 2% reduction in that period. Fulfilling the mandate on council tax on which the ruling group had been elected, councillors believe that the burden of providing cost-efficient services should fall on the Council itself, a long way before it falls on our residents.

Councillors are also passionate about building on the Council's strong track record of delivering high quality services people can rely on and, in a changing world, continuing to foster a resilient local authority that can adapt, innovate and lead.

We have big ambitions for the district, but every year we have less money from central government to deliver them. The world around us is changing, but we need to diversify and modernise our services to respond to those changes.

At the core of our plan is a commitment to transformation. In 2023, the Council was nationally recognised by The Municipal Journal for workforce transformation, but we want to do more.

Paul Medd
Chief Executive

Chris Boden
Leader of the Council

Through our ongoing Transformation Agenda, we're embracing innovative solutions and investing in technology to reshape the way we work and streamline internal processes. Not only will this make our services more efficient, it will make it easier for residents and businesses to engage with us, resolve matters more quickly, and experience a level of service that reflects the high standards we set.

Another key priority in our plan is directed towards businesses, acknowledging their pivotal role in our local economy. Through targeted funding initiatives and supportive programs, we aim to catalyse entrepreneurial growth, build skills development, and support a vibrant business landscape.

Furthermore, we understand the ongoing challenges many people across Fenland continue to face with the cost of living and will ensure that everyone who needs help has access to the support and guidance available to them.

Guided by the priorities set out in this plan, we will also continue to adopt a more commercial approach in what we do to help deliver our growth aspirations and further futureproof the organisation. We will also promote and develop active and sustainable travel; support Fenland's thriving arts, heritage and culture scene, and improve the way we empower and engage with our local communities.

Collaboration and engagement with our communities, businesses and public sector partners over the next 12 months will, as always, be at the forefront of our approach.

Together, we can face the future with real confidence and deliver a stronger, more connected district of which we can all be proud.

About Fenland

Fenland has a strong community spirit and pride in its heritage. There are 102,500 people living in Fenland District (ONS: 2021), which covers 211 square miles within North Cambridgeshire. Over 70% of residents live within our four market town of Chatteris, March, Whittlesey and Wisbech, and our beautiful rural landscape is home to 29 villages.

Fenland has the lowest house prices in Cambridgeshire, with the average house priced at £241,483 (UK HPI August 2023), 22% less than the national average. With close proximity to large Urban centres such as Cambridge and Peterborough, Fenland's population continues to grow. By 2043, it's expected that our population will have increased by 16% to 118,826 (ONS 2021).

In addition, 23,400 residents (23%) are aged over 64, above average compared to Cambridgeshire and the UK (ONS 2021). Alongside our partners, we are working to enable residents to access the support and resources they need to live happily, healthily and independently.

We also face some challenges around deprivation. We are the 80th (out of 317) most deprived area in the country (IMD: 2019). Nevertheless, we continue to work closely with our partner organisations to positively overcome these challenges.

Our Priorities

Our Business Plan sets out the priorities we aim to deliver over the next 12 months. These priorities have been developed to address the most important needs of our communities and set a framework for how we will work towards our ambitions for the area and achieve our goal of creating a thriving place to live and visit.

Our core priorities focus on three areas: Communities, Environment and Economy. These priorities primarily focus on the statutory and wide variety of services that we provide day-to-day. In a typical year we empty 3 million bins, clean 210 square miles of town centres and open spaces, answer 60,000 telephone enquiries and determine 1,300 planning applications – and more!

A fourth priority, Quality Organisation, sits alongside everything we do. It aims to ensure that the Council runs effectively, transparently and sustainably. We invest in and support our workforce to ensure they have the skills and resources they need to work to the best of their ability.

Each priority is underpinned by a series of performance indicators, which are used to track progress, measure success, and identify areas for improvement. All performance indicators are reported to all elected Members at our Council meetings. These public reports are summarised to provide end of year performance updates against our priorities in our Annual Report, which is available to download on our website.

Where a priority does not have a linked performance indicator, usually where we work towards objectives with partners, updates will be reported via Portfolio Holder Briefings at Council meetings (Appendix 1).

We also have a fifth cross cutting priority: Transformation Agenda. This priority encompasses our ongoing transformation work to improve efficiency and customer experience, drive positive change and ensure the Council is fit for the future.

Transformation Agenda - Council for the Future

In 2019, we began our Transformation Agenda programme (TA1). This focussed on transforming the way the Council delivers all aspects of our services to our customers.

TA1 is on track to deliver over £1m savings over the medium term.

In order to assist with meeting our financial challenges and to continue to transform the Council, our Cabinet members have committed to building on the successes of our first Transformation Agenda programme, and to develop a second phase.

Transformation Agenda 2 (TA2)

Spanning across all services within the council, the Transformation Agenda 2 programme ties together all major 'change' initiatives that are looking to improve how the council works and delivers services.

Whether this is reviewing a service, how systems support delivery or how staff are able to conduct their jobs in a more effective and flexible manner, the programme will aim to ensure we

are an effective and efficient Council for the future.

We have developed a number of key principles that will align with all future transformation projects and the TA2 programme.

Partnership Investment in Fenland

We're working hard to attract the crucial external funding needed to unlock Fenland's potential and bolster its prosperity and resilience in the coming years.

Our previous policy of applying for any and all funding opportunities will now have to be tempered by any potential financial liability that the Council could face, particularly in respect of rising capital costs and the new requirement upon the s151 Officer to guarantee that the Council will meet any additional unanticipated costs when applying for some Government funding opportunities.

The diagram shows some of the projects currently in progress across the district thanks to millions of pounds worth of inward investment already secured.

The projects include development and regeneration of key sites, investment to improve transport and digital connectivity, and innovation and technology centres.

The opportunities will help to boost our economy, support new skills

opportunities, and create much-needed new jobs.

Although many of these funding schemes are focused on our four market towns, our local villages will also benefit, as will neighbouring communities across Cambridgeshire, Norfolk, and Lincolnshire. Improvements to our rural communities are equally as important and are included in our investment work.
