We're committed (via the stock transfer agreement) to spend c. £440k in Fenland on major adaptations in 25/26 (this is uplifted by CPI each year), which we have pretty much spent/committed already this year.

.	01/12/25	Question to Councillor Dee Laws <ul style="list-style-type: none"> Councillor Booth suggested that if the decisions made does go to an appeal this needs to be factored into the council's higher-level analysis and that's where he feels the changes need to be made and additional training required to help councilor's put forward a stronger case if they are going to refuse an application and improving the situation over a wider picture. Councillor Mrs. Davis suggested in Councillor Laws absences that the question be put to her for her to respond. 	12/01/26
