Premises Licence (Off Sales of alcohol only)

1. Under Section 19(2) of the Licensing Act 2003, no supply of alcohol shall be made under this premises licence at a time when there is no designated premises supervisor in respect of the premises licence, or at a time when the designated premises supervisor does not hold a personal licence or his personal licence is suspended.
2. Under Section 19(3) of the Licensing Act 2003 every supply of alcohol under the premises licence must be made or authorised by a person who holds a personal licence.
3. The premises licence holder must ensure that an age verification policy is adopted in respect of the premises in relation to the sale or supply of alcohol. The designated premises supervisor in relation to the premises licence must ensure that the supply of alcohol at the premises is carried on in accordance with the age verification policy. The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and either a holographic mark, or an ultraviolet feature.
4. A relevant person shall ensure that no alcohol is sold or supplied for consumption off the premises for a price which is less than the permitted price. For the purposes of this condition:
 - “duty” is to be construed in accordance with the Alcoholic Liquor Duties Act 1979;
 - “permitted price” is the price found by applying the formula - $P = D + (D \times V)$ where:
 - P is the permitted price;
 - D is the rate of duty chargeable in relation to the alcohol as if the duty were charged on the date of the sale or supply of the alcohol; and
 - V is the rate of value added tax chargeable in relation to the alcohol as if the value added tax were charged on the date of the sale or supply of the alcohol;
 - “relevant person” means the holder of the premises licence, the designated premises supervisor (if any) in respect of such a licence, or the personal licence holder who makes or authorises a supply of alcohol under such a licence;
 - “value added tax” means value added tax charged in accordance with the Value Added Tax Act 1994.

The permitted price must be rounded up to the nearest penny.

A change to the permitted price which would apply as a result of a change to the rate of duty or VAT charged in relation to alcohol would not apply until the expiry of the period of 14 days beginning on the day on which the change in the rate of duty or VAT takes effect.
