Report Title:	<b>PROPOSED INCREASE TO CURRENT HACKNEY CARRIAGE VEHICLE TABLE OF FARES</b>	

## **1 Purpose / Summary**

- To adopt the proposed increase of the Hackney Carriage Vehicle Table of Fares.

## **2 Key issues**

- The Last Table of Fares increase was the 24 April 2012.
- Local Authorities have a power to set fares for hackney carriages under the Local Government (Miscellaneous Provisions) Act 1976.
- Request from the Taxi trade for an additional tariff was received by email on 05 August 2018
- On the 18th January 2019, Licensing Committee considered the request. All information relating to the request and the Committee discussion is found on the following link:  
<https://www.fenland.gov.uk/localgov/ieListDocuments.aspx?CId=138&MId=1288&Ver=4>
- Formal consultation was undertaken and ended on 31 March 2019.
- The Council received 16 responses to the proposed changes to the taxi tariff as outlined in the Table of Fares
- On the 25th April 2019, Licensing Committee met again to review and consider the responses received to the proposed increase in the Hackney carriage Table of Fares. All information relating to the request and the Committee discussion is found on the following link:  
<https://www.fenland.gov.uk/localgov/ieListDocuments.aspx?CId=138&MId=1300&Ver=4>
- Licensing Committee agreed that the proposed increase that went out to consultation should be implemented. In summary the increase to the trade will result in them being able to:
  - Include Christmas Eve & New Year's Eve as an enhanced rate.
  - The Extra Charge for vehicles carrying 5 - 8 passengers will increase to 30p per person up to a maximum of £1.20. This is an increase from the current arrangement which is set at 20p per person carrying 5 - 8 passengers up to maximum of 80p. However the Taxi trade can charge less than this amount if they would like to do so as the proposed charges are discretionary.

### 3 Recommendations

- For Cabinet to approve the proposed Table of Fares as set out in Appendix B, and ratify the decision made by the Licensing Committee.

## Report:

### 1 Background / introduction

The Council has 129 Licensed Drivers; 85 of these are Hackney Carriage Drivers, 30 are Private Hire Drivers and 14 are Dual Drivers. We currently have 130 Licensed Vehicles, 95 of these are Hackney Carriage and 35 are Private Hire. From the 95 Licensed Hackney Carriage vehicles we have 22 registered that are able to carry more than 4 passengers.

- 1.1 The fare structure currently in place was set by Licensing Committee on 24 April 2012 and shows 3 tariffs set for vehicles carrying a maximum of 4 passengers. There is an Extra Charge in place on this tariff for each person in excess of 4 passengers. This equates to 0.20p per person to a maximum of 0.80p.

The current tariff is at **APPENDIX A**

- 1.2 A licensed Hackney Carriage Driver wrote to the Council outlining a proposal for an additional tariff. The proposal outlines an additional tariff for vehicles carrying more than 4 passengers.

The request equated to a proposed increase of 50% for journeys undertaken on tariff 1, 100% increase for tariff 2 and no change to tariff 3.

- 1.3 On 18 January 2019 Licensing Committee decided to not approve the requested additional tariff but they did approve an increase in the Table of Fares and the proposed tariff went out for consultation from 18 February 2019 until 31 March 2019. This is over the statutory 14 days. A copy of the proposed tariff agreed by the committee members for consultation can be seen at **APPENDIX B**. Details and reports of the 18th January meeting can be accessed on the following link:

<https://www.fenland.gov.uk/localgov/ieListDocuments.aspx?CId=138&MId=1288&Ver=4>

- 1.4 On the 25th April 2019 Licensing Committee members discussed and reviewed responses on the proposed increase to the Table of Fares. They decided to go ahead with the proposed increase on the balance that if the trade wished to charge the increased amount they could but equally if they wished to charge a lower amount they would be able to.

- Hackney Carriage Drivers - 13
- Private Hire Drivers - 2
- Other persons (Hackney Carriage Proprietor) - 1

The schedule of Responses can be seen at **APPENDIX C**

Agree - Xmas Eve/NYE as Bank Hol	Disagree - Xmas Eve/NYE as Bank Hol	Agree - Extra charge per person over 4 passengers	Disagree - Extra charge per person over 4 passengers	No Opinion	Alternative

<https://www.fenland.gov.uk/localgov/ieListDocuments.aspx?CId=138&MId=1300&Ver=4>

- 1.5** It is at the discretion of the Council as the Licensing Authority to set a Table of Fares for licensed Hackney Carriages operating within the district if it chooses to do so.

Councils are not obliged to set a maximum fare for their area, they could decide instead to rely on market forces to establish the going rate and at the same time promote competition. Comparisons with neighbouring authorities have taken place and are shown at **APPENDIX D**

- 1.6** It should be emphasised that any tariff set is the maximum any hackney carriage driver can charge. They are at liberty to charge less than the approved tariff if they choose to do so.
- 1.7** The tariff does not apply to private hire drivers who set their fares, via market forces, without Council involvement.

## **2 Legal Considerations**

- 2.1** The authority for the Council to fix fares for hackney carriages is given under Section 65 of the Local Government (Miscellaneous Provisions) Act 1976.

## **3 Financial Considerations**

- 3.1** The cost of re-calibrating individual meters will be met by individual hackney carriage proprietors and the meters will then be checked by Licensing Officers as part of the compliance checks. This is a normal part of the work undertaken by Officers

## **4 Community impact**

- 4.1** The District Council as the Licensing Authority has a duty to ensure that there is a safe, secure and confident 'taxi' service provided for the public.

## **5 Conclusions**

- 5.1** That Cabinet approve the increase in the Hackney Carriage Table of Fares.

APPENDIX C - COLLATED RESULTS

<u>Date received</u>	<u>Agree - Include Xmas Eve &amp; New Years Eve as bank Holidays</u>	<u>Disagree - Include Xmas Eve &amp; New Years Eve as bank Holidays</u>	<u>Agree - Extra charge per person to increase to 0.30p for over 4 passengers</u>	<u>Disagree - Extra charge per person to increase to 0.30p for over 4 passengers</u>	<u>No Opinion</u>	<u>Alternative</u>	<u>Additional Comments</u>
14/02/19	Agree			Disagree			
25/02/19		Disagree		Disagree			I am against the proposed changes to the tariff too expensive for Wisbech people
27/02/19		Disagree		Disagree			
04/03/19	Agree		Agree				
04/03/19						Alternative	I think it should be £3.50 stand in charge, the 20p every 12th of a mile. Thus giving a standard pay rise of 40pence per mile plus the extra 20p for the first mile. I think the Xmas Eve should be time and a half and the same for new Years eve. Double Time kills the Taxi trade. 40 pence per mile extra would give an average of £70 - £80 per week for a hard working Taxi driver. We have not had a pay rise for 6 years and diesel has doubled in price since then.
05/03/19	Agree		Agree				
08/03/19					No Opinion		Neither for or against
08/03/19					No Opinion		Neither for or against
12/03/19	Agree		Agree - But would like more				I think extra charges should be at least 50p or more for 5 people or more. At least this way it makes it worth while doing 6 seater jobs round town and not doing them for an extra 60p worth adding extras for these jobs.
14/03/19		Disagree		Disagree			To recalibrate meters for these changes is not worth changing
15/03/19	Agree		Agree				
20/03/19	Agree			Disagree			I still feel that 20-30p over a journey per persons over 4 isn't right. Over a Heathrow job that is approx £240 for 8 people we could charge an extra £1.20 big woop. The extra costs of fuel and insurance etc just aren't covered by £1.20 we theoretically save people the cost of a second taxi (i.e. £240) but get paid an extra £1.20
20/03/19		Disagree		Disagree			
22/03/19	Agree		Agree				10p per person is not worth changing the programming in meters
16/03/19						Alternative	This email is in regards to a proposal put forward in regards to fares being Bank Holiday rate IE double time on Christmas and New Years Eve. I think a good compromise would be to have the meters set to charge this from 6pm in the evening on both nights. This would then be fair all around. The people during the day that use taxis for work and shopping would only have to pay the normal cost. This then gives chance for taxis to earn more if they so wish by working Christmas and New Years eve night. I know at present it is a struggle to get drivers to work these special nights and this could be the added incentive. A majority of other boroughs/Districts do make an allowance and tariffs are increased for these special nights. Please could this be added in to the consultation responses.
