|--|--|---|-----------------|
| <p><b>ACTION 3</b><br/><b>07/09/20</b><br/><b><u>OSC11/20</u></b><br/><b>Q5</b></p>  | <p>Councillor Wicks asked for clarification with regard to the Military Covenant Scheme</p>  | <p>Dan Horn agreed to circulate the specific references in local policy that Fenland has with regard to the armed forces and affordable housing.</p>  |                 |
| <p><b>ACTION 4</b><br/><b>07/09/20</b><br/><b><u>OSC11/20</u></b><br/><b>Q11</b></p> | <p>Councillor Booth asked for an update with regard to the information which was provided last year with regard to the provision of 422 houses proposed to be delivered over a 5-year period.</p>  | <p>Daniel Read stated that he will look into this further and provide the information to members through Dan Horn.</p>  |                 |
| <p><b>ACTION 5</b><br/><b>07/09/20</b><br/><b><u>OSC12/20</u></b><br/><b>Q7</b></p>  | <p>Cllr Mrs Mayor - There appears to have been an increased incidence of vandalism in some of the open spaces in Whittlesey Members are keen to understand what is being done to ensure there is a deterrent for this kind of behaviour.</p> | <p>It is important that every incidence of ASB is reported to the Police and to get a crime report number...this helps direct police resources. If there are particular hotspot areas please report this to <a href="mailto:antisocialbehaviour@fenland.gov.uk">antisocialbehaviour@fenland.gov.uk</a> and the Council will look at the issue in partnership with the Police and landowners.</p> <p>Discussions have also taken place re:</p> <ul style="list-style-type: none"> <li>- Removal of damaged picnic tables (any replacements need to be Broxap or similar anti-vandal units)</li> <li>- CCTV unit in Manor car park being serviced</li> <li>-</li> </ul> <p>Consideration of signage and CCTV unit linked to internal swimming pool CCTV (not an FDC monitored system) for the rear of the leisure centre.</p> | <p>Complete</p> |

|  |  |   |                 |
|--|--|---|-----------------|
| <p><b>ACTION 6</b><br/><b>07/09/20</b><br/><b><u>OSC12/20</u></b><br/><b>Q8</b></p>  | <p>Cllr Mrs Mayor<br/>- The report states that Vivacity has handed the assets back to Peterborough City Council and refers to another trust and area which has taken similar action, where is this and what is the trust involved?</p>                                   | <p>The other Trust was in southern England.<br/><br/><a href="https://www.worthingherald.co.uk/business/adur-leisure-centres-go-liquidation-over-150-people-made-redundant-2918215">https://www.worthingherald.co.uk/business/adur-leisure-centres-go-liquidation-over-150-people-made-redundant-2918215</a></p>  | <p>Complete</p> |
| <p><b>ACTION 7</b><br/><b>07/09/20</b><br/><b><u>OSC12/20</u></b><br/><b>Q10</b></p> | <p>Cllr Cornwell - Does this corporate priority include Health and Wellbeing more generally as there is very limited information about health and wellbeing other than from a COVID perspective and members would have liked to have received a more general update.</p> | <p>Unfortunately, due to the Covid-19 Pandemic, work to develop the health and wellbeing strategy has been put on hold, as has the County Council Health and Wellbeing Strategy and associated projects. The Health and Wellbeing Board did meet to consider the outbreak plan in July as a stand-alone item.</p> <p>As communities, economies and workplaces begin to return to normal these pieces of work will resume.</p> <p>During this time however health and wellbeing has been at the forefront of actions delivered by the Council through our services supporting communities via the hub, volunteers, advice and support for safe workplaces and ensuring our residents and businesses are able to access all available funding and support.</p> <p>Work has already started to deliver winter warmth projects as usual linked to winter flu and it is likely the usual financial support packages will be available to residents in hardship.</p> <p>The Council's recovery plan also includes actions for community support and development, volunteering capacity and outbreak management and therefore health and wellbeing is a focus of actions across council services</p> | <p>Complete</p> |

| <b>ACTION 8</b>   | <p>Cllr Cornwell - Members have not received an update in relation to Wisbech 2020 for some time and therefore would have preferred to have received a more comprehensive update as part of this report</p> | <p>Prior to lockdown, a meeting was held with the Core Vision Group to discuss to the future direction of travel of the Wisbech 2020 Vision project. Members of the Core Vision Group were keen that their political leadership group continued to meet to discuss initiatives associated with Wisbech. However, the progress of other local schemes such as Growing Fenland and I Love Wisbech, and the role that the CPCA now play in delivering infrastructure projects, meant that a different format may now be more appropriate.</p> <p>Officers are working on proposals to ensure all that these Wisbech projects play a complimentary role in delivering improvements in the town whilst including appropriate updates and feedback opportunities to the Core Vision Group and other partners.</p> |  |
| <p><b>ACTION 9</b><br/><b>09/11/20</b><br/><b><u>OSC21/20</u></b><br/><b>Q4</b></p> | <p>Councillor Skoulding asked Rowland Potter if he knew the numbers of people travelling by bus from Wisbech to March onto Peterborough or Cambridge for work on a full price ticket.</p>                   | <p>Rowland Potter advised that he did not have that level of detail to hand but would be able to provide that information from the business case post meeting.</p>  |  |
