Cover sheet:

4 Purpose / Summary

To review the Council's Fees and Charges for 2021/22, in line with the Budget Strategy considered by Cabinet on 14 December 2020.

5 Key issues

- At a separate agenda item, the draft Budget report for 2021/22 highlights the significant financial challenges the Council faces over the medium term and the scale of savings required.
- The current and forecast economic climate and the ongoing impact of the Covid-19 pandemic, dictates that the Council's charges have to remain sympathetic of local people's ability to pay, whilst at the same time maximising income to the Council.
- Consumer Price Index (CPI) inflation currently stands at 0.3% (November 2020), steadily reducing over the last twelve months from a rate of 1.5% (November 2019). Inflation is not forecast to rise significantly over the next year. Current and forecast rates are at historically low figures and officers have been mindful of the low inflation environment when considering proposals for increases in 2021/22.
- The inflation the Council experiences in some of its services may however be higher than CPI where contracts specify the Retail Prices Index (RPI) or is related to fuel and wage inflation. The increase in costs in these services may be higher than that being proposed for fees and charges.
- The proposed fees and charges for 2021/22 are attached at Appendix A.
- The proposals would, at current usage levels, generate further income from fees and charges of an estimated £48,820 (excluding the increase in Garden Waste subscriptions which has already been set). This amount is in line with the assumptions and income levels included in the draft budget report.
- Consequently, the emphasis is on increasing usage in order to maximise income levels. Any reduction in the level of increases proposed will increase the pressure on the 2020/21 budget.

6 Recommendations

- Members are asked to consider the proposals contained in this report and at Appendix A and to recommend to Cabinet the Fees and Charges to be included in the final budget proposals for 2021/22.

Report:

1 INTRODUCTION

- 1.1 The Draft Medium Term Financial Strategy and General Fund Budget 2020/21 considered by Cabinet on 14 December 2020 highlighted the significant challenges the Council faces over the medium term. Further details are contained in the draft budget report at a separate agenda item.
- 1.2 When reviewing the current level of fees and charges, officers have been mindful of the following principles:
- (i) The current economic climate, the impact of Covid-19 and the consequential impact on residents and businesses;
 - (ii) CPI Inflation currently stands at 0.3% (November 2020), with only a slight increase over the next twelve months;
 - (iii) The need to remain competitive and maintain/increase activity levels;
 - (iv) Flexibility in the charging regime to encourage increased usage and to assist with meeting Corporate Priorities;
 - (v) The need to maximise income levels to assist with funding the Medium Term Financial Forecasts.
- 1.3 The inflation the Council experiences in some of its services may however be higher than CPI where contracts specify the Retail Prices Index (RPI) or is related to fuel and wage inflation. The increase in costs in these services may be higher than that being proposed for fees and charges.
- 1.4 Although the Draft Budget report did not specifically identify a proposed increase in fees and charges, certain assumptions had to be made in order to produce the draft budget for 2021/22. The proposals detailed in this report will, overall, meet the income levels included in the Draft Budget report. Any reduction in the level of increases proposed will increase the pressure on the level of savings required.

2 PROPOSALS

- 2.1 The proposed fees and charges for 2021/22, together with comparisons with current charges, percentage increase and financial impact are detailed at Appendix A.
- 2.2 Many of the fees and charges are non-vatable and are shown in Appendix A as either exempt(e), non-business(n) or zero-rated(z). All other charges are standard rated and shown inclusive of VAT, with the exception of the charges for South Fens Business Centre, The Boathouse and Sutton Bridge Moorings, which are shown excluding VAT.
- 2.3 Some of the fees and charges are set centrally by government and apply to all local authorities. These are included in Appendix A and cover the following:
- Licensing Fees issued under the Licensing Act 2003 and Gambling Act 2005
 - Electoral Registration
 - Environmental Services – Process Authorisation Fees
 - Planning Fees
- There is no discretion in the setting of these fees and there are no further increases planned for 2021/22.
- 2.4 Planning Fees are set by government and after 5 years of no increase, these were increased by 20% with effect from 17 January 2018. No further increases in these fees are planned for 2021/22.

- 2.5 Taking into account the principles detailed in 1.2 above, all Service Teams have assessed their charges for 2021/22 and their proposals are detailed in Appendix A.
- 2.6 Detailed service proposals are contained in the following sections together with some commentary explaining the rationale for the proposed charges for 2021/22. With CPI inflation currently at an historic low of 0.3% and forecast to remain low throughout 2021/22, many of the charges are proposed to remain at current levels. The following sections are in the same order as detailed in Appendix A.

3 GROWTH & INFRASTRUCTURE SERVICES

3.1 Wisbech Port – Statutory Harbour Dues (Harbour & Light Dues, Conservancy Dues, Pilotage Dues and Additional Charges), Wharfage Dues (Wisbech only), Yacht Harbour (Wisbech only)

Statutory Dues

- Members will be aware that this Council is the Statutory Harbour Authority for the River Nene from Wisbech to the Bar Flat Buoy in The Wash. The Council is allowed to set charges to recover costs over a period of time, a principle re-iterated by the Department for Transport who have previously emphasised that there should not be any 'substantial or continuing subsidy from a local authority's general funds to its port'.
- These costs will be recovered from the charges levied on ships visiting Wisbech and Sutton Bridge using the Harbour Authority/Pilotage service. Due to lower than estimated ship numbers in 2020/21 with no significant improvement forecast for 2021/22, it is proposed that these charges be increased by around 4%.
- The overriding objective when setting charges is to recover the estimated costs of providing this service, taking into account projected ship numbers. There is no cross-subsidy between these charges and the commercial and yacht harbour operations at the Port.

Commercial and Yacht Harbour Fees

- The Council has benchmarked the commercial fees against neighbouring authorities and found that Fenland's charges are broadly in line with these. Consequently, no further increases are being proposed for the majority of Wharfage Dues, with the exception of Bricks and Scrap Metal.
- Ancilliary charges relating to both the statutory and commercial operations of the port have been reviewed and various levels of increases are proposed to better reflect the cost of providing these services.
- In order to better reflect the cost of providing the services at the Yacht Harbour, berthing rates are proposed to increase by around 10%. Ancilliary charges have been reviewed and individual increases are proposed as detailed at Appendix A. Regular benchmarking reviews show that the proposed charges remain competitive.
- Following the completion of the Sutton Bridge moorings, the Council has entered into an agreement with Lincolnshire County Council, who own the moorings, to manage them on their behalf. This includes the collection of berthing rates.

3.2 Mini-Factories, South Fens Business Centre and The Boathouse

- The 'upper limit' on Light Industrial Unit rates are proposed to increase by 2% in recognition of the ongoing buoyancy in the Light Industrial market that is not being seen by the Office sector. All other rates at the Business Centres are proposed to remain at current levels.

- There has been a significant impact on room hire income this year resulting from restrictions imposed during the Covid-19 pandemic. Consequently, no increases to room hire rates are being proposed for 2021/22.

4 HOUSING, ENVIRONMENT, LEISURE & COMMUNITY SERVICES

4.1 Generally, only minor changes to environment charges are being proposed for 2021/22 except for Ship Sanitation Certificates which are increased annually in line with the Association of Port Health Authorities recommended charges and the specific charges detailed below.

4.2 Cemeteries Service

- The Council provides a burial service in 6 cemeteries across the District, whilst maintaining another 15 closed cemeteries. FDC works hard to make sure that the cemeteries are well kept places to visit. In order to deliver what visitors to the cemeteries expect, we work together with our contractor, Tivoli Group, to ensure that high standards are maintained.
- It is proposed to increase the majority of fees, with increases ranging from 0.5% to 2.8%, in order to reflect the cost of providing and investing in the service and the limited size of the cemeteries themselves. The proposed fees remain comparable with neighbouring authorities.

4.3 Commercial and Chargeable Household Waste Services

- The commercial waste services are subject to competition from the private sector. To remain competitive, and support small local businesses, the proposed increases in charges primarily reflect the additional costs of disposal and treatment for both residual and recycling waste. In addition, and following approval by Cabinet in January, a fee for commercial food waste is being introduced.
- The Bulky Household Waste collection charge has been rationalised to make the charges more transparent and easier to calculate for customers, thereby supporting the approach to reduce the appeal of illegal collection services.
- With effect from April 2017, the Council has been operating a chargeable garden waste service. Full details of the scheme and charges are contained in various reports to Members throughout the last four years. As the charges for 2021/22 have already been set (annual subscription if paid by direct debit to increase from £36 to £38 and if paid by credit card/cash, to increase from £40 to £45), the estimated financial impact of the scheme has been included in the draft budget 2021/22.

4.4 Leisure Services

- Members will be aware that from 4 December 2018 new management arrangements are in place at the Council's Leisure Centres. The setting of charges at the leisure centres (with a few minor exceptions) are now the responsibility of Freedom Leisure, the new management contractor.

4.5 Travellers Sites

- The Council operates and manages 5 sites comprising 69 pitches, situated in Wisbech, Wisbech St. Mary, Murrow, Parson Drove and Chatteris, on behalf of Cambridgeshire County Council (who owns them). Site rents (including water charges) are proposed to increase by 1.5% in order to continue to cover costs and provide the necessary services and improvements to the sites. Any surpluses generated from these rents are re-invested in the sites in accordance with the management arrangements agreed with Cambridgeshire County Council.

4.6 Homeless Persons Accommodation

- Rent increases of around 1.5% are being proposed at Creek Road Hostel and at the temporary accommodation properties (leased from Clarion) in line with the social housing rent formula calculation and in order to cover costs.

4.7 Licensing

- Licensing Fees issued under the Licensing Act 2003 and Gambling Act 2005 are set by government and no increases are proposed for 2021/22. To reflect the full range of services provided, the schedule of fees now includes for providing a copy of the licence and for notification of changes.
- To meet the requirements of The Licensing of Animals (Prescribed Description) Animal Welfare (Licensing of Activities Involving Animals) (England) Regulations 2018, a revised set of fees was implemented with effect from October 2018, to be reviewed on a 3-yearly cycle. No further increases are proposed for 2021/22.
- Hackney Carriage/Private Hire Licences charges are currently set at a level to recover the estimated cost of the service. Consequently, no further increases are proposed for 2021/22.

5 POLICY, GOVERNANCE & PLANNING SERVICES

5.1 Planning Fees

- These fees are set by government. Following five years of no increases these fees were increased by 20% with effect from 17 January 2018. No further increases in these fees are planned for 2021/22.
- At the same time as the planning fee increase, pre-application planning advice charges were also increased by 20%. No further increases in these fees are planned for 2021/22.
- No increase in ancillary charges is proposed as very limited income is generated from these.

5.2 Land Charges

- No increase in the basic search fees are being proposed, as the current fees are at a level which covers costs and maintains competitiveness.
- Some of the fees contain an element set by Cambridgeshire County Council and these will be updated when we receive notification from them of their fees for 2021/22.

5.3 Electoral Registration

- These fees are set by government and no further increases are planned for 2021/22.

6 FINANCIAL SUMMARY

- 6.1 The proposals in sections 3-5 above and Appendix A would, at current usage levels, generate further net income from fees and charges of an estimated £48,820 (excluding the increase in Garden Waste subscriptions which has already been set). This amount is in line with the assumptions and income levels included in the draft budget report. Any reduction in the level of increases proposed will increase the pressure on the 2021/22 budget.
- 6.2 The total estimated fees and charges which will be included in the final budget report for 2021/22, will take into account the agreed level of fees together with estimated usage/activity levels.
