4 Purpose / Summary

To review the Council's Fees and Charges for 2022/23, in line with the Budget Strategy considered by Cabinet on 8 December 2021.

5 Key issues

- At a separate agenda item, the draft Budget report for 2022/23 highlights the significant financial challenges the Council faces over the medium term and the scale of savings required.
- The current and forecast economic climate and the ongoing impact of the Covid-19 pandemic, dictates that the Council's charges have to remain sympathetic of local people's ability to pay, whilst at the same time maximising income to the Council.
- Consumer Price Index (CPI) inflation currently stands at 5.1% (November 2021), steadily increasing over the last twelve months from a rate of 0.3% (November 2020). Inflation is forecast to continue to rise over the coming months before reducing slightly towards the end of next year. Current and forecast rates are significantly higher than the historically low figures seen in previous years and this has been reflected, where appropriate in the proposals for increases in 2022/23.
- The inflation the Council experiences in some of its services may however be higher than CPI where contracts specify the Retail Prices Index (RPI) or is related to fuel and wage inflation. The increase in costs in these services may be higher than that being proposed for fees and charges.
- The proposed fees and charges for 2022/23 are attached at Appendix A.
- The proposals would, at current usage levels, generate further income from fees and charges of an estimated £62,500. This amount is £24,500 higher than the income levels included in the draft budget report which had assumed increases based on the September 2021 CPI of 3.1%.
- Consequently, the emphasis is on increasing usage in order to maximise income levels. Any reduction in the level of increases proposed will increase the pressure on the level of savings required in the 2022/23 budget.
- Recommendations
- Members are asked to consider the proposals contained in this report and at Appendix A and to recommend to Cabinet the Fees and Charges to be included in the final budget proposals for 2022/23.

Report:

1 INTRODUCTION

- 1.1 The Draft Medium Term Financial Strategy and General Fund Budget 2022/23 considered by Cabinet on 8 December 2021 highlighted the significant challenges the Council faces over the medium term. Further details are contained in the draft budget report at a separate agenda item.
- 1.2 When reviewing the current level of fees and charges, officers have been mindful of the following principles:
- (i) The current economic climate, the impact of Covid-19 and the consequential impact on residents and businesses;
 - (ii) CPI Inflation currently stands at 5.1% (November 2021), a significant increase over the last twelve months (0.3% in November 2020);
 - (iii) The need to remain competitive and maintain/increase activity levels;
 - (iv) Flexibility in the charging regime to encourage increased usage and to assist with meeting Corporate Priorities;
 - (v) The need to maximise income levels to assist with funding the Medium Term Financial Forecasts.
- 1.3 The inflation the Council experiences in some of its services may however be higher than CPI where contracts specify the Retail Prices Index (RPI) or is related to fuel and wage inflation. The increase in costs in these services may be higher than that being proposed for fees and charges.
- 1.4 Although the Draft Budget report did not specifically identify a proposed increase in fees and charges, certain assumptions had to be made in order to produce the draft budget for 2022/23. The proposals detailed in this report will, overall, exceed the income levels included in the Draft Budget report by £24,500 as the September CPI figure of 3.1% was used for estimated fee increases. Any reduction in the level of increases proposed will increase the pressure on the level of savings required.

2 PROPOSALS

- 2.1 The proposed fees and charges for 2022/23, together with comparisons with current charges, percentage increase and financial impact are detailed at Appendix A.
- 2.2 Many of the fees and charges are non-vatable and are shown in Appendix A as either exempt(e), non-business(n) or zero-rated(z). All other charges are standard rated and shown inclusive of VAT, with the exception of the charges for South Fens Business Centre, The Boathouse and Sutton Bridge Moorings, which are shown excluding VAT.
- 2.3 Some of the fees and charges are set centrally by government and other bodies and apply to all local authorities. These are included in Appendix A and cover the following:
- Licensing Fees issued under the Licensing Act 2003 and Gambling Act 2005
 - Electoral Registration
 - Environmental Health – Process Authorisation Fees and Ship Sanitation Certificates
 - Planning Fees

There is no discretion in the setting of these fees. The only increases planned for 2022/23 are for Ship Sanitation Certificates as set by the Association of Port Health Authorities (as detailed in Appendix A).

- 2.4 Planning Fees are set by government and after 5 years of no increase, these were increased by 20% with effect from 17 January 2018. No further increases in these fees are planned for 2022/23.
- 2.5 Taking into account the principles detailed in 1.2 above, all Service Teams have assessed their charges for 2022/23 and their proposals are detailed in Appendix A.
- 2.6 Detailed service proposals are contained in the following sections together with some commentary explaining the rationale for the proposed charges for 2021/22. With CPI inflation currently at 5.1% and forecast to increase over the coming months, where appropriate the charges have been increased by this figure. The following sections are in the same order as detailed in Appendix A.

3 GROWTH & INFRASTRUCTURE SERVICES

3.1 Wisbech Port – Statutory Harbour Dues (Harbour & Light Dues, Conservancy Dues, Pilotage Dues and Additional Charges), Wharfage Dues (Wisbech only), Yacht Harbour (Wisbech only)

Statutory Dues

- Members will be aware that this Council is the Statutory Harbour Authority for the River Nene from Wisbech to the Bar Flat Buoy in The Wash. The Council is allowed to set charges to recover costs over a period of time, a principle re-iterated by the Department for Transport who have previously emphasised that there should not be any 'substantial or continuing subsidy from a local authority's general funds to its port'.
- These costs will be recovered from the charges levied on ships visiting Wisbech and Sutton Bridge using the Harbour Authority/Pilotage service. Due to lower than estimated ship numbers in 2021/22, particularly at Port Sutton Bridge and with no significant improvement forecast for 2022/23, it is proposed that these charges be increased by CPI.
- The overriding objective when setting charges is to recover the estimated costs of providing this service, taking into account projected ship numbers. There is no cross-subsidy between these charges and the commercial and yacht harbour operations at the Port.

Commercial and Yacht Harbour Fees

- Commercial fees (Wharfage Dues) are proposed to increase by CPI to keep pace with the costs of providing this service. These fees are still broadly in line with neighbouring authorities.
- Ancilliary charges relating to both the statutory and commercial operations of the port have been reviewed and these are proposed to increase by CPI to reflect the cost of providing these services.
- Yacht Harbour berthing rates and ancillary charges are proposed to increase by CPI to keep pace with the costs of providing this service. Regular benchmarking reviews show that the proposed charges remain competitive.
- Following the completion of the Sutton Bridge moorings, the Council has entered into an agreement with Lincolnshire County Council, who own the moorings, to manage them on their behalf. This includes the collection of berthing rates.

3.2 Mini-Factories, South Fens Business Centre and The Boathouse

- All rents and associated charges are proposed to increase by CPI. The proposed rents would apply to new tenants and following rent reviews for existing tenants.

- There has been a significant impact on room hire income over the past two years resulting from restrictions imposed during the Covid-19 pandemic. These rates were not increased in 2021/22 and it is proposed to increase these by CPI for 2022/23. The proposed charges are still considered to be competitive.

4 COMMUNITIES, ENVIRONMENT, LEISURE & PLANNING SERVICES

4.1 Generally, only minor changes to environment charges are being proposed for 2022/23 except for Ship Sanitation Certificates which are increased annually in line with the Association of Port Health Authorities recommended charges and the specific charges detailed below.

4.2 Cemeteries Service

- The Council provides a burial service in 6 cemeteries across the District, whilst maintaining another 15 closed cemeteries. FDC works hard to make sure that the cemeteries are well kept places to visit. In order to deliver what visitors to the cemeteries expect, we work together with our contractor, Tivoli Group, to ensure that high standards are maintained.
- It is proposed to increase the majority of fees by CPI, in order to reflect the cost of providing and investing in the service and the limited size of the cemeteries themselves. The proposed fees remain comparable with neighbouring authorities.

4.3 Commercial and Chargeable Household Waste Services

- The commercial waste services are subject to competition from the private sector. To remain competitive, and support small local businesses, no increases in charges are being proposed.
- The Bulky Household Waste collection charge was rationalised in 2021/22 to make the charges more transparent and easier to calculate for customers, thereby supporting the approach to reduce the appeal of illegal collection services. For 2022/23 the number of items in a bulky collection is proposed to increase from 4 to 5 for the minimum £30 fee.
- With effect from April 2017, the Council has been operating a chargeable garden waste service. Full details of the scheme and charges are contained in various reports to Members throughout the last five years. As the charges for 2022/23 have already been set (annual subscription if paid by direct debit to remain at £38 and if paid by debit card/cash, to remain at £45), the estimated financial impact of the scheme has been included in the draft budget 2022/23.

4.4 Leisure Services

- Members will be aware that from 4 December 2018 new management arrangements are in place at the Council's Leisure Centres. The setting of charges at the leisure centres (with a few minor exceptions) are now the responsibility of Freedom Leisure, the new management contractor.

4.5 Travellers Sites

- The Council operates and manages 5 sites comprising 64 pitches, situated in Wisbech, Wisbech St. Mary, Murrow, Parson Drove and Chatteris, on behalf of Cambridgeshire County Council (who owns them). Site rents (including water charges) are proposed to increase by 3.1% in order to continue to cover costs and provide the necessary services and improvements to the sites. Any surpluses generated from these rents are re-invested in the sites in accordance with the management arrangements agreed with Cambridgeshire County Council.

4.6 Homeless Persons Accommodation

- Rent increases of around 3.1% are being proposed at Creek Road Hostel in line with the social housing rent formula calculation. No increases in rents of the temporary accommodation properties (leased from Clarion) are being proposed as this would adversely affect the amount of housing benefit subsidy the Council would receive.

4.7 Planning Fees

- These fees are set by government. Following five years of no increases these fees were increased by 20% with effect from 17 January 2018. No further increases in these fees are planned for 2022/23.
- At the same time as the planning fee increase, pre-application planning advice charges were also increased by 20%. No further increases in these fees are planned for 2022/23.
- No increase in ancillary charges is proposed as very limited income is generated from these.

4.8 Licensing

- Licensing Fees issued under the Licensing Act 2003 and Gambling Act 2005 are set by government and no increases are proposed for 2022/23. To reflect the full range of services provided, the schedule of fees includes for providing a copy of the licence and for notification of changes.
- To meet the requirements of The Licensing of Animals (Prescribed Description) Animal Welfare (Licensing of Activities Involving Animals) (England) Regulations 2018, a revised set of fees was implemented with effect from October 2018, to be reviewed on a 3-yearly cycle. Fees are proposed to increase by CPI for 2022/23.
- Proposed increases in Hackney Carriage/Private Hire Licences charges include for the recovery of the cost of new software to enable processes to become more digital. Consequently, the proposed charges for 2022/23 are higher than CPI but subsequent years charges will not require the same level of increase as it is envisaged that less officer time will be required in the future.

5 RESOURCES & CUSTOMER SERVICES

5.1 Land Charges

- No increase in the basic search fees is being proposed, as the current fees are at a level which covers costs and maintains competitiveness.
- Some of the fees contain an element set by Cambridgeshire County Council and these will be updated when we receive notification from them of their fees for 2022/23.
- This service is currently undertaking a data migration project with HM Land Registry and from some point in 2022 (likely to be April/May 2022) we will no longer provide the LLC1 search service (including Full Residential and Commercial Searches), as this will be obtained directly from the Land Registry. We will however retain fees relating to CON29 residential and commercial and all the additional questions.
- The estimated financial impact of this data migration project has been included in the draft budget 2022/23.

5.2 Electoral Registration

- These fees are set by government and no further increases are planned for 2022/23.

6 FINANCIAL SUMMARY

- 6.1 The proposals in sections 3-5 above and Appendix A would, at current usage levels, generate further net income from fees and charges of an estimated £62,500. This amount is £24,500 higher than the income levels included in the draft budget report which had assumed increases based on the September 2021 CPI of 3.1%. Any reduction in the level of increases proposed will increase the pressure on the level of savings required in the 2022/23 budget.
- 6.2 The total estimated fees and charges which will be included in the final budget report for 2022/23, will take into account the agreed level of fees together with estimated usage/activity levels.
