In April 2015 Public Sector Audit Appointments Ltd (PSAA) issued “Statement of responsibilities of auditors and audited bodies 2015-16”. It is available from the Chief Executive of each audited body and via the PSAA website (www.psa.co.uk)

The Statement of responsibilities serves as the formal terms of engagement between appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The ‘Terms of Appointment from 1 April 2015’ issued by PSAA sets out additional requirements that auditors must comply with, over and above those set out in the National Audit Office Code of Audit Practice (the Code) and statute, and covers matters of practice and procedure which are of a recurring nature.

This Audit Results Report is prepared in the context of the Statement of responsibilities. This report is intended solely for the use of the Members of the audited body. We, as appointed auditor, take no responsibility to any third party.

Our Complaints Procedure – If at any time you would like to discuss with us how our service to you could be improved, or if you are dissatisfied with the service you are receiving, you may take the issue up with your usual partner or director contact. If you prefer an alternative route, please contact Steve Varley, our Managing Partner, 1 More London Place, London SE1 2AF. We undertake to look into any complaint carefully and promptly and to do all we can to explain the position to you. Should you remain dissatisfied with any aspect of our service, you may of course take matters up with our professional institute. We can provide further information on how you may contact our professional institute.

1. Executive summary

The National Audit Office's Code of Audit Practice (the Code) requires us to report to those charged with governance – the Corporate Governance Committee – on the work we have carried out to discharge our statutory audit responsibilities together with any governance issues identified. This report summarises the findings from the 2015/16 audit which is substantially complete. It includes messages arising from our audit of your financial statements and the results of the work we have undertaken to assess your arrangements to secure economy, efficiency and effectiveness in your use of resources.

Below are the results and conclusions on the significant areas of the audit process.

Status of the audit	<p>We have substantially completed our audit of the financial statements of Fenland District Council for the financial year ended 31 March 2016. Subject to satisfactory completion of the following outstanding items:</p> <ul style="list-style-type: none"> • Related party transaction note; • Receipt of response from Cambridge County Pension Fund auditor; • Review of the final version of the financial statements; • Completion of subsequent events review; and • Receipt of the signed management representation letter. <p>We have performed the procedures outlined in our Audit Plan and anticipate issuing an unqualified opinion on the Council's financial statements. This is our first year as the Council's External Auditor. We have been impressed with the Council's approach to our audit and the closedown of its financial statements. The quality of the financial statements and the working papers provided for audit was of a very high standard. Officers have been prompt and helpful in resolving our audit queries. This has facilitated a smooth transition.</p> <p>We expect to conclude that you have put in place proper arrangements to secure value for money in your use of resources.</p> <p>We have performed the procedures required by the National Audit Office (NAO) regarding the Whole of Government Accounts submission. We had no issues to report.</p> <p>We expect to issue the audit certificate at the same time as the audit opinion.</p>
Audit differences	<p>There are no unadjusted audit differences to date.</p> <p>Our audit identified a very limited number of audit differences which our team have highlighted to management for amendment. These only relate to disclosure and presentational matters and have been corrected during the course of our work. Further details are provided at Appendix A. These adjustments have not had an impact on useable reserves.</p>
Scope and materiality	<p>In our audit plan presented at the 02 February 2016 Corporate Governance Committee meeting, we communicated that our audit procedures would be performed using a materiality of £1.1m. We have reassessed this based on the actual results for the financial year and there has been no change to the materiality level we have applied</p> <p>The threshold for reporting audit differences which impact the financial statements has also not changed from £50,000. The basis of our assessment is 2% of gross operating expenditure.</p> <p>We also identified the following areas where misstatement at a level lower than our overall materiality level might influence the reader. For these areas we developed an audit strategy specific to these areas, the areas</p>

identified and audit strategy applied include:

- Remuneration disclosures including any exit packages and termination benefits: Reduced materiality level of £5,000 is applied to our testing of disclosures for completeness and accuracy. This is in line with the bandings reported in the accounts;
- Related party transactions: Reduced materiality level of £50,000 is applied to testing of disclosures for completeness and accuracy. We also carry out Companies House searches to identify whether any key decision-makers in the Council had undisclosed interests; and
- Members allowances: review and test all transactions to supporting evidence and approvals

We carried out our work in accordance with our Audit Plan.

Significant audit risks

We identified the following audit risks during the planning phase of our audit, and reported these to you in our audit plan:

- Pensions accounting;
- Risk of fraud in revenue recognition;
- Risk of management override.

The 'addressing audit risks' section of this report sets out how we have gained audit assurance over those issues.

Other reporting issues

We have no other matters we wish to report.

Control observations

We have adopted a fully substantive approach and have therefore not tested the operation of controls.

We would like to take this opportunity to thank the Council's staff for their assistance during the course of our work.

Neil Harris

Executive Director
For and on behalf of Ernst & Young LLP

2. Responsibilities and purpose of our work

The Council's responsibilities

The Council is responsible for preparing and publishing its Statement of Accounts, accompanied by the Annual Governance Statement (AGS). In the AGS, the Council reports publicly on the extent to which it complies with its own code of governance, including how it has monitored and evaluated the effectiveness of its governance arrangements in the year, and on any planned changes in the coming period.

The Council is also responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

Purpose of our work

Our audit was designed to:

- Express an opinion on the 2015/16 financial statements and the consistency of other information published with them;
- Report on an exception basis on the Annual Governance Statement;
- Consider and report any matters that prevent us being satisfied that the Council had put in place proper arrangements for securing economy, efficiency and effectiveness in the use of resources (the value for money conclusion); and
- Discharge our statutory duties and responsibilities as established by the Local Audit and Accountability Act 2014 and Code of Audit Practice.

In addition, this report contains our findings related to the areas of audit emphasis and any views on significant deficiencies in internal control or the Council's accounting policies and key judgments.

Alongside our work on the financial statements, we also review and report to the National Audit Office on your Whole of Government Accounts return. The extent of our review and the nature of our report are specified by the National Audit Office.

3. Financial statements audit

Addressing audit risks

We identified the following audit risks during the planning phase of our audit, and reported these to you in our Audit Plan. Here, we set out how we have gained audit assurance over those issues.

A significant audit risk in the context of the audit of the financial statements is an inherent risk with both a higher likelihood of occurrence and a higher magnitude of effect should it occur and which requires special audit consideration. For significant risks, we obtain an understanding of the entity's controls relevant to each risk and assess the design and implementation of the relevant controls.

Significant Risks (including fraud risks)	Audit procedures performed	Assurance gained and issues arising
<p>Pensions Accounting</p> <p>The Council operates a defined benefits pension scheme. Accounting for this scheme involves significant estimation and judgement. The Pension liability is the largest balance on the balance sheet. Due to the nature, volume and size of the transactions we consider this to be a significant risk.</p> <p>The Council recognises on its balance sheet a liability for the Pilot's Pension Scheme. As this is our first year of audit, we will need to consider the treatment of the Pilot's Pension Scheme including specific judgements made by management in regards to the recognition and treatment in the Council's accounts.</p>	<ul style="list-style-type: none"> Liaised with the auditors of the Cambridgeshire Pension Fund, to obtain assurances over the information supplied to the actuary in relation to Fenland District Council; Assessed the conclusions drawn on the work of the actuary by the Consulting Actuary commissioned by Public Sector Auditor Appointments, PwC; and Reviewed and tested the accounting entries and disclosures made in relation to IAS19. Liaised with the actuary of the Pilot's Pension Scheme to gain an understanding of their competencies and capabilities Reviewed the accounting treatment made against our expectations 	<p>We have gained assurance over the pension valuations and disclosures.</p> <p>We are waiting on a response from the Pension Fund auditor to be able to form our final conclusion.</p> <p>We have gained sufficient assurance over the Pilot's Pension Scheme valuation and disclosures. We have tested the accounting treatment and have no matters to report.</p>
<p>Risk of fraud in revenue recognition</p> <p>Under ISA240 there is a presumed risk that revenue may be misstated due to improper recognition of revenue.</p> <p>In the public sector, this requirement is modified by Practice Note 10, issued by the Financial Reporting Council, which states that auditors should also consider the risk that material misstatements may occur by the manipulation of expenditure recognition.</p>	<ul style="list-style-type: none"> Reviewed and test revenue and expenditure recognition policies Reviewed and discussed with management any accounting estimates on revenue or expenditure recognition for evidence of bias Developed a testing strategy to test material revenue and expenditure streams Tested revenue cut-off at the period end date Tested the additions to capital to ensure they are capital in nature 	<p>We have undertaken our review of accounting policies and estimates, and have discussed estimates with management. We have undertaken substantive testing on income and expenditure streams testing the rationale of the transaction along with the values and have not identified any issues.</p> <p>We have completed cut off testing on income and expenditure and have nothing to report in regards to income and expenditure being recorded in the incorrect period.</p> <p>Our testing on the capitalisation of expenditure has not identified any matters to report.</p>

<p>Risk of management override</p> <p>As identified in ISA (UK and Ireland) 240, management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively. We identify and respond to this fraud risk on every audit engagement.</p>	<ul style="list-style-type: none"> • Tested the appropriateness of journal entries recorded in the general ledger and other adjustments made in the preparation of the financial statements • Reviewed accounting estimates for evidence of management bias including the pension liability, NDR appeals provision, valuation of PPE and investment properties; and • Evaluated the business rationale for any significant unusual transactions 	<p>Our testing of the appropriateness of journal entries and other adjustments is complete. We have no matters we wish to bring to your attention.</p> <p>We have reviewed accounting estimates for management bias and have not identified any issues with the estimates reviewed.</p> <p>We have not identified any significant unusual transactions.</p>
---	--	---

We also identified the following audit risks during the planning phase of our audit, and reported these to you in our Audit Plan. Here, we set out how we have gained audit assurance over those issues.

Other Risks	Audit procedures performed	Assurance gained and issues arising
<p>Valuation and impairment of fixed assets</p> <p>Fixed Assets (Property, Plant and Equipment and Investment Properties) represent the largest asset value on the Council's balance sheet. Fixed Assets are initially measured at cost and then revalued to fair value (determined by the amount that would be paid for the asset in its existing use) on a 5 year rolling basis. This is carried out by an external expert valuer and is based on a number of complex assumptions. Annually assets are assessed to identify whether there is any indication of impairment.</p> <p>ISAs (UK and Ireland) 500 and 540 require us to undertake procedures on the use of external experts and assumptions underlying fair value estimates</p>	<ul style="list-style-type: none"> • Considered revaluations in year, the basis of valuation of significant assets and any significant changes in use to ensure the assumptions used remained appropriate. • Reviewed the valuation expertise used by the Council • Reviewed the reasonableness of the estimations and judgements used. 	<p>We have reviewed the year end valuations for property, plant and equipment and investment properties and have nothing to report.</p> <p>We have reviewed the expertise of the valuer used by the council and have reviewed reasonableness of estimations and judgements made. We have not identified any matters that need to be brought to your attention.</p>

Other matters

As required by ISA (UK&I) 260 and other ISAs specifying communication requirements, we are required to communicate to you significant findings from the audit and other matters that are significant to you oversight of the Council's financial reporting process, including the following:

- Qualitative aspects of your accounting practices; estimates and disclosures;
- Matters specifically required by other auditing standards to be communicated to those charged with governance. For example, issues about fraud, compliance with laws and regulations, external confirmations and related party transactions;

- Any significant difficulties encountered during the audit; and
- Other audit matters of governance interest

We have no matters we wish to report.

We wish to report the following matters:

- The quality of the draft accounts presented for audit and the working papers used to support them were of a high standard. We want to thank the finance team for their consideration of the new areas introduced this year in the narrative report and IFRS 13 disclosures, which have been clearly presented and follow the updated code guidance.

Control themes and observations

It is the responsibility of the Council to develop and implement systems of internal financial control and to put in place proper arrangements to monitor their adequacy and effectiveness in practice. Our responsibility as your auditor is to consider whether the Council has put adequate arrangements in place to satisfy itself that the systems of internal financial control are both adequate and effective in practice.

We have adopted a fully substantive approach and have therefore not tested the operation of controls.

We have reviewed the Annual Governance Statement and can confirm that it not misleading or inconsistent with other information forthcoming from the audit or our knowledge of the Council.

Request for written representations

We have requested a management representation letter to gain management's confirmation in relation to a number of matters. We have not requested any specific representations in addition to the standard representations.

Whole of Government Accounts

Alongside our work on the financial statements, we also review and report to the National Audit Office on your Whole of Government Accounts return. The extent of our review and the nature of our report are specified by the National Audit Office.

The Council falls below the £350 million threshold for a full review, so we have undertaken the limited procedures that are required. We have concluded our work in this area and have no matters to report to the Audit Committee.

4. Value for money

We are required to consider whether the Council has put in place 'proper arrangements' to secure economy, efficiency and effectiveness on its use of resources. This is known as our value for money conclusion.

Proper arrangements are defined by statutory guidance issued by the National Audit Office. They comprise your arrangements to:

- ▶ Take informed decisions;
- ▶ Deploy resources in a sustainable manner; and
- ▶ Work with partners and other third parties.

Overall conclusion

We did not identify any significant risks in relation to these criteria.

We did not identify any significant weaknesses in the Council's arrangements to ensure it took properly informed decisions and deployed resources to achieve planned and sustainable outcomes for taxpayers and local people.

We therefore expect to conclude that you have put in place proper arrangements to secure value for money in your use of resources

The Council have undertaken a comprehensive spending review in year. This has identified savings and additional revenue income projects across the Council. With a number of these projects being implemented in 2016/17 and 2017/18 we have been able to conclude that the Council has a robust plan to address their medium term financial strategy. This is added to by the good track record on financial standing.

Appendix A – Corrected audit differences

The following corrected differences, which are greater than £0.05 million, have been identified during the course of our audit and warrant communicating to you.

These items have been corrected by management within the revised financial statements.

Disclosures

Disclosure	Description of difference
Collection fund Note 3	The total Non-domestic rateable value has been understated by £104,397. Note 3 of the Collection Fund has been updated to reflect the actual rateable value as at 31 March 2016. This note is provided for information purposes only and does not change any of the Collection Fund Account figures.

Appendix B – Independence

We confirm there are no changes in our assessment of independence since our confirmation in our Audit Plan dated 22 January 2016.

We complied with the Auditing Practices Board's Ethical Standards for Auditors and the requirements of the Public Sector Audit Appointments Ltd (PSAA)'s Terms of Appointment. In our professional judgement the firm is independent and the objectivity of the audit engagement partner and audit staff has not been compromised within the meaning of regulatory and professional requirements.

We confirm that we are not aware of any relationships that may affect the independence and objectivity of the firm that we are required by auditing and ethical standards to report to you.

We consider that our independence in this context is a matter that should be reviewed by both you and ourselves. It is therefore important that you consider the facts of which you are aware and come to a view. If you wish to discuss any matters concerning our independence, we will be pleased to do so at the forthcoming meeting of the Corporate Governance Committee on 27th September 2016.

We confirm that we have met the reporting requirements to the Corporate Governance Committee, as 'those charged with governance' under International Standards on Auditing (UK and Ireland) 260 – Communication with those charged with governance. Our communication plan to meet these requirements was set out in our Audit Plan of 22 January 2016.

Appendix C – Auditor fees

The table below sets out the scale fee and our final proposed audit fees.

Description	Proposed final Fee 2015/16 £'s	Scale Fee 2015/16 £'s	Variation comments
Total Audit Fee – Code work	49,186	49,186	None
Certification of claims and returns	To be confirmed	14,262	None
Port Authority Audit work	2,600	-	

Certification of claims and returns. We have not commenced our work in this area. We will report the results of our work and the final fee with you in our Annual Certification Report.

We confirm we have not undertaken any non-audit work outside of the Public Sector Audit Appointment's requirements.

Appendix D – Management representation letter

Email: NI-Herts2@uk.ey.com

Dear Rob,

Fenland District Council – 2015/16 financial year Request for a letter of representation

International Standards on Auditing set out guidance on the use by auditors of management representations (ISA (UK&I) 580) and on possible non-compliance with laws and regulations (ISA (UK&I) 250). I have interpreted this guidance as it affects Local Government bodies and I expect the following points to apply:

- auditors may wish to obtain written representation where they are relying on management's representations in respect of judgemental matters (for example the level of likely incidence of a claim), which may not be readily corroborated by other evidence;
- auditors are likely to request written representations on the completeness of information provided;
- auditors may wish to obtain written representation on issues other than those directly related to the Statement of Accounts;
- the letter is dated on the date on which the auditor signs the opinion and certificate;
- the letter is signed by the person or persons with specific responsibility for the financial statements; and
- the letter is formally acknowledged as having been discussed and approved by the Civic Affairs, as those charged with governance of the Council.

I would expect the letter of representation to include the following matters.

General statement

That the letter of representations is provided in connection with our audit of the financial statements of Fenland District Council (the Council) for the year ended [balance sheet date]. That you recognise that obtaining representations from you concerning the information contained in this letter is a significant procedure in enabling us to form an opinion as to whether the financial statements give a true and fair view of the Council financial position of Fenland District Council as of 31 March 2016 and of its income and expenditure for the year then ended in accordance with CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16.

You understand that the purpose of our audit of your financial statements is to express an opinion thereon and that our audit is conducted in accordance with International Standards on Auditing (UK and Ireland), which involves an examination of the accounting system, internal control and related data to the extent we considered necessary in the circumstances, and is not designed to identify - nor necessarily be expected to disclose - all fraud, shortages, errors and other irregularities, should any exist.

Accordingly, you make the following representations, which are true to the best of your knowledge and belief, having made such inquiries as you considered necessary for the purpose of appropriately informing ourselves:

A. Financial Statements and Financial Records

1. That you have fulfilled your responsibilities, under the relevant statutory authorities, for the preparation of the financial statements in accordance with the CIPFA Code of Practice on Local Authority Accounting (CIPFA Code).
2. That you acknowledge your responsibility for the fair presentation of the financial statements. You believe the financial statements referred to above give a true and fair view of the financial position, financial performance and cash flows of the Council in accordance with the CIPFA Code and are free of material misstatements, including omissions. You have approved the financial statements.
3. You confirm that the Responsible Officer has:
 - Reviewed the accounts
 - Reviewed all relevant written assurances relating to the accounts, and
 - Made other enquiries as appropriate.
4. That the significant accounting policies adopted in the preparation of the financial statements are appropriately described in the financial statements.
5. As members of management of the Council, we believe that the Council has a system of internal controls adequate to enable the preparation of accurate financial statements in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16, that are free from material misstatement, whether due to fraud or error
6. You believe that the effects of any unadjusted audit differences, summarised in Appendix 1, if relevant, accumulated by us during the current audit and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole. Please specify the reasons for not correcting these misstatements.

B. Fraud

1. You acknowledge that you are responsible for the design, implementation and maintenance of internal controls to prevent and detect fraud

2. You have disclosed to us the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
3. That you have no knowledge of any fraud or suspected fraud involving management or other employees who have a significant role in the Council internal controls over financial reporting. In addition, you have no knowledge of any fraud or suspected fraud involving other employees in which the fraud could have a material effect on the financial statements. You have no knowledge of any allegations of financial improprieties, including fraud or suspected fraud, (regardless of the source or form and including without limitation, any allegations by "whistleblowers") which could result in a misstatement of the financial statements or otherwise affect the financial reporting of the Council.

C. Compliance with Laws and Regulations

1. You have disclosed to us all known actual or suspected non-compliance with laws and regulations whose effects should be considered when preparing the financial statements.

D. Information Provided and Completeness of Information and Transactions

1. You have provided us with:
 - Access to all information of which we are aware that is relevant to the preparation of the financial statements such as records, documentation and other matters as agreed in terms of the audit engagement.
 - Additional information that we have requested from us for the purpose of the audit; and
 - Unrestricted access to persons within the entity from whom we determined it necessary to obtain audit evidence.
2. That all material transactions have been recorded in the accounting records and are reflected in the financial statements.
3. That you have made available to us all minutes of the meetings of the Council and its relevant committees (or summaries of actions of recent meetings for which minutes have not yet been prepared) held through the year to the most recent meeting on the following date: 27 September 2016.
4. That you confirm the completeness of information provided regarding the identification of related parties. We have disclosed to you the identity of the Council related parties and all related party relationships and transactions of which you are aware, including sales, purchases, loans, transfers of assets, liabilities and services, leasing arrangements, guarantees, non-monetary transactions and transactions for no consideration for the period ended, as well as related balances due to or from such parties at the year end. These transactions have been appropriately accounted for and disclosed in the financial statements.
5. That you believe that the significant assumptions you used in making accounting estimates, including those measured at fair value, are reasonable.

6. That you have disclosed to us, and the Council has complied with, all aspects of contractual agreements that could have a material effect on the financial statements in the event of non-compliance, including all covenants, conditions or other requirements of all outstanding debt.

E. Liabilities and Contingencies

1. All liabilities and contingencies, including those associated with guarantees, whether written or oral, have been disclosed to us and are appropriately reflected in the financial statements.
2. That you have informed us of all outstanding and possible litigation and claims, whether or not they have been discussed with legal counsel.
3. That you have recorded and/or disclosed, as appropriate, all liabilities related litigation and claims, both actual and contingent, and have disclosed in the financial statements all guarantees that you have given to third parties.

F. Subsequent Events

1. That other than described in the financial statements, there have been no events subsequent to period end which require adjustment of or disclosure in the financial statements or notes thereto.

G. Accounting Estimates

1. That you believe that the significant assumptions you used in making accounting estimates, including those measured at fair value, are reasonable.
2. In respect of accounting estimates recognised or disclosed in the financial statements:
 - That you believe the measurement processes, including related assumptions and models, you used in determining accounting estimates is appropriate and the application of these processes is consistent.
 - That the disclosures relating to accounting estimates are complete and appropriate in accordance with the applicable financial reporting framework.
 - That the assumptions you used in making accounting estimates appropriately reflects your intent and ability to carry out specific courses of action on behalf of the entity, where relevant to the accounting estimates and disclosures.
 - That no subsequent event requires an adjustment to the accounting estimates and disclosures included in the financial statements.

H. Segmental reporting

1. That you have reviewed the operating segments reported internally to the Council and that you are satisfied that it is appropriate to aggregate these as, in accordance with IFRS 8: Operating Segments, they are similar in each of the following respects:

I. Going Concern

1. That you have made us aware of any issues that are relevant to the Council's ability to continue as a going concern, including significant conditions and events, our plans for future action, and the feasibility of those plans.

J. Retirement Benefits

1. That on the basis of the process established by you and having made appropriate enquiries, you are satisfied that the actuarial assumptions underlying the scheme liabilities are consistent with your knowledge of the business. That all significant retirement benefits and all settlements and curtailments have been identified and properly accounted for.

K. Use of management experts

1. That you agree with the findings of the experts engaged to evaluate the values of the Council's land and buildings and have adequately considered the qualifications of the experts in determining the amounts and disclosures included within the Council's financial statements and the underlying accounting records. That you did not give or cause any instructions to be given to the experts with respect to the values or amounts derived in an attempt to bias their work, and that you are not otherwise aware of any matters that have had an effect on the independence or objectivity of the experts.

L. Specific Representations

We do not require any specific representations in addition to those above.

I would be grateful if you could provide a letter of representation, which is appropriately signed and dated (by the s151 officer and Chair of Corporate Governance Committee) on the proposed audit opinion date (27 September 2016) on formal headed paper.

Yours sincerely

Neil Harris
Executive Director
