

# Equality Impact Assessment (EQIA) Screening Form – V2 Template – November 2024

A successful EQIA screening will look at 5 key areas:

**1. Identify the Policy, Project, Service Reform or Budget Option to be assessed.**

A clear definition of what is being screened and its aims.

**2. Gathering Evidence and Stakeholder Engagement**

Collect data to evidence the type of barriers people face to accessing services (research, consultations, complaints and/or consult with equality groups).

**3. Assessment and Differential Impacts**

Reaching an informed decision on whether or not there is a differential impact on equality groups, and at what level.

**4. Outcomes, Action and Public Reporting**

Develop an action plan to make changes where a negative impact has been assessed. Ensure that both the assessment outcomes and the actions taken to address negative impacts are publicly reported.

**5. Monitoring, Evaluation and Review**

Stating how you will monitor and evaluate the **Policy, Project, Service Reform or Budget Option** to ensure that you are continuing to achieve the expected outcomes for all groups.

## Section 1: Identify the Policy, Project, Service Reform or Budget Option

**If applicable, please provide further details about the name and description of policy being analysed**

*Briefly summarise the policy including any key information such as aims, context etc; note timescales and milestones for new policies; use plain language – NO JARGON; refer to other documents if required*

This Policy sets out Fenland District Councils approach to Whistleblowing. The Council recognises that its staff are often in the best position to know when the interests of the public are being put at risk. It also recognises that staff can act as an early warning system on matters of safety or to help uncover fraud and mismanagement in the workplace. However, the Council is aware that staff may feel uncomfortable about disclosing such information because of:

- a) feeling disloyal to colleagues or the Council;
- b) fearing reprisals through harassment or victimisation; or
- c) being unsure of the best way to proceed.

However, the Public Interest Disclosure Act (2018) recognises these concerns. The Act applies to people at work raising genuine concerns about crime, civil offences, miscarriages of justice, danger to health and safety or the environment. It protects staff when making disclosures of information in the public interest from detriment or dismissal. This Act only covers "workers" - who are defined in simple terms as those who work under a contract of employment.

This Whistleblowing Policy is to encourage staff to make such disclosures without fear of retribution.

## Section 2: Gathering Evidence and Stakeholder Engagement

The best approach to find out if a policy, etc. is likely to impact positively or negatively on equality groups is to look at existing research, previous consultation recommendations, studies or consult with representatives of those groups. You should list below any data, consultations (previous relevant or future planned), or any relevant research or analysis that supports the Policy, Project, Service Reform or Budget Option being undertaken.

**Reminder** – protected characteristics include age, disability, race and/or ethnicity, religion or belief (including lack of belief), gender, gender reassignment, sexual orientation, marriage and civil partnership, pregnancy and maternity.

Name any research, data, consultation or studies referred to for this assessment	State if this reference refers to one or more of the protected characteristics	Do you intend to set up your own consultation? If so, please list the main issues that you wish to address if the consultation is planned; or if consultation has been completed, please note the outcome(s) of consultation.
<ul style="list-style-type: none"> <li>• Previous Code of Practice</li> <li>• Best practice from ACAS &amp; appropriate legislation</li> <li>• Brightmine</li> <li>• Consultation from Corporate Management Team (CMT), Management, Trade Union &amp; Staff Partnership (MTSP), Employment Committee, employees and HR Team</li> </ul>		No consultation required

**If applicable, please provide further information about stakeholder engagement or detail used for customer analysis**  
*Note relevant consultation; who took part and key findings; refer to, or attach other documents if needed; include dates where possible*

### Section 3: Assessment and Differential Impacts

Use the table below to provide some narrative where you think the Policy, Project, Service Reform or Budget Option has either a positive impact (contributes to promoting equality or improving relations within an equality group) or a negative impact (could disadvantage them) and note the reason for the change in policy or the reason for policy development, based on the evidence you have collated.

Please note that:

- a Positive Impact could benefit an equality group and a negative impact could disadvantage an equality group
- for reasons of brevity race is not an exhaustive list – please edit the list if appropriate to reflect the complexity of other racial identities
- a definition of disability under the Equality Act 2010 is available on the [gov.uk website](http://gov.uk)
- there are too many faith groups to provide a list, therefore, please input the faith group e.g., Muslims, Buddhists, Jews, Christians, Hindus, etc. Consider the different faith groups individually when considering positive or negative impacts

## Legislation

### **Equality Act (2010) – the Equality Act 2010 (Specific Duties)**

The 2010 Act consolidated previous equalities legislation to protect people from discrimination on grounds of race, sex, being a transsexual person (transsexuality is where someone is changed, is changing or has proposed changing their sex – called ‘gender reassignment’ in law), sexual orientation (whether being lesbian, gay, bisexual or heterosexual), disability (or because of something connected with their disability), religion or belief, having just had a baby or being pregnant, being married or in a civil partnership and age.
