

PACKAGING SYMBOLS CRIB SHEET

If clean, items with this logo can be recycled in your blue bin.

Items made from metal, if clean, can be recycled in your blue bin.

Recycle these at your local supermarket.

Please check our website if you're unsure if it can be recycled.

Items with this logo cannot be recycled, and will need to go in the green bin.

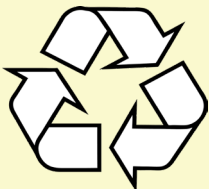

Items with this logo can only be recycled by Terracycle. To find a local drop off station go to www.terracycle.com/en-GB

Please check our website if you're unsure if it can be recycled.

These items should go to the recycling centre not in your bin. The item may be hazardous or hard to recycle, requiring specialist recycling facilities.

Caution!

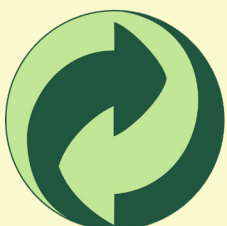

Mobius loop symbol means it is made from recycled material, it may not be recyclable.

Caution!

Symbols with numbers and letters like this one are references to the manufacturers materials. They are not recycling information.

Caution!

The Green Dot or Eco Dot does not mean anything in the UK.
