## Licensing Objectives

Describe any additional steps you intend to take to promote the four licensing objectives as a result of the proposed variation:

a) General - all four licensing objectives (b, c, d and e) (please read guidance note 11)

We will ensure that we don't sell alcohol to anyone who seems to be affected and is likely to make noise or a disturbance.

b) The prevention of crime and disorder

Our customers are usually couples and not holidaying in big groups, the demand is to have a couple of drinks with an opportunity to maybe get chatting to other couples on holiday. The site has always been very safe, secured with barriers and staff will be trained what to look out for and what is acceptable and not.

c) Public safety

This is for guests only, not open to the general public, but for the safety of our sensible guests we will add a life bouy and a throw line to the nearest point of the lake.

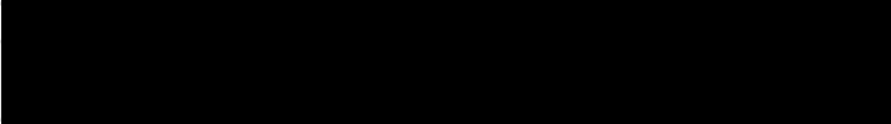

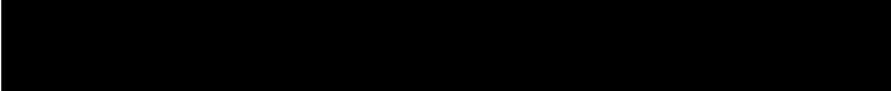

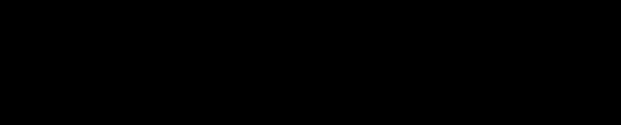

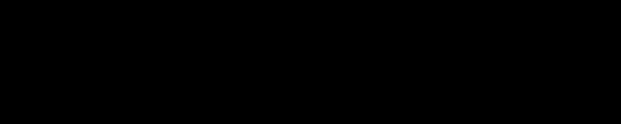

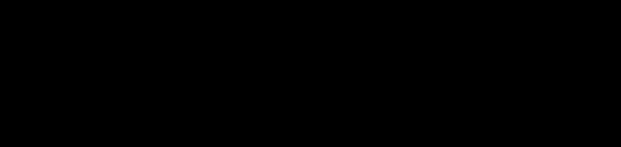

d) The prevention of public nuisance

Staff will be trained on how to deal with any guest who is likely to become a public nuisance, hopefully then preventing this situation, before the level is reached. Anyone stepping out of line, will be asked to leave the next day, as soon as

## Licensing Objectives

	they are fit to drive. Zero disturbance and bad behavioural policy.
e) The protection of children from harm	We are an adult only park, there will be no children in or near the bar area.
